# CONVERSATIONS ON RACE

## An Examination on the Status of Race Relations in San Diego in the Past 40 Years with Dr. Carrol Waymon

Forty years ago following the assassination of Martin Luther King, **Dr. Carrol Waymon**, as head of San Diego's Citizen's Interracial Committee, led a multi-year series of historic City Hall meetings and grass-roots forums around San Diego that according to the *San Diego Union-Tribune* "would forever change race relations here." In the wake of Obama's historic campaign, join Dr. Waymon for new conversations on race during 4 interactive sessions with full participant discussions.

Dr. Waymon is a retired San Diego State University and Mesa College professor, a psychologist and well-known community organizer.
