

4th & 5th Avenue Dedicated Bike Lane Project

Thursday, February 27th
6:00 pm to 7:30 pm
Balboa Park Santa Fe Room
2144 Pan American Road W
San Diego, CA 92101

There are some great changes ahead for bicycle facilities in your neighborhood. As you may have heard, the City of San Diego will be installing new dedicated bike lanes along 4th and 5th Avenues between Date and Laurel Streets as part of a bike loop developed in support of the City's bike sharing program.

Installation of the new bike lanes is planned for spring 2014. City crews will change the left hand lanes on both streets into bicycle-only pathways. The work involves repainting the lanes and adding appropriate signage to let motorists and bicycle riders understand the change. No parking spaces will be removed or changed in this project.

We hope that you will share this information with your neighbors and look forward to meeting you at the workshop.
