The Procurement Specialist may waive or permit to be cured minor irregularities or minor informalities in Proposals that are immaterial or inconsequential in nature, whenever it is determined to be in the City's best interest.

The City may accept other than the lowest priced offer. The Procurement Specialist may conduct discussions with Proposers in any manner deemed necessary to best serve the interests of the City. The Technical Evaluation Committee (TEC) shall conduct its evaluation of the technical merit of the Proposals in accordance with this solicitation. The Proposer must satisfy and explicitly respond to all requirements of this RFP, including a detailed explanation of how each item listed in this RFP is to be met. The last phase of this technical evaluation will be the ranking by the Committee of each qualified Proposal on technical merit.

The criteria that will be used by the Technical Evaluation Committee for the technical evaluation of Proposals for this procurement are listed below in decreasing order of importance.

1. Organization structure, Qualifications and Experience of Management and Staff.
2. Executive Summary and Specifications.

6. Optional Oral Presentation, Interview and Establishment of Rapport with Key Personnel.

The Committee may request additional technical assistance from any source. References shall be used during the evaluation process.

L. PRICE EVALUATION

The separate Price Proposal Volume will be distributed to the Price Evaluation Committee. This information will then be used to establish a ranking.

Proposers are required to submit, with their price Proposal, a statement of financial responsibility as specified in the Forms Section. This document will be used in determining the Proposers' financial responsibility.

Additionally, the City reserves the right to require, during Proposal evaluation, that Proposers provide a copy of their most current Annual Report or audited Statement of Financial Condition to include a Balance Sheet, Income Statement, and Cash Flow Statement or other acceptable financial information. These documents may be relied on in further determining Proposers' financial responsibility.

M. OPTIONAL ORAL PRESENTATIONS

Proposers may be required to make individual oral presentations to the City Evaluation Committee, or its designated representatives, in order to clarify their Proposals. Additionally, the Proposer's key personnel may be required to be interviewed by the City's Evaluation Committee, or its designated representatives. Interviews may be by telephone and or in person. Multiple interviews may be required. The purpose of the interview of the key personnel is to determine if the City is able to establish rapport and a productive professional working relationship with these individual(s). Any costs incurred for the oral presentation and interview of the key personnel are the responsibility of the Proposer.

N. NEGOTIATION

The City has the right to accept the Proposal, which serves the best interest of the City, as submitted, without discussion or negotiation. Proposers should, therefore, not rely on having a chance to discuss, negotiate, and adjust their Proposals.

Proposers, who submit Proposals initially judged by the Procurement Specialist to be reasonably susceptible of being selected for award may, be asked to discuss their Proposals with the City to facilitate arrival at a contract most advantageous to the City. If the Procurement Specialist determines that discussion is in the best interest of the City, the Procurement Specialist will advise Proposers in the competitive range to submit a Best and Final Offer (BAFO) for consideration after discussions are held.

However, discussions may not be conducted if the Procurement Specialist determines either that discussions are not in the best interests of the City or that discussions need not be conducted: (a) with respect to prices that are fixed by law or regulation, although consideration shall be given to competitive terms and conditions; (b) because the time of delivery or performance does not permit discussions; or (c) because it can be demonstrated clearly from the existence of adequate competition or accurate prior price experience with the particular item that acceptance of an initial offer without negotiation would result in a fair and reasonable price.

O. CITY'S UNILATERAL RIGHT

The City reserves the unilateral right to cancel this RFP, in whole or in part, or reject all Proposals submitted in response to this RFP when such action is determined to be fiscally advantageous to the City or otherwise in the best interest of the City; the unilateral right to award a contract in whole or in part; to award a contract to one or more Proposers; to waive or permit cure of minor irregularities; and to conduct discussions with Proposers in any manner necessary to serve the best interest of the City.

Q. BASIS OF AWARD

The Procurement Specialist will recommend contract award to the responsible Proposer(s) who's Proposal is determined to provide overall best value to the City, considering the evaluation factors in this RFP, including price. Multiple awards may be made.

Technical ranking of Proposals will be combined with the corresponding price ranking to determine a final ranking for each Proposal. Technical merit will have greater weight than price. However, the more closely Proposals are ranked technically, the more important price will become.

R. INCURRED EXPENSES

The City will not be responsible for any expenses incurred by Proposers in preparing and submitting a Proposal or best and final offer or in making an oral presentation or demonstration.

On May 24, 2005, the Council of the City of San Diego adopted Ordinance No. O-19383. The intent of the Contractor Standards clause of San Diego Municipal Code §22.3224 is to ensure the City of San Diego conducts business with firms that have the necessary quality, fitness and capacity to perform the work set forth in the contract.

To assist the Purchasing Agent in making this determination, each bidder/proposer must complete and submit the attached questionnaire with the bid/proposal. If a non-competitive process is used to procure the contract, the proposed contractor must submit this completed questionnaire prior to execution of the contract. Submitted questionnaires are public records and information contained within will be available for public review for at least ten (10) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

All questionnaire responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, respondents must use the *Questionnaire Attachment "A"* and sign each page. The signatory of this questionnaire guarantees the truth and accuracy of all responses and statements. Failure to submit this completed questionnaire may make the bid/proposal non-responsive and disqualified from the bidding/proposal process. If a change occurs which would modify any response, Contractor must provide the Purchasing Agent an updated response within thirty (30) calendar days.

DRUG-FREE WORKPLACE

A. GENERAL

All City projects are now subject to City of San Diego Resolution No. R-277952 adopted on May 20, 1991. All bidders/proposers should be aware of the provisions of San Diego City Council Policy No. 100-17 which was established by the above numbered resolution. The policy applies equally to the Contractor and all Subcontractors. The elements of the policy are outlined below.

B. DEFINITIONS

- 1) “Drug-Free Workplace” means a site for the performance of work done in connection with a contract let by City of San Diego for the construction, maintenance, or repair of any facility, or public work, or for professional, or nonprofessional services rendered on behalf of the City by an entity at which employees of the entity are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in accordance with the requirements of this section.
- 2) “Employee” means the employee of a Contractor directly engaged in the performance of work pursuant to a contract as described in Section C.
- 3) “Controlled Substance” means a controlled substance in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. Sec. 812).
- 4) “Contractor” means the department, division, or other unit of a person or organization responsible to the Contractor for the performance of a portion of the work under the contract.

C. CITY CONTRACTOR REQUIREMENTS

- 1) Every person or organization awarded a contract or grant by the City of San Diego for the provision of services shall certify to the City that it will provide a Drug-Free Workplace by doing all of the following:
 - a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person’s organization’s workplace and specifying the actions that will be taken against employees for violations of the prohibition.
 - b) Establishing a Drug-Free Awareness Program to inform employees about all of the following:

- (1) The dangers of drug abuse in the workplace.
 - (2) The person's or organization's policy of maintaining a Drug-Free Workplace.
 - (3) Any available drug counseling, rehabilitation, and employee assistance programs.
 - (4) The penalties that may be imposed upon employees for drug abuse violations.
- c) Posting the statement required by subdivision (1) in a prominent place at Contractor's main office. For projects large enough to necessitate a construction trailer at the job site, the required signage would also be posted at the job site.
- 2) Contractors shall include in each subcontract agreement language which indicates the Subcontractor's agreement to abide by the provisions of subdivisions a) through c) inclusive of Section C1. Contractors and Subcontractors shall be individually responsible for their own Drug-Free Workplace programs.

NOTE: The requirements of a Drug-Free Awareness Program can be satisfied by periodic tailgate sessions covering the various aspects of drug-abuse education. Although an in-house employee assistance program is not required, Contractors should be able to provide a listing of drug rehabilitation and counseling programs available in the community at large.

Questions about the City's Drug-Free Workplace Policy should be referred to the Purchasing Agent.

ATTACHMENTS

ATTACHMENT A - CONFLICT OF INTEREST DECLARATION

The California Political Reform Act (Government Code section 81000-91015) (the "Act") provides that individuals who, under contract, provide information, advice, recommendation or counsel to a local government agency are deemed to be "public officials" subject to the conflict-of-interest provisions of the Act. In the opinion of City Counsel, individuals performing the services contemplated under the Agreement on behalf of Consultant will be deemed to be public officials for purposes of the Act.

Section 87100 of the Act prohibits public officials from participating in making, or in any way attempting to use their position to influence, a governmental decision in which they know, or have reason to know, that they have a direct or indirect financial interest. For purposes of the Act, a public official has a financial interest in a decision if it is reasonably foreseeable that the decision will have a material financial effect on:

1. Any business entity in which the public official has a direct or indirect investment worth \$1,000 or more.
2. Any real property in which the public official has a direct or indirect interest worth \$1,000 or more.
3. Any source of income (with certain exceptions) aggregating \$250 or more in value received or promised to be received within 12 months prior to the time when the decision is made.
4. Any business entity in which the public official is a director, officer, partner, trustee, employee, or holds any position of management.
5. Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating \$250 or more in value provided to, received by, or promised to the public official within 12 months prior to the time that the decision is made.

For purposes of applying these criteria, the term "indirect investment or interest" means any investment or interest owned by the spouse or dependent child of a public official, by an agent on behalf of a public official, or by a business entity or trust in which the official, the official's agents, spouse and dependent children own directly indirectly, or beneficially, a 10, percent interest or greater.

I hereby acknowledge that I have read and understand the above and certify that any work to be performed by me on the project identified below will not constitute a conflict of interest under the Act.
