

How to Make a Collage

Supplies:

Glue stick (or white glue), newspaper, or magazine, piece of paper

Instructions:

Get a piece of paper to glue material on.

Rip or cut magazines and newspaper into pieces.

Put paper in piles according to color or texture.

Put glue on small section of paper, begin to put magazine or newspaper pieces over glue.

Let paper hang over the edges.

Continue to cover paper, creating beautiful and random patterns until entire paper is covered.

Turn finished piece of art over, and trim all four edges.

Turn over piece of art, admire, and enjoy!
