

Robot Day!

Saturday, April 11, 2015

Garden Courtyard & Auditorium • 12 - 4 p.m.

It's National Robotics Week. Learn how robotics technology impact society. Bring a robot for show & tell, dress like a robot for support, and make simple robots with free supplies provided by the library. All ages are welcomed to attend.

- Engaging talks from leaders in robotics
- Over 50 unique robots
- Hands on activities
