CASINO PARTY MANAGER - RULES AND REGULATIONS

California Penal Code Section 330 makes it a misdemeanor to participate in certain games of chance to include among others, twenty-one, blackjack, roulette, craps and wheel of fortune, or any banking or percentage game played with cards, dice, or any device, for money, checks, credit, or other representative of value. Games of chance commonly conducted at a Casino Party may be played in the City of San Diego as part of an event sponsored by a registered, charitable non-profit organization per the authority of San Diego Municipal Code, Article 3 Chapter 3, Division 41. A synopsis of Division 41 provides the following:

1. Any peace officer or regularly detailed and salaried police employee shall have free access to any licensed casino party. The casino party licensee shall have a list of approved volunteers, the casino permit, and casino supplier employees available for inspection.
2. No minors (under the age of 18 years) shall be allowed to participate in a casino party.
3. No casino party shall be conducted between the hours of 2:00 a.m. and 6:00 a.m.
4. Casino Parties shall be open to the public, free of charge, with no advance registration required. The public may be excluded from other activities such as a dinner or dance.
5. All chips or scrip must be dispensed free of charge. There can be no correlation between the amount of chips dispensed and money donated. (Example: If \$20.00 is the suggested donation for a bundle of scrip and one customer donates \$100.00 and receives five (5) bundles, another may request an equal amount for less donation or no donation.)
6. No chips or scrip may be redeemed for cash and no cash prizes may be awarded. All participants **MUST HAVE AN EQUAL CHANCE** for any drawing held. Extra drawing tickets shall not be dispensed for each donation made nor shall extra tickets be dispensed based upon the amount of chips or scrip redeemed. No single prize shall exceed \$2,500.00 in fair market value and the total fair market value of prizes shall not exceed \$5,000.00.
7. No cash or checks may be used or displayed at any gaming table or device. Attention needs to be given to money left on a table while waiting for food or drink to be delivered.
8. All casino volunteers and employees provided by a casino company must wear on his or her outside clothing a nametag containing that person's full name and affiliation. Casino managers must wear a nametag identifying themselves by name and title as Casino Manager. A casino manager must be on the premises at all times during which a casino party is being conducted.
9. All advertisements relating to a casino must indicate that there is no fee or charge related to participation in the event and that it is open to the general public.

I am a volunteer for _____ and will be a casino manager for a casino party to be conducted at (place) _____ on (date) _____. I have read and understand the above rules and regulations as they pertain to Casino Parties conducted in the City of San Diego. I have been provided a copy of the San Diego Municipal Code Division 41 which contains the rules and regulations as well as additional information relating to Casino Parties.
