Water Conservation Garden at Cuyamaca College

Boy with binoculars by Helix Water District
Girl with lizard by Irene Lindsey

Learn about garden wildlife and create plant-based crafts in the beautiful setting of the 5-acre Water Conservation Garden!

- **Monday, July 7: Go Green!**

Create a mini succulent garden, get messy with hypertufa, and make an eco-friendly snack!

- **Tuesday, July 8: Lizards, Spiders, and Other Mini-Beasts**

Meet some friendly beasts, make delicious spider biscuits, and enter your bug in the bug race!

- **Wednesday, July 9: The Mystery Behind the Garden Gate**

Create a mystery garden gate and dare to join the mysterious Garden scavenger hunt.

- **Thursday, July 10: Monet for a Day—Creative Garden Art**

Flowers, birds, bunnies, trees! Let life in the Garden inspire your inner artist.

- **Friday, July 11: Adventures in Flight!**

Create a rustic bird feeder and bird house, eat a bird snack, and meet some feathered friends.
