# In the REALMS of the UNREAL

by Jessica Yu

Reclusive janitor by day, visionary artist by night, Henry Darger moved through life virtually unnoticed, but after his death, a treasure trove was discovered in his one-room Chicago apartment: a staggering 15,000-page novel and hundreds of illustrations that continue to inspire artists around the world. "In the Realms of the Unreal" immerses us in Darger's startling universe of innocence and pain, showing how he forged magic out of the bleakest of lives.
