### Maintenance Assessment District

---

#### Preamble

Pursuant to §65.0220 of the “San Diego Maintenance Assessment District Procedural Ordinance” (being Division 2, Article 5, Chapter 6 of the *San Diego Municipal Code*) and City of San Diego Council Resolution No. R-310618 passed on July 22, 2016, authorizing the continued levy of assessments for the life of the HILLCREST MAINTENANCE ASSESSMENT DISTRICT (hereinafter referred to as “District”), and in accordance with applicable provisions of “Proposition 218” (being Article XIID of the California Constitution), and provisions of the “Proposition 218 Omnibus Implementation Act” (being California Senate Bill 919) (the aforementioned provisions are hereinafter referred to collectively as “applicable law”), and in accordance with Resolution No. \_\_\_\_\_, adopted by the CITY COUNCIL OF THE CITY OF SAN DIEGO, COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, and in connection with the annual proceedings for the District, EFS Engineering, Inc., as Assessment Engineer to the City of San Diego, submits herewith this annual report for the District as required by §65.0220 of the “San Diego Maintenance Assessment District Procedural Ordinance.”

DATE OF FINAL PASSAGE BY THE CITY OF SAN DIEGO,  
COUNTY OF SAN DIEGO, STATE OF CALIFORNIA, ON THE  
\_\_\_\_\_ DAY OF \_\_\_\_\_, 2021.

---

Elizabeth Maland, CITY CLERK  
CITY OF SAN DIEGO  
STATE OF CALIFORNIA

## Executive Summary

**Project:** Hillcrest  
Maintenance Assessment District

**Apportionment Method:** Linear Frontage Foot (LFF)

	<b>FY 2021</b>	<b>FY 2022 <sup>(1)</sup></b>	<b>Maximum <sup>(2)</sup> Authorized</b>
<b>Total Parcels Assessed:</b>	41	41	--
<b>Total Estimated Assessment:</b>	\$19,437	\$19,437	--
<b>Total Number of LFF:</b>	3,272.24	3,272.24	--
<b>Assessment per LFF:</b>	\$5.94	\$5.94	\$6.04 <sup>(3)</sup>

<sup>(1)</sup> FY 2022 is the City's Fiscal Year 2022, which begins July 1, 2021 and ends June 30, 2022. Total Parcels Assessed, Total Estimated Assessment, and assessment apportionment factors may vary from prior fiscal year values due to parcel changes and/or land use re-classifications.

<sup>(2)</sup> Maximum authorized assessment rate subject to cost-indexing as approved by property owners at the time of District formation.

<sup>(3)</sup> Prior fiscal year's maximum authorized annual assessment rate increased by cost-indexing factor of 1.70%.

**Annual Cost-Indexing:** The maximum authorized assessment rates are cost-indexed and will increase (or decrease) annually based on the annual change in the *San Diego Consumer Price Index for Urban Consumers* (SDCPI-U).

---

## Background

The Hillcrest Maintenance Assessment District (District), originally known as the “Mid-City Maintenance Assessment District, Sub-District #12,” was established by the City of San Diego (City) on March 23, 1999 by City Council Resolution R-291373. The purpose of the District was, and still is, to fund specifically identified improvements and activities within the boundary of the District.

In conformity with §65.0221 of the “San Diego Maintenance Assessment District Procedural Ordinance,” the City adopted Resolution No. R-310618 on July 22, 2016, approving the annual budget and assessments for Fiscal Year 2017, and authorizing the levy of the assessments for the life of the District, consistent with the benefit findings and assessment apportionment method contained in the approved formational and all subsequently updated Engineer’s Reports (Engineer’s Reports). The Engineer’s Reports are on file with the City Clerk, and incorporated herein by reference.

The District is authorized and administered under the provisions of the “San Diego Maintenance Assessment District Procedural Ordinance.” This annual report has been prepared pursuant to the requirements of §65.0220 of the “San Diego Maintenance Assessment District Procedural Ordinance.”

---

## District Boundary

The District boundary is generally depicted in **Exhibit A**. The District Boundary Map and Assessment Diagram are on file in the Maintenance Assessment Districts section of the Parks and Recreation Department of the City, and, by reference, are made a part of this annual report.

---

## Project Description

The authorized assessments will be used to fund specifically identified improvements and activities within the District. The District improvements and activities generally consist of maintenance and servicing associated with landscaped and hardscaped medians, and median gutter sweeping in the District. All improvements to be maintained by the District fall within the dedicated City public rights-of-way. The approximate location of the improvements is generally shown on **Exhibit A**.

For additional detail as to the location, type of improvements, and activities performed by the District, please refer to the maps,

improvement plans, engineering drawings, maintenance specifications, the Engineer's Reports and other associated documents on file with the Maintenance Assessment Districts section of the Parks and Recreation Department of the City. These documents, collectively, are incorporated herein by reference and made part of this annual report.

---

## Separation of General and Special Benefits

The identified improvements and activities provide benefits to the parcels located within the District. These benefits are "special benefits" to the extent that they are above and beyond the City's standard level of service, and exclusive of those "general benefits" provided to the public at large or properties located outside the District. By law, only "special benefits" are assessable.

The assessments presented in this annual report are based on the cost of improvements and activities determined to provide "special benefits" in accordance with the Engineer's Reports. For additional detail relative to the separation and quantification of general and special benefits for the District, please refer to the Engineer's Reports, on file with the Maintenance Assessment Districts section of the Parks and Recreation Department of the City.

---

## Cost Estimate

The estimated annual budget (Revenue & Expense Statement) is included as **Exhibit B**. The "Other Contributions (Non Assessment Source)" revenue contained in the budget includes the value of improvements and activities determined to provide "general benefits." The District budget with full detail is available for public reference in the Maintenance Assessment Districts section of the Parks and Recreation Department of the City.

### Annual Cost-Indexing

The maximum authorized assessment set forth in the Engineer's Reports is permitted to increase annually based on the published change in the "San Diego Consumer Price Index for Urban Consumers" (SDCPI-U). The annual change in second half SDCPI-U values, as compiled by the *U.S. Bureau of Labor Statistics* (see [www.bls.gov](http://www.bls.gov)), for the prior year period was from 300.718 to 305.823 (a 1.70% increase). In accordance with the approved cost-indexing provisions, the maximum authorized assessment rate has been increased by 1.70%.

---

## Method of Apportionment

### Estimated Benefit of the Improvements

The Transportation Element of the City's General Plan and the general policy recommendations found in the local Community Plan establish several goals for the community's transportation system. The District improvements and activities are consistent with the plans' goals for safety and pleasing aesthetics. All benefits assessed to the District are special to this District and are distinct from other parcels in the City.

The improvements and activities, enhanced landscape, streetscape, medians, benches, and additional street lighting) benefit parcels by enhancing the visual aesthetics of the business districts, establishing a continuity of business district appearance, increasing land and business values, promoting public safety and a sense of security for the clientele and employees through increased night lighting, reducing graffiti problems, and creating a sense of community identity and pride.

### Apportionment Methodology

It is estimated that the benefit received by each parcel is directly proportional to the linear front footage of each parcel fronting the improvements. The total cost associated with District improvement and activities has been divided by the total linear front footage of all parcels within the District to determine the unit assessment rate, or cost per linear frontage foot (LFF).

## Sample Calculations

As described above, assessments have been calculated for each parcel based the linear front footage (LFF) of the property along the improvement/service corridor.

LFF = Linear Front Footage
----------------------------

Shown below are LFF calculations for various sample parcels.

- **Property with 50-foot frontage**  
LFF = 50.00 LFF
- **Property with 140-foot frontage**  
LFF = 140.00 LFF
- **10-unit Condominium Property with 100-foot frontage**  
LFF (per condo unit) = 100.00 LFF / 10 units = 10.00 LFF

The total assessment for each parcel in the District is based on the calculated LFF for the parcel and the applicable unit assessment rate, as shown in the following equation:

Total Assessment = Total LFF x Unit Assessment Rate
---

Based on the above formula, the LFF calculated for each property, can be found in the Assessment Roll (**Exhibit C**).

---

## Summary Results

The District Boundary is presented in **Exhibit A**.

An estimate of the annual costs of the improvements and activities provided by the District is included as **Exhibit B**.

The assessment methodology utilized is as described in the text of this annual report. Based on this methodology, the assessments for each parcel were calculated and are shown in the Preliminary Assessment Roll (**Exhibit C**).

Each lot or parcel of land within the District has been identified by unique County Assessor's Parcel Number in the Preliminary Assessment Roll and on the Boundary Map and Assessment Diagram referenced herein.

This annual report has been prepared and respectfully submitted by:
