

WANTED!

Tutor/Learner Coordinators

for the nationally-recognized **Do Your Homework @ the Library** program

If you are interested in educating children and having a positive impact on your community, then this job is for you! Tutor/Learner Coordinators assist K-8 students with their homework, while also managing and mentoring dedicated volunteers. This limited hourly position working for the San Diego Public Library is ideal for people looking to get back into the work force, as well as substitute teachers, retired professional educators, recently credentialed graduates, and professional teachers looking for extra income. Tutor/Learner Coordinators work **up to 14 hours a week** for 36 weeks during the traditional school-year calendar. Follow the link below to review the job description and to begin the application process. Look for Class 1132G Assistant Management Analyst (Literacy Tutor/Learner Coordinator).

About the San Diego Public Library

The San Diego Public Library System serves the residents of the City of San Diego, which encompasses an area of 342 square miles. The Library System consists of the new, iconic Central Library, 35 branch libraries, and the highly acclaimed adult literacy program (READ/San Diego). The Department serves the educational, cultural, business and recreational needs of San Diego's diverse communities through its collection of more than 5.3 million books and audio-visual materials, 3,138 periodical subscriptions, 1.6 million government documents, and over 265,000 books in 25 languages other than English. Access is provided to the library catalog and many index and full-text databases in all library facilities and via the Internet. The Library Department's annual budget in fiscal year 2016 is \$49.3M with approximately 463 full-time equivalent staff members who are diverse, talented, and highly dedicated.
