Online Sources for U.S. and Mexico Telephone Directories

There are a few telephone directories available online.

United States Telephone Directories

AnyWho

www.anywho.com/tf.html
AT&T's directory service database allows reverse lookups, street proximity listing for a business or residential listing, "sounds like" match for last name lookups, and maps of the address. There are 90 million white pages listings and 10 million yellow pages listings. E-mail, home page, fax, and toll-free

number information is included if supplied by users.

Global Yellow Pages

www.yellowbook.com

A collection of phone directories from around the world. To find a number anywhere in the globe select a country from the list provided. Includes some white page listings.

Infobel

infobel.com

An index of links to online telephone, fax and business directories from around the world.

Internet 800 Directory

inter800.com/index.html

Covers all toll-free telephone numbers, not just those provided by AT&T.

ReferenceUSA - Available on San Diego Public Library's website at www.sandiegolibrary.org. You need a valid library card and a pin number to access the telephone database. ReferenceUSA is the No. 1 source of information on businesses and people for researchers, students, job seekers and government agencies. It includes 210 million residents, 14 million businesses, and 855,000 physicians and dentists in its database.

Super Pages

www.superpages.com/
