Scholastic BookFlix Now Available Online with a San Diego Public Library Card

SAN DIEGO – Thanks to California State Library funding, the San Diego Public Library has a fun, new reading program available for young children, parents and teachers to access from home. Scholastic *BookFlix* is an online literacy resource that pairs classic video storybooks from Weston Woods with related nonfiction eBooks from Scholastic to build a love of reading and learning. This engaging resource for children in grades PreK-3 helps early readers develop and practice essential reading skills and introduces students to a world of knowledge and exploration.

Scholastic *BookFlix* can be accessed from anywhere there is an Internet connection 24 hours a day, seven days a week! *BookFlix* includes:

- 95 classic video storybooks each paired with a related nonfiction eBook.
- Spanish language versions of 27 pairs.
- Read-aloud supports so students can hear each book narrated and also hear definitions of key words and directions for each activity read aloud.
- Educational games and activities so children can show what they have learned.
- Safe, age-appropriate web links selected by Scholastic's editors so kids can extend their learning on a topic.
- Meet the author section to learn more about the author of each fiction book.

Scholastic *BookFlix* is specifically created to support non-, beginning and reluctant readers. It is the perfect resource for independent reading practice at the library, in computer labs, and at home.
