

THE CITY OF SAN DIEGO

The Office of City Treasurer Business Tax Division has recently made improvements in the way registered business information is provided to the public. Users will now be able to:

- Search on-line for specific business
- View and download a list of Business Tax Certificates issued in the previous month
- View and download a list of all active businesses

The Business Lookup page can be accessed by visiting the following website
<http://apps.sandiego.gov/BusinessLookup/>

For questions regarding this service please call the Business Tax Division at (619) 615-1500.
