The undersigned wish to submit a proposal to the City of San Diego, and acknowledge that:

1. The City reserves the right to reject any or all proposals at any time at its sole discretion.
2. The act of submitting a proposal does not obligate the City in any way to approve, in whole or in part, land use entitlements or approvals, permits, waivers, or reductions of fees, development or financing of the site, or any other matters to be acted on by the City. Further, all such matters shall be considered and processed by the City in accordance with applicable City requirements and procedures, and the City reserves all rights to approve, disapprove, or conditionally approve all such matters at its sole discretion.
3. None of the matters described in any future draft leases, if any, or discussed during any future negotiations as a purported commitment or obligation of the City shall have any effect unless, and only to the extent, such matters are expressly set forth in a lease or other written agreement, approved by the City Manager and/or City Council, as required, and the City Attorney.
4. It is further specifically acknowledged that the City shall not be responsible or held liable for any costs incurred by the undersigned in relation to the undersigned's proposal to the City, regardless of the type or amount of costs incurred.
