

San Diego Central Library @ Joan A Irwin Jacobs Common Special Event Space Policies

The San Diego Public Library's Central Library @ Joan A Irwin Jacobs Common is a state-of-the-art cultural center for literacy and learning for the City of San Diego, which also benefits the entire San Diego region. The Central Library was created to meet the community's needs for space, including meeting spaces, large and small groups, and special events space.

These policies apply to the Central Library special events spaces including the Auditorium, Library Lobby, Mary Hollis Clark Conference Center, Helen Price Reading Room, Darlene Shiley Special Events Suite with two adjacent terraces (the Sunset View Terrace and Phyllis Epstein Bay View Terrace), and Qualcomm Dome Terrace with adjacent Valeiras Sculpture Garden. For example, these spaces will be used by organizations for film festivals, concerts, conferences, annual meetings, mixers, and holiday parties and individuals wanting to hold gatherings such as weddings, private parties, and affinity groups. Since the Central Library is located downtown, it greatly adds to the downtown inventory of available special event spaces.

For other meeting rooms there will be charges, which will follow the current City fee schedule for meeting rooms adopted by City Council in 2009. (See also Department Instruction 21-15 Meeting Rooms.)
