

THE WAR

at your library

Please join us for a

Stories of Service Orientation *to Recognize* Latino Veterans of World War II

Picture courtesy of the National Archives

Saturday, October 6th

10:00-Noon

San Diego Central Library, 3rd Floor Auditorium

"Stories of Service is a national initiative that is mobilizing youth and adult volunteers to produce digital videos of the personal stories of men and women who remember World War II so that they can be shared with family and friends, museums, libraries, and a world wide audience on the Internet. Please join us to find out how you can be part of this exciting community project!"
