The City of San Diego (City) is inviting proposals from qualified firms or individuals, hereafter referred to as Proposers, to redevelop and operate an aquatic facility at the Naval Training Center Park. The project would consist of a renovate/remodel and utilization of the City-owned property known as Building 619, San Diego, CA 92106 in Liberty Station (Property). The City is seeking proposals that will serve the needs of the local and regional community in the best interest of the public. Redevelopment, operation, and maintenance of the Property shall be in accordance with the terms and conditions of this Request for Proposals (RFP).

## A. BACKGROUND

The Property consists of 3.6 acres of land with a 19,650 square foot building built in 1992 (former daycare center); landscaping, and common parking (see attached Exhibit “A”). The 3.6 acres is a portion of 49 acres acquired by the City on July 6, 2001 from the United States Department of Interior as surplus property known as parcel VI, Naval Training Center (NTC) by quitclaim deed (Deed).

The City is seeking a concessionaire to provide an aquatic center on the former NTC site for the use and benefit of the general public. In 2002 the General Development Plan (Plan) for the NTC Park was approved by the City Park and Recreation Board (see attached Exhibit “C”). The park design includes an aquatic center complex with a 50-meter pool, a 25-meter instruction pool, and a family area with interactive water play elements. The Plan also includes locker rooms, offices, restrooms, storage and a concession stand. In February 2004 the NTC Park Plan was approved by the State Coastal Commission.

Community stakeholders have been actively supportive of this project including “Families for a Point Loma Swimming Pool” and the Peninsula Community Planning Board. Other possible uses/programs proposed by the community include:

- Swim lessons, wellness & exercise programs
- Competitive programs for swim and diving
- Masters Swim
- Water Polo
- Regional Training Center for:
  - a. Lifeguard Instruction
  - b. Water Safety Instruction
  - c. Kayak Training
  - d. Scuba/snorkel training.

Condition No. 3 of the Deed conveying the property to the City (see attached Exhibit “D”) provides that the property “shall not be sold, leased, assigned or otherwise disposed of except to another eligible governmental agency without the prior approval of the Secretary of the Interior in writing. . . . However, nothing in this provision shall preclude the [City] from providing related recreational facilities and services compatible

with the approved application, through concession agreements entered into with third parties, provided prior concurrence to such agreements is obtained in writing by the Secretary of the Interior.” Attached is a draft concession agreement (Exhibit “E”) which has been approved by the Department of the Interior.

**B. TYPE OF PROPOSALS SOUGHT**

The City's Real Estate Assets Department, acting on behalf of the City’s Park and Recreation Department, is seeking proposals to redevelop, operate and maintain the Property. The proposed facility would include, but not limited to, recreational and competitive pools; a leisure pool with playground features for small children; supporting facility and associated site improvements. It would be to each Proposer’s advantage to inspect the Property. A pre-proposal inspection, as further set forth below in Section H, is scheduled for this purpose with a representative of the City's Real Estate Assets Department present to answer questions and tour the Property.

Each proposal should reflect the City's desire to have an operator who provides a high level of service to the public while operating, managing and maintaining the Property and related activities in a fiscally responsible manner.

Each Proposer in preparing his/her proposal should consider all applicable laws and available industry guidelines as applicable to historical resources, liability, public health standards, recreational operations, Americans with Disabilities Act (ADA) access, and the highest standards of maintenance of all facilities and equipment.

**C. OPERATING PLAN**

Proposals must include a conceptual plan for the Property, along with any proposed changes or additions to the existing facilities on the Property. Proposals shall include, at a minimum, detailed responses for the following requirements:

1. A preliminary site and floor plan showing the general location of all of the existing and any proposed capital improvements and/or major equipment on the Property, including a development schedule, a description of any demolition proposed, and a projection of development and construction costs. All uses, improvements, and demolition are subject to approval by the City.
2. A Program Plan providing a description of the planned programs and activities and/or services for the Property, including hours of operation, proposed fees and charges.
3. A proposed term of the concession agreement.
4. A financing plan.

The selected Proposer must be prepared to provide the necessary trade fixtures and equipment needed to provide a sufficient level of service. Title to trade fixtures shall be deemed to be part of the Property and be City's property free of all liens and claims. Title to equipment (other than trade fixtures) would remain vested in the selected Proposer until the end of the concession agreement.

D. PROPOSAL ELEMENTS AND ADDITIONAL CONCESSION AGREEMENT PROVISIONS

The City anticipates entering into a concession agreement, in substantially the form of Exhibit "E," to memorialize in detail the elements of the selected proposal. The following terms and conditions shall be incorporated into the concession agreement to be negotiated and executed between the selected Proposer and the City, subject to modification and deletion as determined by the City in City's sole discretion:

1. Uses. The proposed primary use of the Property shall be the operation and maintenance of an aquatic center complex and incidental purposes as approved by the City.
2. Term. The proposed term must be justified by the Proposer on the basis of capital investment in improvements, equipment, facilities and in promoting the Property and services thereon to the general public.
3. Concession Payment. Concessionaire shall pay to CITY a concession payment ("Concession Payment") in the amount of Three Thousand Two Hundred and Fifty Dollars (\$3,250.00) per Agreement year paid annually in advance for the use of the Property to offset administrative costs incurred for CITY staff services that are of benefit to Concessionaire. Concessionaire shall pay Concession Payment within thirty (30) days after the Effective Date, and thereafter on each annual anniversary of the Effective Date. The Concession Payment shall be adjusted upward annually, based on increases in the Consumer Price Index as provided below ("Adjusted Concession Payment"). In no event shall the Adjusted Concession Payment be less than the Concession Payment in existence on the immediately prior Agreement Year.
  - a. CPI Adjustments. On each annual anniversary of the Effective Date, the Concession Payment shall be adjusted to reflect any net increase in the Consumer Price Index for "All Urban Consumers" for Los Angeles/Riverside/Orange County, California ("CPI") based on the average of the then three most recently published monthly indices just prior to each adjustment. If the CPI is no longer published, the index for adjustment shall be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the CPI.

- i. If Concession Payment adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used shall first be converted under a formula supplied by the U.S. Department of Labor's Bureau of Labor Statistics or its successor.
- ii. If Department of Labor indices are no longer published, CITY in its sole and absolute discretion may use another index deemed by CITY to be reasonably comparable to the CPI, which shall then constitute the CPI under this Agreement.
- iii. CITY's failure to deliver timely notice of any Concession Payment adjustment shall not constitute a waiver by CITY of its rights hereunder.

b. CPI Adjustment Computation. Each year Concession Payment shall be calculated as follows:

The "adjustment multiplier" shall be calculated by dividing the "current index" by the "base index" as defined below:

- i. The "current index" shall be the average of the three monthly indices most recently published before the adjustment date ("Current Indices").
- ii. The "base index" shall be the average of the same months' indices published a year prior to the Current Indices.

The "base figure" for calculating Concession Payment shall be the dollar amount of Concession Payment for the year immediately preceding the adjustment date. The "base figure" is then multiplied by the "adjustment multiplier" to determine the Adjusted Concession Payment:

$$\text{(CURRENT INDEX} \div \text{BASE INDEX)} \times \text{BASE FIGURE} = \text{ADJUSTED CONCESSION PAYMENT}$$

c. Delinquent Concession Payment. If Concessionaire fails to pay all or any part of the Concession Payment or ANY other payments when due, Concessionaire shall pay, in addition to the unpaid amount, five percent (5%) of the unpaid amount. If the Concession Payment is still unpaid at the end of fifteen (15) days, Concessionaire shall pay an additional five percent (5%) of the unpaid amount [for a total of ten percent (10%)], which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from the delinquency, including lost interest, lost opportunities, legal costs, and the cost of servicing the

delinquent account. Notwithstanding the foregoing, in no event shall the charge for late payment of Concession Payment be less than Twenty-Five Dollars (\$25) each time.

- d. Time and Place of Payment. All payments to be paid by Concessionaire under this Agreement shall be made payable to the City Treasurer and be mailed to:

San Diego City Treasurer  
P.O. Box 129030  
San Diego, California 92112-9030

*or hand delivered to:*

The Office of the City Treasurer  
Civic Center Plaza  
1200 Third Avenue, First Floor  
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to Concessionaire. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt

4. Records. The selected Proposer shall keep complete and accurate accounting records, from which the City may, at reasonable times, determine the nature and amounts of income from the operation of the premises. The records may be periodically audited by the City.
5. Right to Assign and Sublet. The selected Proposer may not assign the agreement or any interest therein and may not sublet any portion thereof without prior written approval from the City and the Department of the Interior. The approval, however, may be conditioned upon the proposed assignee agreeing to revisions to the agreement to reflect market conditions or City requirements that are then current. Also, no assignee will be approved who is not at least comparable to the original selected operator in financial and professional capabilities to operate premises.
6. Compliance with Laws. The selected Proposer shall secure and maintain full compliance with all applicable municipal, county, state, and federal laws and regulations at its own cost.
7. Performance Bond. The selected Proposer shall provide to City, prior to commencement of any construction, a faithful performance bond in the amount of

one hundred percent (100%) of the estimated design and construction costs of the work to be performed. The bond may be in cash or may be a corporate surety bond or other security satisfactory to City. The bond shall insure that the construction to be commenced by the selected Proposer shall be completed in accordance with the plans approved by City or, at the option of City that the uncompleted construction shall be removed and the Premises restored to a condition satisfactory to City. The bond or cash shall be held in trust by City for the purpose specified above, or at City's option may be placed in an escrow approved by City. This requirement is not intended to be duplicative of a construction bond otherwise required of the selected Proposer.

8. Prevailing Wage Rates: Prevailing wage rates apply to the concession agreement. Proposers shall provide the hourly wage rate to be paid to covered employees for work performed under the concession agreement in accordance with the State prevailing wage requirements.

#### REQUIREMENTS FOR CONTRACTS SUBJECT TO STATE PREVAILING WAGE REQUIREMENTS.

In accordance with California Labor Code (Labor Code) sections 1770, et seq., as amended, the Director of the Department of Industrial Relations (DIR) has determined the general prevailing rate of per diem wages (Prevailing Wage Rate) in accordance with the standards set forth in sections for the locality in which the work is to be performed. Concessionaire may review the Prevailing Wage Rate at the City's Purchasing and Contracting Department or Equal Opportunity Contracting (EOC) Office or on-line at [http://www.dir.ca.gov/dlsr/statistics\\_research.html](http://www.dir.ca.gov/dlsr/statistics_research.html). Concessionaire shall post a copy of the Prevailing Wage Rate at each job site and make copies available to any interested party on request.

Pursuant to Labor Code sections 1720 et seq., and 1770 et seq., Concessionaire and all subcontractors shall pay not less than the Prevailing Wage Rate to all persons employed by them in the execution of the work. Concessionaire and any subcontractor shall comply with Section 1775 (Penalties for Violations) in the event workmen are paid less than said specified rates.

The wage rates determined by the DIR and published in the Department of Transportation publication entitled "General Prevailing Wage Rates" refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, said published wage rate shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had

been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the contract.

The successful bidder intending to use a craft or classification not shown on the prevailing rate determinations may be required to pay the rate of the craft or classification most closely related to it.

Concessionaire and subcontractors must comply with Labor Code section 1776 by keeping accurate payroll records that show the name, address, social security number, work classification, straight time, and overtime hours worked each day and week by each worker, and the actual per diem wages paid to each worker employed by Concessionaire or subcontractor in connection with the public works project. Each payroll record shall contain or be verified by a written declaration signed by Concessionaire or subcontractor under penalty of perjury that states that: 1) the information contained in the payroll record is true and correct; and 2) Concessionaire or subcontractor has complied with the requirements of Labor Code sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project. The payroll records must be certified. Concessionaire and subcontractor(s) shall submit weekly certified payrolls online via the City's web-based labor compliance program. Concessionaire shall be responsible for the compliance with these provisions by its subcontractors. City will withhold contract payments when payroll records are delinquent or deemed inadequate by City or another governmental entity, or when it is established after investigation by City or another governmental entity that underpayment has occurred.

You must abide by the requirements of Labor Code sections 1777.5, 1777.6, and 1777.7 concerning the employment of apprentices by contractors and subcontractors performing public works contracts.

9. Utilities. The selected Proposer must pay for all utility installations and services required for its operation. All utilities shall be installed underground.
10. Nondiscrimination. The selected Proposer shall not discriminate in any manner against any person by reason of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in selected Proposer's use of the premises. Selected Proposer shall comply with the City adopted program for equal employment opportunities. This program includes requiring the selected Proposer to submit a Workforce Report (see attached Exhibit "F"), and in some cases an Equal Opportunity Plan. The selected

Proposer shall comply with the San Diego Municipal Code sections 22.4301-22.4308, which requires lessees of City-owned property to offer the same employment benefits to employees with spouses and employees with domestic partners. Proposer shall certify that it will maintain such equal benefits throughout the term of the concession agreement.

11. Insurance. The selected Proposer shall be required to carry public liability and property damage insurance, naming the City as an additional insured, in the amount of not less than Five Million Dollars (\$5,000,000) combined single limit liability. The selected Proposer shall also release, indemnify, defend, and hold the City harmless from liability in connection with any and all operations and activities on the Property. The selected Proposer is required to carry a policy of fire, extended and special form insurance with replacement cost coverage on all permanent property of an insurable nature located upon the premises in an amount equal to the full replacement of all improvements. Liability limits are to be per site and not a cumulative limit.
12. Taxes. The selected Proposer must pay any and all taxes and assessments, including possessory interest taxes levied by reason of its possession, development, or use of the Property.
13. Default. The City will reserve the right to terminate the concession agreement or to cure any curable default or breach within thirty (30) days of legal notice thereof.
14. Permits and Licenses. The selected Proposer will be required to obtain all necessary permits and licenses for this type of operation at his/her sole cost and expense. Selection of a proposal or execution of a concession agreement shall not be construed as a waiver by City of any legal or lawful requirement necessary to the issuance of such permits or licenses, nor of any other legal requirement whatsoever.
15. Non-responsibility. The City hereby disclaims any responsibility, liability, or obligation to issue any permits or licenses or to waive any legal requirement by reason of selecting a Proposer or executing a concession agreement with the selected Proposer.
16. Improvements and Alterations. All improvements, demolition, or alterations to the Property shall be in accordance with plans and specifications approved in writing by the City in advance and shall be at the sole cost and expense of the selected Proposer.
17. Maintenance. The Property is offered in an "as is" and "where is" condition, and all maintenance and repairs shall be the responsibility of the selected Proposer throughout the entire term of the concession agreement without expense to the

City. The selected Proposer shall maintain the Property and all improvements thereon in a clean, safe and well-maintained condition throughout the term of the concession agreement, to the satisfaction of the City and in compliance with all applicable laws.

18. Ownership of Improvements. Title to trade fixtures shall be deemed to be part of the Property and be City's property free of all liens and claims. Title to those fixtures and equipment (other than trade fixtures) would remain vested in the selected operator Proposer until the end of the concession agreement. The selected Proposer must remove all personal property upon termination or expiration without cost to the City or damage to the Property.
19. Hours of Operation. A regular schedule of days and hours of operation shall be established by the selected Proposer to best serve the public. The schedule shall provide a minimum of 30 un-programmed hours each week for public open swim. The schedule shall be subject to approval by the City.
20. Criminal Background Screenings. The City may require background investigations on all employees of the selected Proposer assigned to the concession agreement when information becomes available that indicates a potential breach in safety or security.
21. Gratuities. The concession agreement may be terminated by written notice if the City determines that the selected Proposer, its agent, or another representative:
  - a. Offered or gave a gratuity (e.g. an entertainment or gift) to an officer, or employee of the City; and
  - b. Intended by the gratuity to obtain a contract or favorable treatment under a contract.

If the concession agreement is terminated under this section, the City is entitled to pursue breach of contract remedies and all other remedies available at law or in equity.

22. Business Tax Certificate. Any company doing business with the City of San Diego is required to have a business tax certificate. For more information please visit the City of San Diego website at [www.sandiego.gov/treasurer/](http://www.sandiego.gov/treasurer/) or call (619) 615-1500. The City requires that each Proposer provide a copy of their business tax certificate, or a copy of their application receipt with their proposal. Failure to provide the required business tax certificate or application within ten (10) business days of the City's request may result in a bid being declared non-responsive and rejected.

E. RESPONSIBILITY OF PROPOSERS

1. Each Proposer is responsible for making all investigations and examinations necessary for developing and operating the Property. The selected Proposer will be responsible for obtaining all necessary approvals and permits to the satisfaction of the City. Proposers shall understand that the submission of a proposal to this RFP shall be considered evidence that the Proposer has made such investigations and examinations.
2. Proposers may withdraw their proposals at any time prior to the selection of proposer, upon written notice to the City's Real Estate Assets Department.
3. By submission of a Proposal, Proposer guarantees that the offer is firm for ninety (90) calendar days, commencing the day following the due date for proposal submission set forth below. If an award is not made during that period, the Proposal shall automatically extend for another ninety (90) days, unless the Selected Proposer indicates otherwise to the contact person listed on the cover page of this RFP in writing thirty (30) days prior to expiration of the current ninety (90) days period.
4. Unless otherwise specified, the Proposer shall pay all royalties, license and patent fees. In submitting a Proposal, the Proposer warrants that the materials to be supplied do not infringe upon any patent, trademark or copyright and further agrees to defend any and all suits, actions and claims for infringement that are brought against the City, whether general, exemplary or punitive, as a result of any actual or claimed infringement asserted against the City, the Proposer or those furnishing material to the Proposer pursuant to the concession agreement. The Proposer, without exception, shall defend, indemnify and hold harmless the City, its elected officials, officers, and employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the concession agreement, including its use by the City. If the Proposer uses any design, device, or materials covered by letters, patent, or copyright, it is mutually understood and agreed without exception that the concession agreement prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the concession agreement.

F. PROPOSAL CONTENTS

All proposals must include as a minimum the information specified below. Failure to include this information will seriously detract from a proposal and may be cause for its complete rejection. The inclusion of any additional information that will assist the City in the evaluation is encouraged. The adequacy, depth and clarity of the proposal will influence, to a considerable degree, its evaluation. The proposal submitted must be complete, and evaluation and selection of proposals shall be strictly based on the material

contained in the proposals alone. Proposers are advised to submit thorough, complete proposals, since there will be no auction or competitive negotiation and the City reserves the right to make a selection based solely on the information contained in submitted proposals.

The City will not be responsible for any costs incurred by proposers in the preparation and submission of proposals. All materials submitted to City become the property of the City of San Diego and may not be returned.

Each proposal **MUST** include the following items:

1. **Identification and Signature.** The complete identity, including social security number, address, daytime phone number, and current employment of the Proposer; or the name of the organization, the organization's Federal Tax ID number and the names and addresses of the principals who will be responsible for the operation of the business and their position in the firm. If the business is a privately-held corporation, a listing of all stockholders, their interest in the company as related to percentage of ownership, and their interest, if any, in the operations of the entity must be included.

A Proposal by a corporation must be signed by a duly authorized officer, employee or agent, with his or her title. The representative signing on behalf of a corporation, partnership, sole proprietorship, joint venture or entity hereby declares that authority has been obtained to sign on behalf of the corporation, partnership, sole proprietorship, joint venture, or entity and agrees to hold the City harmless, if it is later determined that such authority does not exist. An original signature, in ink, is required. Copies and facsimiles are not acceptable.

2. **Summary of Experience.** A resume or summary of the Proposer's experience and qualifications to operate the facility. If the Proposer is not going to be involved in the day-to-day operation of the Property, then the Proposer must include qualifications and verification that all persons to be employed in management capacity at the Property are well qualified.
3. **Financial Statements.** Current financial statements, audited or prepared by CPA, or tax returns for the preceding three years is required. Each Proposer shall submit a full and detailed statement of their true financial condition as of April 1, 2013, or as recent as possible if that date is not available. The statement shall include the Proposer's assets, liabilities and net worth, including the availability of operation capital and its source. If the Proposer plans to use borrowed capital, then the amount of borrowed capital proposed for the improvements and operation of the Property, and its source and terms of repayment, must be included in the financial statement.

4. Proposed Improvements. The proposal must include a preliminary development plan for the Property, including a narrative description of all proposed improvements and alterations, plot plan, estimated construction costs and proposed schedule of development.
5. Proposed Term. Proposed term of the concession agreement and the justification therefore in terms of the amount of investment.
6. Concessionaire Questionnaire. Proposer shall submit with its proposal a completed Concessionaire Questionnaire. Copy of Concessionaire Questionnaire is attached as Exhibit "G".
7. Certification. By submission of a proposal, the Proposer certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal, State or Local departments or agencies. Proposer shall submit with its proposal a completed Certification regarding Debarment, Suspension, Proposed Debarment, and other Responsibility Matters. Copy of the Certification is attached as Exhibit "H".

#### G. NONCONFORMING PROPOSALS

The City anticipates entering into a concession agreement, substantially in the form of Exhibit "E," for this Request for Proposals. Proposers should bear in mind the competitive nature of the proposal process and the fact that the City will be looking for the proposal which offers the best advantage to the City and to the public.

However, the City may also consider proposals offering alternate terms. Proposers requesting deviations from the provisions of this RFP should specifically address the requested changes in their proposals. The City is not obligated to accept any proposal, whether conforming or nonconforming.

#### H. PRE-PROPOSAL INSPECTION

To give prospective Proposers an opportunity to view the site and ask questions about the concession agreement, proposal submittal, and related matters, a pre-proposal inspection of the Property will be scheduled. It is strongly suggested that all Proposers attend the pre-proposal inspection. While attendance is not mandatory, it is the sole responsibility of the Proposer to become familiar with the scope of City's requirements prior to submitting a proposal. Submission of a Proposal will be considered evidence that the Proposer has familiarized themselves with the nature and extent of the requirements.

Time: 9:00 a.m. to 10:00 a.m.

Place: Building 619 Liberty Station, San Diego, CA 92106 (at 9:00 a.m. at building entrance).

J. PROPOSAL EVALUATION AND SELECTION

The City reserves the right to award this RFP and the prospect of a concession agreement to the Proposer who will best serve the interests of the City. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations to the specifications stated herein and in the bidding process.

Proposals are usually evaluated in a two-step process by an evaluation committee of qualified City staff, and if necessary other persons selected by the City.

In step one, the committee will evaluate all responsive proposals based upon the information and references contained in the proposals as submitted. The committee will score and rank all responsive proposals and determine a minimum of three (3), if more than three (3) proposals are responsive, to be finalists for further consideration. If less than three (3) responsive proposals are received, the committee will give further consideration to all responsive proposals received.

In step two, if the City deems it necessary, all finalists will be required to provide an oral presentation by appearing before the evaluation committee or by conference telephone call, for the sole purpose of providing clarification to the finalist Proposals only. The committee may inspect finalists' facilities and perform other due diligence as it may determine. The committees will then re-score and re-rank the finalists proposals.

The first-ranked Proposer resulting from this process will be recommended to the City Council for award. The recommended Proposer may be required to appear before the City Council for award of the concession agreement. Award of the concession agreement will be based on the evaluation criteria listed below:

1. **Responsiveness (Maximum 25 points):**

The extent to which a proposal clearly addresses the elements of this RFP is a key factor in selection. Some of the elements which will be considered are: quality, attractiveness, and thoroughness of the proposal; responsiveness to requirements described in the RFP; and understanding the needs, goals and objectives of the City while providing highest and best use of the Property.

2. **Facility Plan (Maximum 20 points):**

The Facility Plan should include a preliminary plot plan showing the general location of all existing and proposed improvements on the Property; identify and describe the project components for any indoor and outdoor facilities (site plan); and present schematic drawings showing the proposed improvements and alterations to the Property and facilities thereon. Drawings do not need to be detailed construction drawings but should be drawings to a consistent scale in sufficient detail to clearly show the types, dimensions and locations of all proposed improvements and facilities.

3. **Professional Experience (Maximum 20 points):**

The experience of the Proposer in successfully managing an operation of this type, and the Proposer's demonstrated ability to implement the components of the proposal will be significant factors in the proposal evaluation. The Proposer should have at a minimum three (3) years experience in the past five (5) years operating similar operations.

4. **Financial Capability (Maximum 25 points):**

The Proposer must exhibit the necessary financial capability and strength to successfully develop and operate the Property in accordance with the Proposal and the concession agreement. The Proposer must have the means to adequately staff the proposed operation during the term of the concession agreement.

5. **Community/Public Service (Maximum 10 points):**

The Proposal will be evaluated based on the Proposer's overall ability to best serve the needs of the public by providing the most benefits which are accessible to all community members and the general public; promoting healthy physical activity and enjoyment of NTC Park Aquatic Center.

6. **(Optional) Oral Presentation and other Due Diligence (Maximum 10 points).**

**Total Points: 100 points + 10 points (optional) = 110 points**

Environmental Restriction Pursuant to Civil Code Section 1471

THE UNITED STATES OF AMERICA, acting by and through the Secretary of the Interior, acting by and through the Director, National Park Service, under and pursuant to the power and authority contained in the provisions of the Federal Property and Administrative Services Act of 1949 (63 Stat. 337), as amended, and particularly as amended by Public Law 485, 91st Congress, and regulations and orders promulgated thereunder (hereinafter designated "Grantor"), for and in consideration of the perpetual use of the hereinafter described premises as and for public park and public recreation area purposes, by the City of San Diego (hereinafter designated "Grantee"), does hereby release and quitclaim to Grantee, and to its successors and assigns, all Grantor's right, title and interest in and to Property, including improvements appurtenant thereto, located in San Diego County, California, containing approximately ~~49~~ acres and more particularly described as follows; Parcels 1, 2, 5, and 6 as depicted on Record of Survey Map No. 16556 filed April 25, 2000 in the Book of Record of Survey in the Office of the County Recorder for the County of San Diego, State of California, hereinafter designated "Property".

The hereinbefore described Property is granted by the Grantor to the Grantee subject to valid and existing easements of record for streets, utility systems, rights-of-way, railroads, pipelines, and/or covenants, restrictions, reservations, conditions, licenses, and agreements which now exist affecting the foregoing described premises, and further subject to the reservations, exceptions, restrictions, conditions and covenants herein expressed and set forth unto the Grantee, its successors and assigns, forever.

The United States of America has constructed and installed structures, facilities, land lines, pipelines and conduits on the Property, including those used for water, gas, electricity, steam, communications, heating and cooling to serve and support continuing activities of the Department of Navy, its successors and assigns, off of the Property. Grantor hereby reserves the easements depicted and described in Exhibits A through E for the purposes described therein. Said easements shall be non-exclusive and the Grantee may make use of the underlying Property, provided it does so in a manner consistent with the Grantor's rights under the easements. Said easements shall include the right, upon a minimum of twenty-four (24) hour advance notice, except in the case of an emergency, to enter upon, above or below the Property to construct, operate, maintain, repair, or replace, or modify Grantor's improvements, provided the surface is restored to the condition previously existing and provided that interference with the Grantee's use of the Property is minimized to the extent practicable. Grantee agrees, on behalf of itself and its successors and assigns, as a covenant running with the land, that it shall protect or relocate improvements within the reserved easement depicted and described in Exhibits A through E in a manner satisfactory to the Department of Navy, its successors or assigns, should such protection or relocation be required as result of the Grantee's, its successors or assigns use of the Property. Such protection or relocations shall be accomplished at no expense to the Grantor. Any proposed use requiring such protection or relocation of improvements shall not begin or proceed prior to obtaining the written consent of the Department of Navy, successors or assigns and all reasonable requirements and conditions of the grant of consent are complied with. Consent shall not be unreasonably withheld or delayed.

Said reserved easements are subject to the express condition subsequent that they shall remain in effect for so long as required by the United States of America. In the event, and at such time, as it shall determine in writing that such easements are no longer so required, said easements shall thereupon terminate. The

Grantor, the Department of Navy, successor, or assigns shall have no obligation to remove any of the improvements or restore the land subject to said easements unless such removal or restoration is required by applicable law or subsequent agreement.

The Grantor expressly excepts and reserves any remaining oil, gas, and mineral rights and deposits in said land, without rights of surface entry, to the Grantor or to such person(s) as may be authorized by the Grantor to prospect, mine, and remove such deposits from the hereinbefore described Property under applicable laws.

The Grantee by its acceptance of this deed does acknowledge its understanding of the agreement, and does covenant and agree for itself, and its successors and assigns, forever, as follows:

1. This Property shall be used and maintained for the public purposes for which it was conveyed in perpetuity as set forth in the program of utilization and plan contained in an application submitted by the Grantee on October 15, 1999 and subsequent amendments thereto, which program and plan may be amended from time to time at the written request of either the Grantor or Grantee, with the written concurrence of the other party, and such amendments will be added to and become a part of the original application.
2. The Grantee shall, within 6 months of the date of the deed of conveyance, erect and maintain a permanent sign or marker near the point of principal access to the conveyed area indicating that the Property is a park or recreation area and has been acquired from the Federal Government for use by the general public.
3. The Property shall not be sold, leased, assigned or otherwise disposed of except to another eligible governmental agency without the prior approval of the Secretary of the Interior in writing. Any such disposition shall assure the continued use and maintenance of the Property for public park or public recreational purposes subject to the same terms and conditions in the original instrument of conveyance. However, nothing in this provision shall preclude the Grantee from providing related recreational facilities and services compatible with the approved application, through concession agreements entered into with third parties, provided prior concurrence to such agreements is obtained in writing from the Secretary of the Interior.
4. From the date of this conveyance, the Grantee, its successors and assigns, shall submit biennial reports to the Secretary of the Interior, setting forth the use made of the Property during the preceding two-year period, and other pertinent data establishing its continuous use for the purposes set forth above, for ten consecutive reports and as further determined by the Secretary of the Interior.
5. The Grantee further agrees to comply with the requirements of Public Law 90-480 (82 Stat. 718) the Architectural Barriers Act of 1968 as amended by Public Law 91-205 of 1970 (84 Stat. 49) to assure that facilities developed on this Property are accessible to the physically handicapped; and, further assure in accordance with Public Law 93-112, the Rehabilitation Act of 1973 (87 Stat. 394) that no otherwise qualified handicapped individual shall solely by reasons of his handicap be excluded from the participation in, be denied benefits of, or be subjected to discrimination under any program or activity in effect on this Property; and agrees to comply with the provisions of Title III of the Age Discrimination Act of 1975, as amended (Public Law 94-135; 45 C.F.R. Part 90) prohibiting discrimination on the basis of age in programs and activities conducted on this Property.
6. Portions of the subject Property have been determined to be located within a 100-year floodplain. In order to minimize damage to facilities constructed within floodprone areas, the Grantee covenants and

agrees to comply, where applicable, with the provisions of the Flood Disaster Protection Act of 1973 (87 Stat. 975) and the National Flood Insurance Act of 1968 (42 U.S.C. 4102) and local laws which implement these Acts.

7. As part of the consideration for this Deed, the Grantee covenants and agrees for itself, its successors and assigns, that: (1) the program for or in connection with which this Deed is made will be conducted in compliance with, and the Grantee, its successors and assigns, will comply with all requirements imposed by or pursuant to the regulations of the Department of the Interior as in effect on the date of this Deed (43 C.F.R. Part 17) issued under the provisions of Title VI of the Civil Rights Act of 1964, except where California law is contrary; (2) this covenant shall be subject in all respects to the provisions of said regulations; (3) the Grantee, its successors and assigns, will promptly take and continue to take such action as may be necessary to effectuate this covenant; (4) the United States shall have the right to seek judicial enforcement of this covenant; (5) the Grantee, its successors and assigns, will (a) obtain from each other person (any legal entity) who, through contractual or other arrangements with the Grantee, its successors or assigns, is authorized to provide services or benefits under said program, a written agreement pursuant to which such other person shall, with respect to the services or benefits which he is authorized to provide, undertake for himself the same obligations as those imposed upon the Grantee, its successors and assigns, by this covenant, and (b) furnish a copy of such agreement to the Secretary of the Interior or his successor; (6) this covenant shall run with the land hereby conveyed, and shall in any event, without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit of, and in favor of the Grantor and enforceable by the Grantor against the Grantee, its successors and assigns; and (7) the Grantor expressly reserves a right of access to, and entrance upon, the above described Property in order to determine compliance with the terms of this conveyance.
8. Except as otherwise provided herein, the Grantee, its successors and assigns, shall hold harmless, defend and indemnify the United States, its employees, agents, and representatives from and against any suit, claim, demand or action, liability, judgement, cost or other fee arising out of any claim for personal injury or Property damage (including death, illness, or loss of or damage to Property or economic loss) that relates to the Grantee's failure to comply with the terms of this deed or from the use or occupancy of the Property by the Grantee and/or the Grantee's successors and assigns, transferees, or agents.
9. In accordance with Section 120(h)(3)(A)(i) of Comprehensive Environmental Response and Liability Act (CERCLA) (42 U.S.C. 9620) and implementing regulations, the Grantor herein provides the attached notice of hazardous substances which were stored for one year or more, released, or disposed of on the Property. Based upon a search of records and to the extent such information is available, the type, quantity and date of such storage, release, or disposal of hazardous substances and a description of remedial actions taken, if any, is contained in Exhibit F, attached hereto and made a part hereof.
10. Pursuant to Section 120(h)(3)(A)(ii) of CERCLA, the Grantor, by the Department of the Navy, covenants and warrants that all remedial action or corrective action found to be necessary to protect human health and the environment with respect to described hazardous substance(s) has been taken prior to the date of this deed on herein described Property and any additional remedial action or corrective action found to be necessary after the date of this deed regarding such hazardous substance(s), including releases or threats of releases resulting from actions of the Grantor or the Department of Navy as of the date of this deed shall be conducted by the United States.
11. Pursuant to Section 120(h)(3)(A)(iii) of CERCLA (42 U.S.C. 9620), the Grantor, through and for the Department of the Navy and on behalf of the State of California, their agencies officers, agents,

employees, contractors, and subcontractors reserves a right of access to the Property in any case in which remedial action or correction action is found to be necessary, after the date of this conveyance for the purpose of, but not limited to monitoring, investigation, sampling, testing, or removal of any hazardous substance(s). In addition, a right of access to and entry upon all of the hereinabove described Property in any case in which a remedial action or corrective action is determined to be necessary on any Property adjoining the hereinabove described Property, including but not limited to monitoring, investigation, sampling, testing or removal of any hazardous substance(s). Such right shall also include the right to construct, operate, maintain, or undertake any other necessary remedial or corrective action including, but not limited to monitoring wells, extraction wells, and treatment facilities.
- 11.2. In connection with remedial or corrective action conducted under this section, the Grantee agrees on behalf of itself, its successors and assigns, as a covenant running with the land to comply with the provisions of any health or safety plan approved by appropriate regulatory authorities and in effect during the course of such action.
- 11.3. In accordance with, and to the extent required by applicable federal, state, and local laws, and to the extent that Grantee or its successors or assigns have not caused or contributed to any release or threat of release, Navy will timely:
  - 11.3.1. Assess, inspect, investigate, study, and remove or remediate, as appropriate, the release or threat of release of a hazardous substance, pollutant, or contaminant from or on the Property caused by Department of Defense activities at the Property.
  - 11.3.2. Settle or defend any claim, demand, or order made by federal, state, or local regulators or third parties in connection with any release or threat of release of a hazardous substance, pollutant or contaminant from or on the Property caused by Department of Defense activities at the Property.

  - 11.4.1. Notify Navy in writing within ninety (90) days after learning of any previously unidentified condition on the Property that suggests a response action is necessary, or within ninety days after receiving notice of a claim by federal, state, or local regulators, or other third parties, of the existence of any condition on the Property that suggests a response action is necessary. If Grantee, or its successors and assigns is served with a complaint or written notice of a claim by federal, state, or local regulators, the served party shall provide the Navy with a copy of such document not later than fifteen (15) days following service of such document; and

  - 11.4.3. Provide, upon written request of the Navy, reasonable access to the records and personnel of Grantee, or any successor or assign, for the purposes of defending or resolving the need for additional response action.
- 11.5. Neither Grantee, nor its successors and assigns shall have any claim solely on account of the exercise of any reserved right of entry against the United States of the State of California, or any of their agencies, officers, agents, employees, contractors, or subcontractors.

12. With regard to the release or threat of release of petroleum or a petroleum derivative from or on the Property caused by Department of Defense activities;

- 12.1. In accordance with and to the extent required by applicable federal, state, or local law, Navy will timely:
    - 12.1.1. Assess, inspect, investigate, study, and remove or remediate, as appropriate, the release or threat of release of petroleum or a petroleum derivative from or on the Property caused by the Department of Defense activities at the Property; and
    - 12.1.2. Settle or defend any claim, demand, or order made by federal, state, or local regulators or third parties in connection with a release or threat of release of petroleum derivative, form or on the Property caused by the Department of Defense activities at the Property.
  - 12.2. Grantee agrees, on behalf of itself and its successor and assigns, as a covenant running with the land, that upon learning of any previously unidentified release or threat of release of petroleum or a petroleum derivative from or on the Property, that may have been caused by Department of Defense activities at the Property, will notify Navy as provided for in Section 11.4.1 above.
13. Pursuant to Section 330 of P.L. 102-484, as amended, and subject to the provisions of this section, Navy shall hold harmless, defend, and indemnify in full Grantee, and other persons or entity that acquires ownership or control of the Property and any successor, assignee, transferee, lender, or lessee or Grantee or of any other person or entity that acquires ownership or control of the Property (collectively and individually "Indemnitee(s)") from and against any suit, claim, demand or action, liability, judgement, cost or other fee arising out of any claim for personal injury or Property damage (including death, illness, or loss of or damage to Property or economic loss) that result from, or is in any manner predicated upon, the release or threat of release of any hazardous substance, pollutant, contaminant, petroleum, or petroleum derivative from or on the Property as a result of Department of Defense activities at the Property.
    - 13.1. Navy will not indemnify an Indemnitee to the extent said Indemnitee caused or contributed to any release or threat of release of any hazardous substance, pollutant, contaminant, petroleum, or petroleum derivative at the Property. Navy shall be entitled to contribution from Indemnitees to the extent Navy shows that such Indemnitees caused or contributes to any release. However, the availability of contribution shall not affect the requirement of Navy to defend Indemnitees, unless such Indemnitees are solely responsible for the release or threat of release giving rise to the claim for indemnify, in which case Navy shall have no duty to defend as to said claim.
    - 13.2. In any case in which Navy determines Navy may be required to indemnify an Indemnitee for any suit, claim, demand, or action, liability, judgement, cost, or other fee arising out of any claim for personal injury, or Property damage, Navy may settle or defend, on behalf of Indemnitee, the claim for personal injury or Property damage. Prior to taking any action or reaching any final settlement under this section that could adversely impact any Indemnitee, Navy shall consult with such Indemnitee to minimize any such impact.
    - 13.3. If any Indemnitee refused to allow Navy to settle or defend any claim, then Indemnitee shall not be afforded indemnification with respect to such claim.
    - 13.4. Indemnification shall not be afforded by Navy to an Indemnitee unless:
      - 13.4.1. Such Indemnitee notifies Navy in writing within ninety (90) days after such an indemnification claim accrues. If an Indemnitee is served with a complaint or written notice of a claim by a private party or by Federal, State, or local regulators, Indemnitee will provide Navy with a copy of such document not later than fifteen (15) days following service of such complaint or written notice. A claim for indemnification accrues when the Indemnitee receives written notice of any suit, claim, demand or action, that the Indemnitee knows, or reasonably should have known, may have been caused or contributed to by Department of Defense activities. The right of an Indemnitee to indemnification shall not expire due to late notice on the part of Indemnitee unless the Navy's ability to defend or settle is materially and adversely affected.

- 13.4.2. Such Indemnitee provides Navy copies of pertinent papers Indemnitee receives;
    - 13.4.3. Such Indemnitee provides to Navy, to the extent such is in the possession or control of such Indemnitee, evidence or proof of any claim, loss, or damage covered by this indemnity obligation; and
    - 13.4.4. Such Indemnitee provides, upon request of Navy, reasonable access to records and personnel of such Indemnitee for purposes of defending or settling the claim or action.
  - 13.5. Any Indemnitee may implement or enforce the terms of this section in its own right at its own discretion without obtaining permission from, or joining, any of the other Indemnites.
  - 13.6. Nothing in this section creates rights of any kind in any person or entity other than United States and Indemnites.
14. For the purposes of Sections 11, 12, and 13 above and subsections therein, the following terms have meanings indicated below;
- 14.1. "Release", "threat of release", "remedial action", "remove", "response", "hazardous substance", "pollutant", and "contaminant" have meaning given such terms under CERCLA and U.S. Environmental Protection Agency Regulations implementing CERCLA.
  - 14.2. "Department of Defense activities" means the construction, installation, placement, operation, maintenance, misuse, abandonment, or failure to maintain the buildings, equipment and land at the Property or the failure to satisfy any otherwise legally applicable obligation to investigate or remediate any environmental conditions existing at the Property. "Department of Defense activities" does not mean the release or threat of release of a hazardous substance, pollutant, contaminant, petroleum or petroleum derivative, to the extent Navy shows that the release or threat of release is caused or contributed by the Indemnitee(s).
  - 14.3. "Demand or action...arising out of any claim for..Property damage" includes, but is not limited to, any judicial, administrative, or private cost recovery proceeding brought against an Indemnitee (a) for response costs arising under CERCLA, (b) for costs incurred to enjoin or abate the presence or migration of contamination from or on the Property under the Resource Conservation and Recovery Act (RCRA), or (c) for costs incurred to comply with requirements with the requirements of other federal or state laws or regulations (or laws of any political subdivision of the state) which arise from the environmental conditions at the Property.
  - 14.4. "Environmental Conditions" means any hazardous substance, pollutant or contaminant, including hazardous waste or hazardous constituent, petroleum or petroleum derivative, disposed of, released, or existing in environmental media such as surface soil, subsurface soil, air, groundwater, surface water or subsurface geological formations at levels above background.
15. The Grantor agrees that for purposes of 42 U.S.C. Section 9620(h)(3), the acquisition of ownership or control of the Property by the Grantee or its successors or assigns will not make such person a potential responsible party or relieve Navy or its obligations herein unless activities by the Grantor, successors, or assigns cause a release or threat of a release resulting in a response cost to Navy.
16. Nothing in this deed shall diminish or waive rights which parties might otherwise have under common law or any Federal or State law or regulation, except that provisions of this deed shall be deemed to fully set forth the parties statutory rights under Section 330 of P.L. 102-484 and under 42 U.S.C. Section 9620(h)(3).
17. The Grantee is hereby informed and does acknowledge nonfriable asbestos and asbestos containing materials have been found on the Property. The Grantee acknowledges the receipt of reports that identify the location and presence of asbestos. The Grantee covenants and agrees, on behalf of it, its successors and assigns, that it will prohibit occupancy and use of building and structures containing known asbestos or asbestos containing materials hazards prior to abatement. In connection with use and

occupancy of the Property, including but not limited to demolition of buildings and structures containing asbestos or asbestos containing materials, the Grantee covenants it will comply with all applicable Federal, State and local laws relating to asbestos and asbestos containing materials; and that Grantor assumes no liability for damages for personal injury, illness, disability or death, to the Grantee, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property, whether Grantee, its successors or assigns have properly warned or failed properly to warn the individual(s) injured. The Grantee agrees to be responsible for any future remediation of asbestos found to be necessary on the Property.

18. The Grantee is hereby informed and does acknowledge buildings and structures on the Property constructed prior to 1980 have been found to contain lead based paints. Lead based paints present an exposure risk to young children and pregnant women. The presence of lead based paints within these structures effects their use for residential purposes, including but not limited to non-dwelling facility use commonly used by children under 6 years of age (i.e. childcare center or playground). In the event buildings or structures containing lead based paints are not demolished, as provided for under the approved program of utilization, the Grantee covenants and agrees to take all necessary actions to evaluate and abate lead based paint hazards prior to the use of said buildings or structures. The Grantee further covenants and agrees to adhere with all applicable federal, state, or local laws regarding lead based paint hazards as a part of any demolition or renovation of structures containing lead based paints and prior to occupancy or use of said structures for residential purposes, including non-dwelling facility use commonly used by children under 6 years of age.
19. The Grantee agrees to indemnify, defend, save, and hold harmless the United States of America and their respective employees, officers, representatives, attorneys and agents, from and against any and all debts, duties, obligations, liabilities, law suits, claims, demands, causes of action, damages, losses, costs, and expenses (including, without limitation, costs associated with any investigation, monitoring, sampling, testing, or removal of hazardous substance(s), attorney fees and expenses, and court costs) in any way related to, connected with, or arising out of discovery of any hazardous substance(s) or other contaminant(s) which is found to have contaminated the Property after the date of this deed.
20. The Grantee acknowledges that the said Property is located within the vicinity of a commercial service airport and covenants and agrees to obtain a determination of no hazard to air navigation issued by the Federal Aviation Administration (FAA) by submitting an FAA Form 7460-1 "Notice of Proposed Construction or Alteration" to FAA, as required by 14 CFR 77, for any proposed structure exceeding the elevation profile of the existing improvements.
21. The Grantee expressly agrees for itself, its successors and assigns to prevent any use of the herein described real Property which would interfere with the landing or taking off of aircraft at the International Airport at Lindbergh Field, or otherwise constitute an airport hazard. Such hazards include interference with navigational signals or radio communication between the airport and aircraft, make it difficult for pilots to distinguish between airport lights and other, result in glare in the eyes of pilots using the airport, impair visibility in the vicinity of the airport, create bird strike hazards, or otherwise in anyway endanger or interfere with the landing, takeoff, or maneuvering of aircraft intending to use the airport. The Grantor reserves the right to enter upon the land released hereunder, and to remove the offending structure or object, and to cut the offending growth, all at the expense of the grantee, in the event the aforesaid covenant is breached.

intending to use the airport. The Grantor reserves the right to enter upon the land released hereunder, and to remove the offending structure or object, and to cut the offending growth, all at the expense of the grantee, in the event the aforesaid covenant is breached.

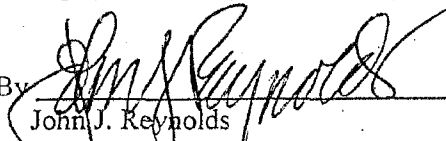

22. In the event that there is a breach by the Grantee, its successors or assigns, of any of the conditions and covenants, whether caused by the legal or other inability of the Grantee, its successors or assigns, to perform said conditions and covenants, the Grantor will give written notice, with a reasonable time stated therein, that the Grantee shall eliminate, rectify, cure, or commence action to cure said breach. Such protection and maintenance shall, at a minimum, conform to the standards prescribed by the General Services Administration in its regulations FPMR 101-47.402 in effect as of the date of this deed.

24. The conditions, restrictions, reservation, and covenants set forth herein are a binding servitude of the Property, shall inure to the benefit of Grantor and Grantee and their respective successors and assigns, and will be deemed to run with the land in perpetuity, pursuant to California Civil Code Section 1462 and 1471 and other applicable authority.

This CONCESSION AGREEMENT (Agreement) is entered into by and between THE CITY OF SAN DIEGO, a California municipal corporation (CITY) and \_\_\_\_\_, a [California corporation, limited liability corporation, nonprofit, etc.] (CONCESSIONAIRE) to be effective upon execution by the parties and approval by the San Diego City Attorney (Effective Date), but in no event effective prior to concurrence of this Agreement in writing by the Secretary of Interior, as follows:

#### RECITALS

- A. Whereas, the CITY owns certain land consisting of approximately 49 acres, obtained by the CITY from the United States of America (USA), as surplus property, known as Parcel VI, Naval Training Center San Diego (NTC) and deeded to the CITY on July 6, 2001, (USA Deed) attached as **Exhibit A**.
- B. Whereas, the USA Deed sets forth restrictions and covenants and conditions (Conditions).
- C. Whereas, Condition 3 of the USA Deed provides as follows: "The Property shall not be sold, leased, assigned or otherwise disposed of except to another eligible governmental agency without the prior approval of the Secretary of the Interior in writing. Any such disposition shall assure the continued use and maintenance of the Property for public park or public recreational purposes subject to the same terms and conditions in the original instrument of conveyance. However, nothing in this provision shall preclude the Grantee from providing related recreational facilities and services compatible with the approved application, through concession agreements entered into with third parties, provided prior concurrence to such agreements is obtained in writing from the Secretary of the Interior."
- C. Whereas, the CITY and CONCESSIONAIRE desire to provide an aquatic center as further described below (Aquatic Center) on a portion of the NTC site consisting of approximately 3.6 acres of land, including a 19,650 square foot building, (Premises) for the use and benefit of the general public.
- D. Whereas, the CITY is satisfied that provision of additional services and facilities at the Premises is in the CITY's best interest.

NOW, THEREFORE, for the reasons set forth above, and in consideration of the mutual covenants and agreements as hereinafter set forth, the CITY agrees to allow CONCESSIONAIRE to design and construct the Aquatic Center (Project) and provide aquatic center services and facilities (Services) hereinafter to be mentioned upon the Premises described in **Exhibit B** attached hereto and incorporated herein by this reference and located at the NTC site.

FOR VALUABLE CONSIDERATION, the sufficiency of which is acknowledged, the parties agree as follows:

1. Premises. The Premises consists of 3.6 acres of land including a 19,650 square foot building, commonly referred to as Building 619, at the NTC site, as described in **Exhibit B**.
2. Scope of Work of the Project. The Project shall consist of those improvements described in the Scope of Work as set forth in **Exhibit C-1** and General Development Plan, approved by the San Diego Park and Recreation Board on \_\_\_\_\_, 2002, as set forth in **Exhibit C-2**.
3. Design and Construction of the Project. CONCESSIONAIRE agrees to design and construct, at its sole cost and expense, a complete and operational Project fully suited to the purpose for which it was designed and in accordance with all federal, state and local laws, rules and regulations, this Agreement, the Construction Requirements set forth in **Exhibit D**, and within the timeframe as established by the parties.

CONCESSIONAIRE shall provide to CITY, prior to commencement of any construction of the Project, a faithful performance bond in the amount of one hundred percent (100%) of the estimated design and construction costs of the work to be performed. The bond may be in cash or may be a corporate surety bond or other security satisfactory to City. The bond shall insure that the construction to be commenced by CONCESSIONAIRE shall be completed in accordance with the plans approved by CITY or, at the option of CITY that the uncompleted construction shall be removed and the Premises restored to a condition satisfactory to CITY. The bond or cash shall be held in trust by CITY for the purpose specified above, or at CITY's option may be placed in an escrow approved by CITY. This requirement is not intended to be duplicative of a construction bond otherwise required of CONCESSIONAIRE.

4. Authorized Uses of the Premises. Upon acceptance of the Project evidenced by recordation of Notice of Completion with the San Diego County Recorder, CONCESSIONAIRE shall use, occupy and maintain the Premises for the operation of the Aquatic Center in strict accordance with this Agreement, the USA Deed, and the operating plan approved in writing by the CITY (Operating Plan), attached as **Exhibit E**. The Services CONCESSIONAIRE shall provide on the Premises shall include, but not limited to, providing swim lessons, locker rooms, offices, water safety instruction, wellness and exercise programs, lifeguard instruction, kayak training, and scuba/snorkel training. Concessionaire may operate a snack bar. CONCESSIONAIRE shall not sell alcoholic beverages without the prior written approval of the CITY. CONCESSIONAIRE shall not operate or permit to be operated on or from the Premises a general purpose child care or day care facility. CONCESSIONAIRE shall conduct its operations continuously throughout the Term and shall keep the Premises open for business as set forth in this Agreement except for approved, in advance by the CITY, closures for remodeling, repair or renovation.

CONCESSIONAIRE shall serve the general public under the terms and conditions of this Agreement. Written approval by the CITY and written concurrence by the Secretary of the Interior or his/her delegated representative, the National Park Service (NPS), shall be

required for other proposed use in conjunction with or in addition to the Services as specified in this Agreement.

5. Conditions in USA DEED and Program of Utilization. This Agreement and the obligations of the parties hereto are subject to the terms and conditions set forth in the USA Deed and the current Program of Utilization which governs the use of the Premises. CONCESSIONAIRE shall use the Premises in strict accordance with all terms and conditions imposed by the USA as set forth in the USA Deed that pertain to the use of the Premises including, but not limited to, the terms and conditions regarding hazardous materials, lead based paint, and asbestos contained in Conditions 9, 10, 11, 12, 13, 17 and 18 of the USA Deed. In the event of any conflict between the terms and conditions of the USA Deed and any provision of this Agreement, the terms of the USA Deed shall control. Violations of any terms and conditions of the USA deed may be grounds for termination of this Agreement and reversion of the Premises to the USA and with no compensation to either the CONCESSIONAIRE or the CITY from the USA.

CONCESSIONAIRE acknowledges that the Premises is subject to the possibility of reversion to the USA in accordance with the USA Deed in the event of a breach of noncompliance by the CITY or the CONCESSIONAIRE for not adhering to the covenants and agreements contained in the USA Deed. CONCESSIONAIRE agrees that the CITY is not liable to CONCESSIONAIRE or any third party as a result of termination of this Agreement or a reversion of the Premises to USA in accordance with the USA Deed.

6. Term. The term of this Agreement shall be twenty (20) years commencing on the Effective Date ("Initial Term"). "Agreement Year" as used in this Agreement shall mean the twelve (12) month period commencing on the first day of the calendar month following the Effective Date and each twelve (12) month period thereafter, prior to the expiration of the Agreement.

If CONCESSIONAIRE is in compliance with Section 4, above, and is not otherwise in default under this Agreement, CONCESSIONAIRE shall have the option to extend this Agreement for two (2) successive terms of five (5) years (each the "Extended Term"), on the same terms and conditions set forth herein except that the renewed Agreement shall contain no further renewal options. If CONCESSIONAIRE desires to extend this Agreement, CONCESSIONAIRE shall provide to CITY written notice of its intention to do so at least one (1) year prior to the beginning of each Extended Term. As used in this Agreement, "Term" means the Initial Term and any Extended Term.

7. CITY'S Right to Terminate for Public Convenience. The CITY shall have an option to terminate this Agreement for public convenience on the tenth (10<sup>th</sup>) anniversary of the Effective Date and once every five (5) years thereafter on the anniversary of the Effective Date during the Term of this Agreement. The CITY may exercise its termination option by written notice to CONCESSIONAIRE specifying the effective termination date which shall in no event be less than two (2) years from the date of said notice.

8. Concession Payment. CONCESSIONAIRE shall pay to CITY a concession payment in the amount of Three Thousand Two Hundred Fifty Dollars (\$3,250.00) per Agreement Year paid annually in advance for the use of the Premises to offset administrative costs incurred by CITY to administer this Agreement. CONCESSIONAIRE shall pay concession payment within thirty (30) days after the Effective Date, and thereafter no later than on each annual anniversary of the Effective Date. The concession payment shall be adjusted upward annually, based on increases in the Consumer Price Index as provided below (Adjusted Concession Payment). In no event shall the Adjusted Concession Payment, as established by the CPI, be less than the concession payment in existence on the immediately prior Agreement Year.

a. CPI Adjustments. On each annual anniversary of the Effective Date, the concession payment shall only be adjusted upward to reflect any increase in the Consumer Price Index for "All Urban Consumers" for Los Angeles/Riverside/Orange County, California ("CPI") based on the average of the then three most recently published monthly indices just prior to each adjustment. If the CPI is no longer published, the index for adjustment shall be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the CPI.

i. If concession payment adjustment is calculated using an index from a different base year than 1982-84, which equaled a base figure of 100 for the CPI, the base figure used shall first be converted under a formula supplied by the Bureau of Labor Statistics or its successor.

ii. If the Department of Labor indices are no longer published, CITY in its sole and absolute discretion may use another index deemed by CITY to be reasonably comparable to the CPI, which shall then constitute the CPI under this Agreement.

iii. CITY's failure to deliver timely notice of any concession payment adjustment shall not constitute a waiver by CITY of its rights hereunder.

b. CPI Adjustment Computation. Each year concession payment shall be calculated as follows:

The "adjustment multiplier" shall be calculated by dividing the "current index" by the "base index" as defined below:

i. The "current index" shall be the average of the three monthly indices most recently published before the adjustment date ("Current Indices").

ii. The "base index" shall be the average of the same months' indices published a year prior to the Current Indices.

The “base figure” for calculating concession payment shall be the dollar amount of concession payment for the year immediately preceding the adjustment date. The “base figure” is then multiplied by the “adjustment multiplier” to determine the new concession payment, as follows:

**(CURRENT INDEX ÷ BASE INDEX) X BASE FIGURE = NEW CONCESSION PAYMENT**

c. Delinquent Concession Payment. If CONCESSIONAIRE fails to pay all or any part of the concession payment or other payments, as discussed in Section 23, below, when due, CONCESSIONAIRE shall pay, in addition to the unpaid amount, five percent (5%) of the unpaid amount. If the concession payment is still unpaid at the end of fifteen (15) days, CONCESSIONAIRE shall pay an additional five percent (5%) of the unpaid amount [for a total of ten percent (10%)], which is hereby mutually agreed by the parties to be appropriate to compensate CITY for loss resulting from the delinquency, including lost interest, lost opportunities, legal costs, and the cost of servicing the delinquent account. Notwithstanding the foregoing, in no event shall the charge for late concession payment be less than Twenty-Five Dollars (\$25) each time.

d. Time and Place of Payment. All payments to be paid by CONCESSIONAIRE under this Agreement shall be made payable to the City Treasurer and be mailed to:

San Diego City Treasurer  
P.O. Box 129030  
San Diego, California 92112-9030

*or hand delivered to:*

The Office of the City Treasurer  
Civic Center Plaza  
1200 Third Avenue, First Floor  
San Diego, California 92101

CITY may change the place of payment at any time upon thirty (30) days written notice to CONCESSIONAIRE. Mailed payments shall be deemed paid upon the date the payment is postmarked by the postal authorities. If postmarks are illegible, the payment shall be deemed received only upon actual receipt.

9. Inspection of Records. CONCESSIONAIRE shall keep and maintain accurate and complete records and accounts in accordance with generally accepted accounting principles consistently applied, showing all revenue derived from use of the Premises. CONCESSIONAIRE shall make such records and accounts available to CITY for inspection at all reasonable times and shall provide any and all documentation as may be needed to file compliance reports to the Secretary of the Interior or his/her delegated representative, NPS. Such records and accounts shall be made available to CITY at the Premises during the Term and in a location within San Diego County after the expiration

or earlier termination of this Agreement. CONCESSIONAIRE shall maintain such records and accounts and make them available to CITY for inspection for five (5) years after the date such records are produced.

10. Unauthorized Use Charge. In addition to the right to terminate this Agreement in accordance with Section 23, below, CONCESSIONAIRE shall pay CITY one hundred percent (100%) of the gross receipts from any use of the Premises that is not allowed by this Agreement, regardless of any related penalties charged CONCESSIONAIRE by competent governmental authorities. Such unauthorized use charge shall be payable to CITY within thirty (30) days after CONCESSIONAIRE receives such gross receipts. The unauthorized use charge shall be considered "concession payment" under this Agreement, but shall not be used to offset any concession payment otherwise required under this Agreement. The existence of such unauthorized use charge and CITY'S acceptance thereof shall not constitute authorization for the use in question, and shall not waive any of CITY'S rights under this Agreement.
11. Competent Management. CONCESSIONAIRE shall provide competent management of the Premises to CITY'S reasonable satisfaction. "Competent management" shall mean demonstrated ability in the management and operation of an aquatic center and related activities in a fiscally responsible manner to serve the greatest number of members of the community.
12. CITY'S Consent, Discretion. Whenever required under this Agreement, CITY'S consent or approval shall mean the written consent or approval of the San Diego Mayor or his or her designee ("Mayor"). CITY'S discretionary acts hereunder shall be made in the Mayor's discretion, unless otherwise legally required or expressly provided in this Agreement.
13. Political Activities. CONCESSIONAIRE may make the Premises available for political activities by contracted users on a non-discriminatory basis at standard and established rates, terms, and conditions.
14. Public Use. The general public shall have access to the Premises for the uses allowed under this Agreement during CONCESSIONAIRE'S hours of operation and CONCESSIONAIRE shall not impose membership requirements for use of the Premises by the general public. A regular schedule of days and hours of operation shall be established by CONCESSIONAIRE to best serve the public in accordance with the Schedule of Days and Hours of Operation as set forth in **Exhibit F**. Any changes to CONCESSIONAIRE'S hours of operation shall be subject to the prior written approval of CITY, and CONCESSIONAIRE'S hours of operation shall be reviewed at least annually by CONCESSIONAIRE and CITY.

The general public shall not be wholly or permanently excluded from any portion of the Premises. However, CONCESSIONAIRE may apply reasonable restrictions for the general public's use of the Premises so long as such restrictions are consistent with the rights of the general public and do not conflict with CONCESSIONAIRE'S use of the

Premises as authorized by this Agreement (for example, staff offices for CONCESSIONAIRE).

15. Rates and Fees. All fees associated with the use of the facilities on the Premises shall be set forth in a schedule of rates and fees and approved in writing by CITY prior to imposing such rates and fees. All rates and fees charged shall be reasonable, in the opinion of CITY, so as not to deny participation by the general public and comparable with those charged at similar facilities in San Diego County. Any changes in the schedule of rates and fees shall be subject to the prior written approval of CITY, and the schedule shall be reviewed at least annually by CONCESSIONAIRE and CITY.

16. Public Signage. CONCESSIONAIRE shall, at all times during the Term, maintain a prominent CITY-approved sign identifying the property as CITY-owned and available for public use consistent with the terms of this Agreement. The sign shall be installed by CONCESSIONAIRE at a location approved by CITY.

CONCESSIONAIRE shall not erect or display any banners, pennants, flags, pennants signs, decorations, marquees, awnings, or similar devices or advertising on the Premises, without CITY's prior written consent. If any such unauthorized item is found on the Premises, CONCESSIONAIRE shall remove the item at its expense within twenty-four (24) hours notice by CITY, or CITY may thereafter remove the item at CONCESSIONAIRE's cost.

17. CITY Use. The Premises shall be available to CITY for civic events and special programs, free of charge, except where CONCESSIONAIRE has scheduled events or programs. After every CITY use, CITY shall leave the Premises in the same condition found, and CONCESSIONAIRE shall not be required to incur any additional costs by reason of CITY use.

CONCESSIONAIRE acknowledges and agrees that the Premises may be used as an emergency shelter, free of charge, immediately upon notice by CITY.

18. Holdover. Any holding over by CONCESSIONAIRE after the expiration or earlier termination of this Agreement shall not be considered a renewal or extension of this Agreement. CONCESSIONAIRE's occupancy of the Premises after the expiration or earlier termination of this Agreement shall constitute a month-to-month tenancy at will, and all other terms and conditions of this Agreement shall continue in full force and effect, except that CONCESSIONAIRE shall then pay to CITY fair market rent determined by an appraisal prepared by the CITY's Real Estate Assets Department (READ).

19. Surrender of Premises. Upon the expiration or earlier termination of this Agreement, CONCESSIONAIRE shall vacate the Premises and surrender the Premises to CITY free and clear of all liens and encumbrances, and in as good or better condition as the Premises were in at the Effective Date, except normal wear and tear. Prior to surrender of the Premises and in the City's discretion, CONCESSIONAIRE shall remove all

moveable trade fixtures and personal property without damage to the Premises at CONCESSIONAIRE's sole cost and expense, and shall repair at its sole cost and expense any damage resulting from the removal.

20. Survival. Any obligation which accrues under this Agreement prior to its expiration or termination shall survive such expiration or termination.
21. Assignment and Subconcession. CONCESSIONAIRE shall not assign this Agreement or any interest therein during the term of this Agreement. CONCESSIONAIRE shall not concession or subconcession the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person, except employees, agents, and guests of CONCESSIONAIRE, to use or occupy the Premises or any part thereof, without the prior written consent of both the CITY and NPS. Consent to concession, subconcession, occupation, or use by any other person shall not be deemed to be consent to any subsequent concession, subconcession, occupation, or use by another person or entity. Any concession or subconcession without consent shall be void and shall, at the option of CITY, terminate this Agreement or may result in possible reversion by the USA.

"Assignment" for the purposes of this clause shall include any transfer of any ownership interest in this Agreement by CONCESSIONAIRE or by any partners, principals, or stockholders, as the case may be, from the original CONCESSIONAIRE, its general partners, or principals.

Approval of any subconcession shall be conditioned upon the subconcessionaire agreeing in writing that it will assume the rights and obligations thereby subconcession and that it will keep and perform all covenants, conditions, and provisions of this Agreement which are applicable to the rights acquired. The CITY may require, as a condition to approval of any subconcession of the majority portion of the Premises, that this Agreement or the requested subconcession otherwise be revised to comply with standard CITY agreement requirements that are then current. The CITY may also require, as a condition to approval of any subconcession of a commercial nature (e.g., food vending or telecommunications installations), that CONCESSIONAIRE pay CITY fair market rents for the uses. Pursuant to City Charter section 225, the CITY must review and approve every person or entity which will have an interest in this Agreement as a subconcessionaire.

22. Encumbrance and Liens. CONCESSIONAIRE shall keep the Premises free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this Agreement or CONCESSIONAIRE's occupancy, use, development, or maintenance of the Premises. CONCESSIONAIRE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances and/or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Premises, including without limitation CONCESSIONAIRE's failure or the failure of any contractor or subcontractor hired by CONCESSIONAIRE to pay any person or persons

referred to in section 3181 of the California Civil Code or other applicable sections thereof.

CONCESSIONAIRE shall protect, defend, indemnify, and hold CITY harmless from and against all claims for labor or materials in connection with construction, operations, improvements, alterations, or repairs on or to the Premises and the costs of defending against such claims, including, without limitation, reasonable attorney fees. If CONCESSIONAIRE causes improvements, alterations, or repairs to be made to the Premises, and a lien or notice of lien is filed against the property, CONCESSIONAIRE shall notify CITY of the lien within five (5) days after CONCESSIONAIRE first becomes aware of the existence of the lien, and within thirty (30) days after the filing either: (a) take all actions necessary to record a valid release of the lien; or (b) file with CITY a bond, cash, or other security acceptable to CITY sufficient to pay in full all claims of all persons seeking relief under the lien.

23. Default and Remedies.

a. Default by CONCESSIONAIRE. Except for Safety Violations (as defined under subsection b., below) and major defaults (as set forth in this Agreement) which are grounds for immediate termination, in the event that:

- i. CONCESSIONAIRE shall default in the performance or fulfillment of any covenant or condition required by this Agreement to be performed or fulfilled by CONCESSIONAIRE, including any covenant or condition in CONCESSIONAIRE's Operating Plan and shall fail to cure the default within thirty (30) days following written notice from CITY; or if any default is not curable within thirty (30) days, and CONCESSIONAIRE shall fail to commence to cure the default(s) within said thirty (30) day period and diligently pursue cure to completion;
- ii. CONCESSIONAIRE shall voluntarily file or have involuntarily filed against it any petition under bankruptcy or insolvency act or law; or
- iii. CONCESSIONAIRE shall make a general assignment for the benefit of creditors;

then CITY may, at its option, without further notice or demand upon CONCESSIONAIRE or upon any person claiming rights through CONCESSIONAIRE, immediately terminate this Agreement and all rights of CONCESSIONAIRE and of all persons claiming rights through CONCESSIONAIRE and expel CONCESSIONAIRE and all persons so claiming rights thereto. Provided, however, in the event that any default described in this subsection "a." above is not curable within thirty (30) days after written notice to CONCESSIONAIRE, CITY shall not terminate this Agreement pursuant to the default if CONCESSIONAIRE immediately commences to cure the default and diligently pursues cure to completion.

- b. Safety Violations by CONCESSIONAIRE. Notwithstanding subsection “a.” above, in the event CONCESSIONAIRE shall default in the performance or fulfillment of any covenant or condition required by this Agreement to be performed or fulfilled by CONCESSIONAIRE, including any covenant or condition in CONCESSIONAIRE’s Operating Plan, and said default by CONCESSIONAIRE consists of any violation of municipal, state or federal law, or any covenants or conditions in CONCESSIONAIRE’s Operating plan that, in the CITY’s sole discretion, impinge on public safety [“Safety Violations”], CITY may, at its option, require CONCESSIONAIRE to immediately cure said default, or, without further notice or demand upon CONCESSIONAIRE or upon any person claiming rights through CONCESSIONAIRE, terminate this Agreement:
- c. Abandonment by CONCESSIONAIRE. In the case that CONCESSIONAIRE breaches this Agreement and abandons the Premises, this Agreement shall continue in full force and effect for so long as CITY does not terminate this Agreement, and CITY may enforce all its rights and remedies under this Agreement, including, but not limited to, the right to recover any concession payment, rent, or other payments as set forth in Section 8, above, as they become due, plus damages. For purposes of this subsection, the following do not constitute a termination of CONCESSIONAIRE’s right to possession or operation:
- i. Acts by CITY of maintenance, preservation, or efforts to negotiate a new Agreement.
  - ii. The appointment of a receiver upon initiative of CITY to protect CITY’s interest under this Agreement.
24. Indemnification & Hold Harmless. CONCESSIONAIRE shall protect, defend, indemnify, and hold CITY and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to CONCESSIONAIRE’s officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with CONCESSIONAIRE’s acts or omissions in the performance of its obligations under this Agreement or with CONCESSIONAIRE’s use, development, or maintenance of the Premises, including damages arising out of release of hazardous materials, and all expenses of investigating and defending against same, including without limitation attorney fees and costs; provided, however, that CONCESSIONAIRE’s duty to indemnify and hold CITY harmless shall not include any established liability arising from the gross negligence or willful misconduct of CITY and its elected officials, officers, employees, representatives, and agents. The City may, at its own discretion, conduct the defense, or participate in the defense, of any claim related in any way to this indemnification. If the

City elects to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, CONCESSIONAIRE shall pay the City for all costs related thereto, including, without limitation, attorney's fees and costs.

25. Eminent Domain. If all the premises are taken by Eminent Domain, this Agreement shall terminate as of the date CONCESSIONAIRE is required to vacate the Premises and all concession payment shall be paid to that date. Exercise by the USA of its right to revert the property under the terms and conditions of the USA Deed shall not be construed as an exercise of Eminent Domain by the USA. The term "Eminent Domain" shall include the taking or damaging of property by, through or under any governmental or statutory authority, and any purchase or acquisition in lieu thereof, whether the damaging or taking is by government or any other person. If a taking of any part of the Premises by Eminent Domain renders the remainder thereof unusable for CONCESSIONAIRE's business, in the reasonable judgment of CONCESSIONAIRE, CONCESSIONAIRE may terminate this Agreement by written notice given to CITY not more than thirty (30) days after CITY gives CONCESSIONAIRE written notice of the taking, and such termination shall be effective as of the date when CONCESSIONAIRE is required to vacate the portion of the Premises taken. If this Agreement is terminated, all concession payment shall be paid to the date of termination. Whenever any portion of the Premises is taken by Eminent Domain and this Agreement is not terminated, the CITY, at its expense, shall proceed with all reasonable dispatch to restore, to the extent of available proceeds and to the extent it is reasonably prudent to do so, the remainder of the Premises to the condition they were in immediately prior to such taking, and CONCESSIONAIRE, at its expense, shall proceed with all reasonable dispatch to restore its personal property and all improvements made by it to the Premises to the same condition they were in immediately prior to such taking. Concession payment payable hereunder shall be reduced from the date CONCESSIONAIRE is required to partially vacate the Premises.

Except as otherwise provided below, CITY reserves all right to the entire damage award or payment for any taking by Eminent Domain, and CONCESSIONAIRE waives all claim whatsoever against CITY for damages for termination of any interest it may have, if any, in the Premises or for interference with its business. CONCESSIONAIRE hereby grants and assigns to CITY any right CONCESSIONAIRE may now have or hereafter acquire to such damages and agrees to execute and deliver such further instruments of assignment as CITY, from time to time, may request. CONCESSIONAIRE, however, shall have the right to claim from the condemning authority all compensation that may be recoverable by CONCESSIONAIRE on account of any loss incurred by CONCESSIONAIRE in moving CONCESSIONAIRE's merchandise, furniture, trade fixtures and equipment and the cost of restoring its personal property and improvements made by it to the Premises.

26. Insurance. CONCESSIONAIRE shall deliver to READ a current certificate of insurance and relevant endorsements for:

- (1) Commercial General Liability Insurance, providing coverage for bodily injury, including death, personal injury, and property damage with limits of at least Five Million Dollars (\$5,000,000) per occurrence, subject to an annual aggregate of at least Five Million Dollars (\$5,000,000);
  - (2) Automobile Liability Insurance, providing coverage for all bodily injury and property damage, with a limit of at least One Million Dollars (\$1,000,000) per occurrence. Such insurance shall cover liability arising out of any vehicle (including owned, hired, and non-owned vehicles) operated in performing any and all work pursuant to this Agreement. Coverage shall be written on *ISO form CA 00 01 12 90*, or a substitute form providing equivalent liability coverage;
  - (3) Workers' Compensation Insurance, as required by the laws of the State of California for all of CONCESSIONAIRE's employees who are subject to this Agreement, with Employers' Liability coverage with a limit of at least One Million Dollars (\$1,000,000); and
  - (4) Causes of Loss - Special Form Property Insurance on all of CONCESSIONAIRE's insurable property related to this Agreement or the Premises in an amount to cover 100 percent (100%) of the replacement cost. CONCESSIONAIRE shall deliver to CITY a certificate of such insurance.
- a. Additional Insureds. Pursuant to a separate endorsement [CG2010 (11/85) or equivalent form], "The City of San Diego, its elected officials, officers, employees, representatives, and agents" shall be named as additional insureds in all policies.
  - b. Primary & Non-Contributory. Insurance policies shall be endorsed such that the coverage is primary and non-contributory to any coverage carried or maintained by CITY.
  - c. Qualified Insurer(s). All insurance required by the terms of this Agreement must be provided by insurers licensed to do business in the State of California which are rated at least "A-, VI" by the current AM Best Ratings Guide and which are acceptable to CITY. Non-admitted surplus lines insurers may be accepted provided they are included on the most recent list of California eligible surplus lines insurers (LESLI list) and otherwise meet CITY requirements.
  - d. Deductibles/Retentions. All deductibles and self-insured retentions on any insurance policy are the sole responsibility of CONCESSIONAIRE and must be disclosed and acceptable to CITY at the time evidence of insurance is provided.
  - e. Continuity of Coverage. All policies shall be in effect on or before the first day of the Term, except "course of construction fire insurance" shall be in force on

commencement of all authorized construction, and full applicable fire insurance coverage shall be effective upon completion of each insurable improvement. The policies shall be kept in force for the duration of the Term. At least thirty (30) days prior to the expiration of each insurance policy, CONCESSIONAIRE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this Agreement. CONCESSIONAIRE shall provide proof of continuing insurance at least annually during the Term. If insurance lapses or is discontinued for any reason, CONCESSIONAIRE shall immediately notify CITY and immediately obtain replacement insurance or do so as soon as required by CITY. Failure to do so constitutes a major default under this Agreement subject to immediate termination of the Agreement.

- f. Modification. To ensure protection from and against the kind and extent of risk existing with the Use of the Premises, CITY, at its discretion, may require the revision of amounts and coverage at any time during the Term by giving CONCESSIONAIRE thirty (30) days prior written notice. CONCESSIONAIRE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to this Agreement or the Premises.
- g. Accident Reports. CONCESSIONAIRE shall immediately report to the CITY any accident causing property damage or injury to persons and related to this Agreement or the Premises. Such report shall contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.
- h. Failure to Comply. If CONCESSIONAIRE fails or refuses to take out and maintain the required insurance or fails to provide the proof of coverage, CITY has the right to obtain the insurance. CONCESSIONAIRE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within thirty (30) days of payment stating the amount paid, names of the insurer(s), and rate of interest. The reimbursement and interest shall be paid by CONCESSIONAIRE on the first (1st) day of the month following the notice of payment by CITY. Notwithstanding any other provision of this Agreement to the contrary, if CONCESSIONAIRE fails or refuses to obtain or maintain insurance as required by this Agreement, or fails to provide proof of insurance at any time and from time to time as reasonably requested by CITY, CITY may terminate this Agreement after five (5) business days' prior written notice to CONCESSIONAIRE. Upon such termination, CONCESSIONAIRE shall immediately cease its use of the Premises and commence and diligently pursue the removal of its property from the Premises, in accordance with Section 19, above.

27. Property Insurance Costs. CITY shall obtain and maintain property insurance for fire, property, and extended coverage that includes coverage of the Premises.
28. Waste, Damage, or Destruction. CONCESSIONAIRE shall not commit or allow to be committed any waste or any public or private nuisance on the Premises, shall keep the Premises clean and clear of refuse and obstructions, and shall dispose of all garbage, trash, and rubbish in a manner satisfactory to CITY. If the Premises are put into a condition which is not decent, safe, healthy, and sanitary, CONCESSIONAIRE shall at its sole cost and expense restore the Premises to the condition which existed prior to the waste, damage, or destruction within a reasonable time.
29. Acceptance of Premises. CONCESSIONAIRE accepts the Premises in its present As-Is and Where-Is condition without warranty, expressed or implied. CONCESSIONAIRE represents and warrants that it has independently inspected the Premises and made all tests, investigations, and observation necessary to satisfy itself of the condition of the Premises. CONCESSIONAIRE agrees it is relying solely on its independent inspection, tests, investigations and observations in entering into this Agreement. CONCESSIONAIRE further acknowledges that the Premises are in the condition called for by this Agreement, that CITY has performed all work, if any, related to the Premises and required by this Agreement, and that CONCESSIONAIRE shall hold CITY harmless for any defects, whether apparent or latent, in the Premises, including without limitation the presence of any hazardous substances.
30. Entry and Inspection. CONCESSIONAIRE may quietly enjoy the Premises, free from unreasonable interference by CITY, except as reasonably required in emergency situations as determined in CITY's sole discretion. During such an emergency, CITY may at all times enter and inspect the Premises and the operations conducted on the Premises. For all non-emergency situations, CITY and/or the Secretary of Interior's designated representative, NPS, may at any and all reasonable times enter and inspect the Premises and the operations conducted on the Premises. In the event that entry or inspection by CITY discloses that the Premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, but not the obligation, after ten (10) days written notice to CONCESSIONAIRE, to have any necessary maintenance work done at the expense of CONCESSIONAIRE, and CONCESSIONAIRE hereby agrees to pay promptly any and all costs incurred by CITY in having the necessary maintenance work done, in order to keep the Premises in a decent, safe, healthy, and sanitary condition. Further, if at any time CITY determines that the Premises are not in a decent, safe, healthy, and sanitary condition, CITY may at its sole option, without additional notice, require CONCESSIONAIRE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. The bond shall be in an amount adequate in the opinion of CITY to correct the unsatisfactory condition. CONCESSIONAIRE shall pay the cost of the bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this Agreement imposed on CITY.

31. Maintenance. CONCESSIONAIRE shall, at CONCESSIONAIRE's sole cost and expense and to the CITY's satisfaction, maintain the Premises in a decent, safe, healthy, and sanitary condition at all times and perform such repairs that become necessary from time to time during the term of this Agreement.
32. Improvements/Alterations. No improvements, structures, or installations shall be constructed on the Premises, and the Premises may not be altered by CONCESSIONAIRE without prior written approval by CITY, which approval shall not be unreasonably delayed or withheld. Further, CONCESSIONAIRE agrees that major structural or architectural design alterations to approved improvements, structures, or installations may not be made on the Premises without prior written approval by CITY and that the approval shall not be unreasonably delayed or withheld. This provision shall not relieve CONCESSIONAIRE of any obligation under this Agreement to maintain the Premises in a decent, safe, healthy, and sanitary condition, including structural repair and restoration of damaged or worn improvements. CITY shall not be obligated by this Agreement to make or assume any expense for any improvements or alterations.
33. Utilities. CONCESSIONAIRE shall order, obtain and pay for all utilities and service installation charge in connection with operation of the Premises. All such service utilities shall be installed underground.
34. Taxes. Subject to the provisions of Article XIII, section 3(d) of the California Constitution and section 202.2 of the California Revenue and Taxation Code, CONCESSIONAIRE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon CONCESSIONAIRE or the Premises, including the land, any buildings, structures, machines, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed, or maintained by CONCESSIONAIRE or levied by reason of the business or other CONCESSIONAIRE activities related to the Premises, including without limitation licenses and permits. CONCESSIONAIRE acknowledges that this Agreement may create a possessory interest subject to property taxation, and that CONCESSIONAIRE may be subject to the payment of taxes levied on CONCESSIONAIRE's interest, and that CONCESSIONAIRE shall pay all possessory interest taxes. CONCESSIONAIRE's payment of taxes, fees, and assessments shall not reduce any concession payment due the CITY. CITY shall not assume any responsibility for any taxes whatsoever resulting from CONCESSIONAIRE's possession, use, or occupancy of the Premises.
35. Ownership of Improvements and Personal Property.
- a. Improvements. Any and all improvements, trade fixtures, structures, and installations or additions to the Premises now existing or accepted Project improvements on the Premises by CONCESSIONAIRE shall be deemed to be part of the Premises and shall be CITY'S property free of all liens and claims.
- b. Personal Property. CONCESSIONAIRE shall remove CONCESSIONAIRE-owned machines, appliances, equipment (other than trade fixtures), and other

items of personal property prior to the expiration of the Term, or as soon as reasonably practicable after a notice of termination, but in no event later than sixty (60) days after such notice of termination. Any such items which CONCESSIONAIRE fails to remove in accordance with this subsection b., shall be considered abandoned and will be processed and disposed of in accordance with applicable provisions of California law. If any removal of such personal property by CONCESSIONAIRE or CITY results in damage to the Premises, CONCESSIONAIRE shall repair or pay for the repair of all such damage at its sole cost and expense. Notwithstanding the foregoing, if CONCESSIONAIRE elects to dispose of any of its personal property used in its operations on the Premises, upon expiration or termination of this Agreement, CITY shall have the first right to acquire or purchase such personal property.

36. Unavoidable Delay. If the performance of an act required by this Agreement is directly prevented or delayed by a cause beyond the reasonable control of the party required to perform the act, that party shall be excused from performing the act for a period equal to the period of the prevention or delay. This provision shall not apply to obligations to pay concession payment. The party claiming a delay shall notify the other party in writing within five (5) calendar days after the beginning of any claimed delay.
37. Hazardous Substances. CONCESSIONAIRE shall not allow the illegal installation, storage, utilization, generation, sale or release of Hazardous Substances or otherwise regulated substances in, on, under, or from the Premises. CONCESSIONAIRE and CONCESSIONAIRE'S agents and contractors shall not install, store, utilize, generate or sell any Hazardous Substance on the Premises without CITY' prior written consent. CONCESSIONAIRE shall, prior to initiating any design, construction, use or operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.
- a. Release. For all purposes of this Agreement, a "release" shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leeching, dumping, or otherwise disposing of hazardous substances.
  - b. Hazardous Substance. For all purposes of this Agreement, "Hazardous Substance" shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
  - c. Remediation. If CONCESSIONAIRE's construction, occupancy, use,

development, maintenance or restoration of the Premises results in a release of a Hazardous Substance, CONCESSIONAIRE shall pay all costs of remediation and removal to CITY's satisfaction for unrestricted reuse of the Premises, and in accordance with all applicable laws, rules and regulations of governmental authorities.

- d. **Removal.** If CONCESSIONAIRE or CONCESSIONAIRE's agent has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the Premises, CONCESSIONAIRE or CONCESSIONAIRE's agent shall remove all Hazardous Substances in any type of container, equipment or device from the Premises immediately upon or prior to the expiration or earlier termination of this Agreement. CITY reserves the right to conduct inspections of the Premises and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment or devices from the Premises. CONCESSIONAIRE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- e. **Indemnity.** CONCESSIONAIRE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from CONCESSIONAIRE's construction, occupancy, use, development, maintenance or restoration of the Premises, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, CONCESSIONAIRE's officers, employees, invitees, guests, agents or contractors, or the public, and (vii) all costs of any health assessments or health effect studies.
- f. **Notice of Release.** If CONCESSIONAIRE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Premises, CONCESSIONAIRE shall immediately notify CITY and any appropriate regulatory or reporting agency pursuant to California Code of Regulations Title 19 and any other applicable laws or regulations. CONCESSIONAIRE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If CONCESSIONAIRE knows or has reasonable cause to believe that such substance is an imminent release or imminent substantial danger to public health and safety, CONCESSIONAIRE shall take all actions necessary to alleviate the danger. CONCESSIONAIRE shall immediately notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Premises.
- g. **Environmental Assessment.** Upon reasonable cause to believe that

CONCESSIONAIRE's construction, occupancy, use, development, maintenance, or restoration of the Premises resulted in any Hazardous Substance being released on, from or beneath the Premises, CITY may cause an environmental under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist, or Registered Civil Engineer. The environmental assessment shall be obtained at CONCESSIONAIRE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by CONCESSIONAIRE's construction, occupancy, use, development, maintenance, or restoration of the Premises, and in what quantities. If any Hazardous Substances exist in quantities greater than allowed by city, county, state, or federal laws, statutes, ordinances, or regulations, or require future restricted re-use of the Premises, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. CONCESSIONAIRE shall cause, or if CONCESSIONAIRE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, then CITY may cause, the remediation and/or removal recommended in the environmental assessment such that UNRESTRICTED REUSE OF THE Premises and compliance with environmental laws and regulations are achieved, and CONCESSIONAIRE shall pay all costs and expenses therefore.

38. Asbestos Disclosure. Portions of the structural components of the Premises may contain asbestos. If so, CONCESSIONAIRE acknowledges having received notice from CITY of the presence of asbestos in accordance with Health and Safety Code section 25915. CONCESSIONAIRE shall disclose the existence of asbestos on the Premises, as required by Health and Safety Code section 25915. CONCESSIONAIRE shall indemnify and hold CITY harmless from any loss or claim which may result from the existence of asbestos on the Premises.
39. Asbestos. Asbestos removal, management, or containment shall be conducted in accordance with all applicable laws and as approved by CITY. CITY reserves the right to inspect any improvements, alterations, or repairs to the Premises made by CONCESSIONAIRE. CITY may, at its discretion, station supervisory personnel at the work site to ensure that CONCESSIONAIRE's obligations under this section are fulfilled. Each party shall coordinate with the other regarding any improvement, alteration, or repair, and, except in the event of an emergency, the party responsible for such work shall provide written notice to the other party at least fifteen (15) days prior to commencing the work.
40. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and may be served personally or by United States mail, postage prepaid, addressed as follows:

CONCESSIONAIRE shall at its sole cost and expense comply with all local, state and federal rules, regulations, and laws, and all direction by competent authority, which now or hereafter pertain to CONCESSIONAIRE's occupancy, use, development, maintenance, and restoration of the Premises. In addition, CONCESSIONAIRE shall comply with any and all notices issued by CITY under the authority of any law, statute, ordinance, or regulation.
42. No Discrimination. CONCESSIONAIRE shall not discriminate in any manner against any person or persons on account of race, color, religion, gender, sexual orientation, medical status, national origin, age, marital status, or physical disability in CONCESSIONAIRE's use of the Premises, including but not limited to the providing of goods, services, facilities, privileges, advantages, and accommodations, and the obtaining and holding of employment. CONCESSIONAIRE shall not discriminate in accordance with Conditions 5 and 7 of the USA Deed.

Additionally, CONCESSIONAIRE shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of consultants, contractors, subcontractors, vendors or suppliers. CONCESSIONAIRE shall provide equal opportunity for contractors, subcontractors to participate in contracting and subcontracting opportunities. CONCESSIONAIRE understands and agrees that violation of this clause shall be considered a material breach of this Agreement and may result in Agreement termination, debarment, and other sanctions. This language shall be in contracts between the CONCESSIONAIRE and any consultants, contractors, subcontractor's vendors and suppliers.

43. Local Business and Employment. CONCESSIONAIRE acknowledges that CITY seeks to promote employment and business opportunities for local residents and firms in all CITY contracts. CONCESSIONAIRE will, to the extent legally possible, solicit applications for employment, and bids and proposals for subcontracts, for work associated with this Agreement from local residents and firms as opportunities occur. CONCESSIONAIRE shall hire qualified local residents and firms whenever feasible.

44. Drug-free Workplace. CONCESSIONAIRE shall comply with San Diego City Council Policy 100-17. "DRUG-FREE WORKPLACE", adopted by San Diego Resolution R-277952 and fully incorporated into this Agreement by this reference. CONCESSIONAIRE shall ensure that its contractors comply with the requirements of CITY's Council Policy 100-17. CONCESSIONAIRE shall adopt and enforce a policy to maintain a drug-free workplace by doing all of the following:
- a. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of controlled substances are prohibited on the Premises and specifying the actions that will be taken against employees for violations of the prohibition; and
  - b. Establish a drug-free awareness program to inform employees about all of the following:
    - (1) The dangers of drug abuse in the workplace;
    - (2) CONCESSIONAIRE's policy of maintaining a drug-free workplace;
    - (3) Any available drug counseling, rehabilitation, and employees assistance programs; and
    - (4) Penalties that may be imposed upon employees for drug abuse violations.
45. Compliance with CITY'S Equal Employment Opportunity Contracting Program. CONCESSIONAIRE acknowledges and agrees that it is aware of, and will comply with, City Council Ordinance No. 18173 (San Diego Municipal Code sections 22.2701 through 22.2708, as amended), EQUAL EMPLOYMENT OPPORTUNITY OUTREACH PROGRAM, a copy of which is on file in the Office of the City Clerk and by this reference is incorporated herein. CONCESSIONAIRE shall ensure that its contractors comply with CITY's Equal Opportunity Contracting Program. Nothing in this section shall be interpreted to hold CONCESSIONAIRE liable for any discriminatory practice of its contractors.
46. CITY Employee Participation Policy. Pursuant to City Council Policy 300-11, CITY, at its sole discretion, may unilaterally and immediately terminate the Agreement if CONCESSIONAIRE employs an individual who, within the twelve (12) months immediately preceding employment, did in his or her capacity as a CITY officer or employee participate in, negotiate with, or otherwise have an influence on the recommendation made to the City Council in connection with this Agreement or selection of CONCESSIONAIRE.
47. Disabled Access Compliance. CONCESSIONAIRE shall comply with all nondiscrimination laws of the United States, State of California and CITY, including but not limited to those laws set forth in Conditions 5 and 7 of the USA Deed; the California

- b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of CONCESSIONAIRE.
- c. CONCESSIONAIRE shall post a statement addressing the requirements of the ADA in a prominent place at the work site.
- d. Where required by law, any improvements made to the Premises by CONCESSIONAIRE shall comply with municipal, state and federal disabled access requirements by bringing up to code and making accessible any areas of the Premises which deny access to disabled persons. All improvements and alterations shall be at the sole cost of CONCESSIONAIRE.
  - i. CONCESSIONAIRE shall include language in each subagreement which indicates the subConcessionaire's agreement to abide by the foregoing provisions. CONCESSIONAIRE and subConcessionaires shall be individually responsible for their own ADA employment programs.
  - ii. CONCESSIONAIRE understands that failure to comply with the above requirements and/or submitting false information in response to these requirements shall constitute a default under this Agreement.

48. Prevailing Wage Rates. Prevailing wage rates apply to this Agreement.

#### REQUIREMENTS FOR CONTRACTS SUBJECT TO STATE PREVAILING WAGE REQUIREMENTS.

In accordance with California Labor Code (Labor Code) sections 1770, et seq., as amended, the Director of the Department of Industrial Relations (DIR) has determined the general prevailing rate of per diem wages (Prevailing Wage Rate) in accordance with the standards set forth in sections for the locality in which the work is to be performed. CONCESSIONAIRE may review the Prevailing Wage Rate at the CITY's Purchasing and Contracting Department or Equal Opportunity Contracting (EOC) Office or on-line at [http://www.dir.ca.gov/dlsr/statistics\\_research.html](http://www.dir.ca.gov/dlsr/statistics_research.html). CONCESSIONAIRE shall post a

copy of the Prevailing Wage Rate at each job site and make copies available to any interested party on request.

Pursuant to Labor Code sections 1720 et seq., and 1770 et seq., CONCESSIONAIRE and all subcontractors shall pay not less than the Prevailing Wage Rate to all persons employed by them in the execution of the work. CONCESSIONAIRE and any subcontractor shall comply with section 1775 (Penalties for Violations) in the event workmen are paid less than said specified rates.

The wage rates determined by the DIR and published in the Department of Transportation publication entitled "General Prevailing Wage Rates" refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, said published wage rate shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the contract.

The successful bidder intending to use a craft or classification not shown on the prevailing rate determinations may be required to pay the rate of the craft or classification most closely related to it.

CONCESSIONAIRE and subcontractors must comply with Labor Code section 1776 by keeping accurate payroll records that show the name, address, social security number, work classification, straight time, and overtime hours worked each day and week by each worker, and the actual per diem wages paid to each worker employed by CONCESSIONAIRE or subcontractor in connection with the public works project. Each payroll record shall contain or be verified by a written declaration signed by CONCESSIONAIRE or subcontractor under penalty of perjury that states that: 1) the information contained in the payroll record is true and correct; and 2) CONCESSIONAIRE or subcontractor has complied with the requirements of Labor Code sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project. The payroll records must be certified. CONCESSIONAIRE and subcontractor(s) shall submit weekly certified payrolls online via the CITY's web-based labor compliance program. CONCESSIONAIRE shall be responsible for the compliance with these provisions by its subcontractors. CITY will withhold contract payments when payroll records are delinquent or deemed inadequate by CITY or another governmental entity, or when it is established after investigation by CITY or another governmental entity that underpayment has occurred.

You must abide by the requirements of Labor Code sections 1777.5, 1777.6, and 1777.7 concerning the employment of apprentices by contractors and subcontractors performing public works contracts.

49. Equal Benefits. CONCESSIONAIRE shall comply with San Diego Municipal Code sections 22.4301-22.4308, which require Concessionaires of City-owned property to offer the same employment benefits to employees with spouses and employees with domestic partners. CONCESSIONAIRE shall certify that it will maintain such equal benefits throughout the term of this Agreement.
  
50. Water Quality Assurances. CONCESSIONAIRE shall comply with all applicable requirements of the National Pollutant Discharge Elimination System (“NPDES”) Permit No. R9-2007-0001, and any subsequent versions of this NPDES permit that become effective during the Term of this Agreement. CONCESSIONAIRE shall comply with San Diego Municipal Code Chapter 4, Article 3, Division 3: Storm Water Management and Discharge Control (the “Storm Water Code”), as amended from time to time, and employ “Best Management Practices” including a “Storm Water Pollution Prevention Plan” as those terms are defined by the Storm Water Code (collectively, “Prevention Plan”) and as approved by CITY under its Storm Water Management Program. Within the first thirty (30) days of the Term, CONCESSIONAIRE shall submit a Prevention Plan satisfactory to CITY that will control any “Pollutants,” as defined by the Storm Water Code, discharged from the Premises. CITY may review the Prevention Plan periodically. Within thirty (30) days after written notice from CITY requesting an update of the Prevention Plan, CONCESSIONAIRE shall submit an updated Prevention Plan to CITY’s satisfaction. CONCESSIONAIRE shall implement all changes to the Prevention Plan as required by CITY and to ensure compliance with all applicable laws, ordinances, and regulations. CONCESSIONAIRE shall inform its employees, contractors, subcontractors, agents and vendors of the Prevention Plan and ensure their compliance therewith. CONCESSIONAIRE shall at all times keep and maintain Best Management Practices required by the Prevention Plan in a manner which controls and prevents discharge of Pollutants to the Maximum Extent Practicable. CONCESSIONAIRE understands and agrees that storm water pollution prevention requirements may change from time to time by regulation of the San Diego Regional Water Quality Control Board, and CONCESSIONAIRE expressly agrees that it will at its sole cost and expense maintain compliance with applicable regulations notwithstanding any change in law relating to storm water management.
  
51. Cumulative Remedies. CITY’s rights and remedies under this Agreement are cumulative and shall not limit or otherwise waive or deny any of CITY’s rights or remedies at law or in equity.
  
52. Survival. Any obligation which accrues under this Agreement prior to its expiration or termination shall survive such expiration or termination.

53. Joint and Several Liability. If CONCESSIONAIRE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for the performance of each and every obligation of CONCESSIONAIRE under this Agreement.
54. No Affiliation. Nothing contained in this Agreement shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and CONCESSIONAIRE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of CONCESSIONAIRE or any other party or entity.
55. Entire Agreement. This Agreement constitutes the entire agreement between the parties and pertaining to this Agreement and CONCESSIONAIRE's occupancy, use, development, maintenance, and restoration of the Premises. Any modification, alteration, or amendment of this Agreement shall be in writing and signed by all the parties hereto with written concurrence by the Secretary of the Interior or his/her delegated representative, NPS.
56. Partial Invalidity. If any term, condition, or provision of this Agreement is found invalid, void, or unenforceable by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.
57. Governmental Approvals. By entering into this Agreement, neither CITY nor CITY's City Council is obligating itself to any governmental agent, board, commission, or agency with regard to any other discretionary action relating to CONCESSIONAIRE's occupancy, use, development, or maintenance of the Premises. - B. *Primary and Non-Contributory.* The policies are primary and non-contributing to any insurance or self-insurance that may be carried by the City of San Diego, its elected officials, officers, employees, agents, and representatives with respect to operations, including the completed operations if appropriate, of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents, and representatives shall be in excess of Concessionaire's insurance and shall not contribute to it.

# CITY OF SAN DIEGO WORK FORCE REPORT

## HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (Black, Hispanic, Asian, American Indian, Filipino) for each occupation. Currently, our CLFA data is taken from the 2000 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

## WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report.<sup>1</sup> By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county.<sup>2</sup> If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work

Force Reports representing your firm from each of the three counties.

## MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report.<sup>1,3</sup> In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.<sup>3</sup>

## TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one <sup>1</sup>, two <sup>2</sup> & three <sup>3</sup>. These numbers coincide with the types of work force report required in the example. See below:

- <sup>1</sup> One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- <sup>2</sup> Branch Work Force \*
- <sup>3</sup> Managing Office Work Force

*\*Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.*
