San Diego Public Library Invites Everyone to “Get Carded” in September *September is National Library Card Sign-Up Month*

SAN DIEGO – September is national Library Card Sign-Up Month, and the City of San Diego Public Library urges individuals to take advantage of their investment and sign up for a library card, the “smartest card” in your wallet.

“Using the Library is a rewarding experience for all people of any age,” said City Library Director Anna Tatár. “Nowhere else are books, magazines, the Web, audio and videotapes, CDs, DVDs, and more available to all people regardless of economic status. Librarians can help you make the right choices for you and your family.”

This year’s theme for national Library Card Sign-up Month is “The Smartest Card. Get It. Use It. @ your library.” The “Smartest Card” campaign promotes library card use and enrollment in their communities.

To promote Library Card Sign-Up Month, the library is joining the American Library Association and public libraries across the country to make the library card the most valued and used card in every wallet. The campaign also reminds the public that public libraries are partners for vibrant and educated communities, essential for a free people, and places of opportunity.

“The City’s libraries are dynamic centers for education, information and entertainment,” said Tatár. “We encourage adults and children to take this opportunity during Library Card Sign-Up Month to apply for and use their library cards. There are many great programs, events and services awaiting them at their local libraries.”

Activities at San Diego Public Library locations in September include author events, art presentations, workshops, storytime reading hours, lectures, film screenings, exhibits, and much, much more. For more information on how you can sign up for your library card, stop by or call one of the City’s 35 libraries, or visit the Library on the City’s Web site at <http://www.sandiego.gov/public-library/>.

Observed since 1987, Library Card Sign-up Month is a time when the ALA and libraries across the country remind parents that a library card is the most important school supply of all.
