

THE CITY OF SAN DIEGO

October 29, 2015

Mr. Brian Sitarz
Oldcastle Enclosure Solutions
3044 A South 35th Avenue
Phoenix, AZ 85009

Dear Mr. Sitarz:

Subject: Approval of Oldcastle Fibrelyte and Carson Heavy Wall Meter Enclosures

This is in reference to your application in which you requested the City of San Diego (City) to evaluate Oldcastle's Fibrelyte and Carson Heavy Wall Meter Enclosures for approval and addition to the City's Water Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Fibrelyte Enclosure with Fibrelyte lid (Models FL09, FL12, FL30, FL36) and the Carson Heavy Wall Enclosure with Fibrelyte lid (Models 1015, 1118, 1416, 1324, 1527, 1730). Approved lids include both the solid lids and those with factory furnished opening(s) for automated metering antennae, where applicable. These products will be included in the next Water Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of Oldcastle's Fibrelyte and Carson Heavy Wall Meter Enclosures are, however, contingent on the following conditions:

- 1) Oldcastle's Fibrelyte products are manufactured at 5236 Arboga Road, Olivehurst, CA 95961 and Carson Heavy Wall Meter Enclosures are manufactured at 1675 Industrial Drive, Napoleon, OH 43545.
- 2) Oldcastle Enclosure Solutions shall notify the City in advance of any changes in the product, change in ownership of any manufacturing plant, or change in the location of any manufacturing plant.
- 3) Oldcastle Enclosure Solutions' Meter Enclosures shall comply with all City and Regional Standard Drawings and Standard Specifications with respect to size, installation location, and appropriate application.

- 4) Oldcastle Enclosure Solutions shall provide application/installation procedures for the products to ensure they meet the Standard Specifications for Public Works Construction (Greenbook) and the City's Whitebook 2015. The installer shall meet the specification conditions required for the proper installation of the product as specified by Oldcastle Enclosure Solutions or any of Oldcastle Enclosure Solutions's authorized suppliers.
- 5) Any unilateral action by Oldcastle Enclosure Solutions without seeking prior consultation and agreement of the City in regard to the above mentioned conditions and limitations shall constitute a breach of agreement, resulting in deletion of the product(s) from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

A handwritten signature in black ink, appearing to read "Tung J. Phung". The signature is fluid and cursive, with a large loop at the end.

Tung J. Phung, P.E.
Senior Civil Engineer
