### **Smart Controller Rebate Guidelines**

**Did you know that more than 50% of the water consumed by most households is used to maintain landscapes and lawns?**

City of San Diego Public Utilities Department single-family residential home customers can receive a rebate for a weather based irrigation controller!

**City of San Diego customers cannot participate if they have already received a rebate for the WBIC/Smart Controller through the Southern California MWD Save A Buck regional rebate program.**

- Funding for a limited number of rebates is available through the City of San Diego Transportation and Storm Water Department and a State of California grant and will be distributed on a first come, first served basis until exhausted. *This program is subject to change without prior notification.*
- Rebate check will be sent to the customer of record 6-8 weeks after post-installation site visit is successfully completed.
- Rebate CANNOT exceed materials costs on receipts or \$200 for ≤1999 square feet and \$400 for ≥2000 square feet.
- Applicant's water account must be in good standing
- Customer must agree to and sign the application agreement before rebate is administered
- Changes made related to rebate program must comply with all applicable laws, codes, policies, covenants, conditions, and restrictions.
- Please consult with a tax advisor if you have questions regarding any potential tax implications of your rebate.
- Project site shall be available for future inspection, monitoring, and photos (up to five years) to a Public Utilities representative. Addresses to project sites participating in the rebate program will be available to the public. Customer names will not be made public or associated with the address.

**If you have questions after reading these guidelines, please call 619-533-4126 or e-mail [waterconservationrebates@sandiego.gov](mailto:waterconservationrebates@sandiego.gov).**

### **What does not qualify for a rebate?**

- **Rebate does not apply to signal fee, All labor and taxes**
