# How To Make An Ear Saver
## (For your mask with ear loops)

## Supplies:
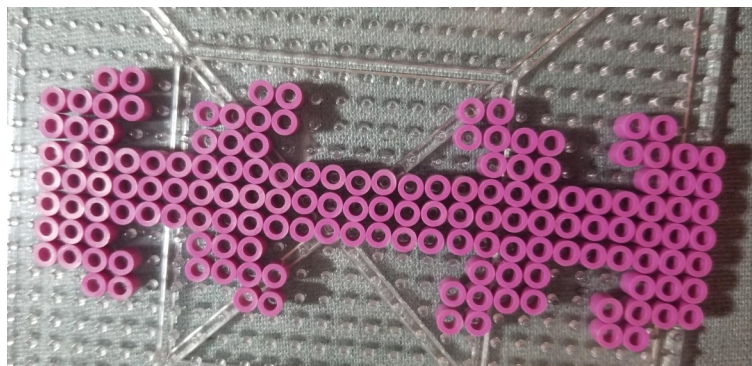

| | |
|---|---|
| Perler Fusible Beads | Iron |
| Perler Peg Board | Ironing Paper |

## Directions:

1. Create a design freehand, or download a pattern from

https://www.perler.com/globalassets/catalogs/perler/stay-at-home-project-misc/mask-clips/facemaskclips_pattern_colors.pdf

2. Place your pattern underneath the pegboard, place beads onto the peg board.

3. Place ironing paper on top of design.

4. Heat iron to medium setting. Hold iron in place for about 10 seconds.

5. Repeat several times until all beads are melted and fused together.

6. Let cool.  Remove from the peg board and repeat the ironing process on the other side, if desired.
