

# National Library Week 2012

## April 8-14, 2012

Whether you are a job seeker looking for resources to land a new job, a parent looking for free activities for children or a student searching for your next favorite book, you belong @ your library.

Today's libraries help level the playing field by making both print and digital information affordable, available and accessible to all people. Libraries provide cultural heritage and genealogical collections, materials in print and electronic formats, job seeking resources, English as second language and citizenship classes and many other creative and resourceful programs.
