Healthcare Movie Film Screening

Wednesday, August 13, 2014

5:30 - 7:30 p.m.

Auditorium

This documentary provides the real story of how the healthcare systems in Canada and the United States evolved to be so completely different, when at one point they were essentially the same. The Healthcare Movie reveals the personal and emotional impact on Canadians who now have access to universal health care. It also reveals the continuing struggle in the United States between the fear of government intervention and the right to quality healthcare for all people. The film will be followed by a panel discussion facilitated by Physicians for a National Health Program.

ABC's of Divorce

Wednesday, August 13, 2014

6:00 - 7:30 p.m.

Room 431, 4th Floor

There are many legal questions and financial consequences that arise when a marriage is ended. The results of a divorce have far reaching implications in many areas of life. Deciding the equitable division of property and debts acquired during the marriage is replete with nuanced laws and procedures. Determining issues regarding the health, safety and welfare of minor children is of the utmost importance. How much child support will be awarded, and whether spousal support should be are common questions. Family law attorney John W. Zryd Esq. will give an overview of the divorce process, the issues involved with child custody and the rights to child/spousal support.
