

THE CITY OF SAN DIEGO

December 1, 2015

Mr. Blake Kidd
District Manager
3521 E. White Spring Lane
Orange, CA 92867

Dear Mr. Kidd:

Subject: Approval of Ford Meter Box Products

This is in reference to your application in which you requested the City of San Diego (City) to evaluate several Ford Meter Box Products for approval and addition to the City's Water Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the following products: S70 & S90 Bolted All Brass Tapping Saddles, FCA Flanged Coupling Adaptor, FC2A DI Transition Coupling, FC2W DI Wide Range Transition Coupling, Series 1390-C Joint Restraints, Series 1400-D Wedge Action Restraint, Series UFR1500 Mechanical Joint Restraint, and the Series BLA18 Blow-off Ball Valve. These products will be included in the next Water Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the above products is, however, contingent on the following conditions:

- 1) All brass components are manufactured at 775 Manchester Avenue, Wabash, IN 46992 and all other components are manufactured at 815 Miles Parkway, Pell City, AL 35125.
- 2) Ford Meter Box shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Ford Meter Box shall provide application/installation procedures for the products to ensure they meet the Standard Specifications for Public Works Construction (Greenbook) and the City's Whitebook 2015. The installer shall meet the specification conditions, required for the proper installation of the product as specified by Ford Meter Box or any of Ford Meter Box's authorized suppliers.

Public Utilities Department

9192 Topaz Way • San Diego, CA 92123

- 4) Any unilateral action by Ford Meter Box without seeking prior consultation and agreement of the City in regard to the above mentioned conditions and limitations shall constitute a breach of agreement, resulting in the deletion of Ford Meter Box products from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

Tung J. Phung, P.E.
Senior Civil Engineer
