WHEREAS, the City Council is fully advised in this matter; NOW, THEREFORE,
BE IT RESOLVED, by the City Council of the City of San Diego, as follows:

1. That this Resolution is adopted pursuant to the provisions of the Division and other applicable laws.
2. That the City Council hereby specifically finds and declares that the actions authorized hereby constitute and are with respect to municipal affairs of the City and that the statements, findings, and determinations of the City Council set forth above are true and correct.
3. That except to the extent inconsistent with this Resolution, the Resolution of Intention is reaffirmed, and its provisions and findings are, to that same extent, incorporated herein by this reference.
4. That the City Council accepts the proof of publication of the Notice of Public Hearing, the Certificate of Mailing the Notice of Public Hearing, and finds, based thereon, that proper notice of the Public Hearing has been given in accordance with the Division, the California Government Code, and the State and Federal Constitutions, and that the Public Hearing was conducted with proper and legal notice in all respects.
5. That the City Council finds and determines that at the close of the Public Hearing, the written protests to the establishment of the Convention Center Facilities District, or to the levy of the Special Tax, or to the extent of the Convention Center Facilities District, or to the construction or equipping of any of the Facilities, as described and defined in the Resolution of

Intention, or to the establishment of the appropriations limit for the Convention Center Facilities District, or to any other matters contained in the Resolution of Intention, submitted by Landowners (as defined in section 61.2705 of the Division) of property not exempt from the Special Tax and weighted in accordance with section 61.2709 of the Division, did not constitute a majority protest under the Division. Thus, the City Council finds that it is not precluded, by the Division, from proceeding further in this matter. The City Council hereby further orders and determines that all protests to the establishment of the Convention Center Facilities District, or the levy of the Special Tax proposed to be levied therein, or the extent of the Convention Center Facilities District, or the construction or equipping of any of the described facilities, or the establishment of the appropriations limit for the Convention Center Facilities District, have been considered and are hereby overruled.

6. That the Facilities authorized to be financed by and through the Convention Center Facilities District are those shown on Exhibit B to the Resolution of Intention, which by this reference is incorporated herein and made a part of this Resolution. The City Council finds that the Facilities do not in any way exceed the description of the authorized facilities proposed in the Resolution of Intention. All of the Facilities have an estimated useful life of five years or longer, and are facilities that the City or other public agencies are authorized by law to construct, own or operate or to which they may contribute revenue. This authorization to finance the construction and equipping of the Facilities includes incidental expenses for the Facilities comprising the costs of planning and designing the Facilities, together with the costs of environmental evaluations thereof, and all costs associated with the creation of the Convention Center Facilities District, the issuance of debt (as defined in the Act, Debt), the determination of the amount of any Special Taxes or the collection of any Special Taxes and costs otherwise

incurred in order to carry out the authorized purposes of the Convention Center Facilities District, together with any other expenses incidental to the construction and equipping of the Facilities. A representative list of incidental expenses proposed to be incurred is set forth in Exhibit C to the Resolution of Intention, which by this reference is incorporated herein and made a part of this Resolution.

7. That the rate and method of apportionment of the Special Tax (Final RMA), including the maximum annual Special Tax, for the Convention Center Facilities District is set forth in Exhibit D-1 hereto and by this reference is incorporated herein and made a part of this Resolution. The Final RMA provides sufficient detail to allow each landowner within the Convention Center Facilities District to estimate the maximum amount that such person will have to pay. The Special Tax obligation may not be prepaid. The City Council hereby determines and orders that the Special Tax will not be apportioned in any tax year on any portion of property in residential use in that tax year, with the understanding that transient occupancy of hotel rooms is not residential use.

8. That if the election referred to below results in the approval of the ballot measure described herein, then upon recordation of a Notice of Special Tax Lien pursuant to the California Streets and Highways Code section 3114.5, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt real property in the Convention Center Facilities District. The lien shall continue in force and effect until the special tax ceases to be levied and a notice of cessation of special tax is recorded in accordance with California Government Code section 53330.5 (all as provided under California Streets and Highways Code section 3115.5(c)),

or until four years after the due date of the last installment of principal on any Debt (as defined in the Act) secured at least in part by the special tax authorized hereunder, as provided in Section 53356.1(a) of the Act, whichever is later.

9. That except where funds are otherwise available, the Special Tax, subject to the limits described in the Final RMA, but otherwise in an amount sufficient to pay for the construction and equipping of the Facilities, the making of lease payments for Facilities (whether in conjunction with the issuance of certificates of participation or not), the payment of interest on and principal of debt that is supported by the special taxes combined with other revenues to be issued to finance the construction and equipping of the Facilities, and including the repayment of funds advanced by the City for the Convention Center Facilities District and including the repayment under any agreement (which shall not constitute a debt or liability of the City) for advances of funds or for the reimbursement for the lesser of the value or cost of work in-kind provided by any person or entity for the Convention Center Facilities District, and to pay for the authorized administrative costs of the Convention Center Facilities District, will be levied on a continuing basis within the boundaries of the Convention Center Facilities District.

10. That the Special Tax will be collected monthly through the same mechanism by which the City currently collects its Transient Occupancy Tax from hotel properties; however, the City Council reserves the right to utilize any other lawful means of billing, collecting, and enforcing the special tax, including billing on the secured property tax roll, supplemental billing, and, when lawfully available, judicial foreclosure of the special tax lien.

11. That pursuant to Section 53340.1 of the Act, but subject to the limits described in the Final RMA, the Special Tax shall be levied on privately held leasehold interests in property owned by a public agency (which property is otherwise exempt from the Special Tax), to be payable by the owner of the leasehold or possessory interests in such property.

12. That pursuant to Section 53325.7 of the Act, and subject to the voter approval requirement contained in that Section, the fiscal year 2012-2013 appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, for the Convention Center Facilities District, and subject to adjustment as provided therein, is established as specified in the Resolution of Intention.

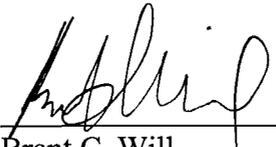

13. That the City Council will submit the authorizations of this Resolution to the qualified electors of the Convention Center Facilities District in a special mailed-ballot election pursuant to section 61.2710 of the Division.

14. That the collection of the Special Tax will be administered by the City Treasurer, City of San Diego, (619) 236-6112, who will also be responsible for estimating future Special Tax levies pursuant to Section 53340.2 of the Act.

15. That the City Council finds and determines that all proceedings conducted and approved by the City Council with respect to the establishment of the Convention Center Facilities District, up to and including the adoption of this Resolution and the other Resolutions adopted this date in connection with the Convention Center Facilities District, are valid and in conformity with the requirements of the Division, and this determination is final and conclusive for all purposes and is binding upon all persons. Accordingly, the City Council finds, determines, and orders that the Convention Center Facilities District is hereby established with

all of the authorities described and set forth in this Resolution, the exercise of which is subject only to the approval of the qualified electors of the Convention Center Facilities District.
