Draft Mission Statement

The mission of the Rosecrans Corridor Mobility Study Project Working Group is to provide recommendations to the City of San Diego about potential solutions to improve *vehicular, transit, pedestrian, and bicycle* mobility in the Rosecrans Corridor study area. The Working Group will serve as a forum for collaboration, the discussion of issues and exchange of ideas between City and affected communities.

Participation Guidelines

- Serve as representatives of your respective organizations
- Report back to your organizations on the Rosecrans process
- Attend all scheduled PWG meetings
- Respect the established Ground Rules
- Reserve use of email for distribution of information – not "dialogue" on issues
