### ARRESTED FOR BATTERY.

There was a little difficulty between Thomas Diamond and Prof. Gustav Schultz of La Jolla Tuesday, which resulted in the arrest of Diamond on the charge of battery on the professor. He was arraigned in the police court yesterday afternoon, and his hearing set for Friday morning at 10 o'clock. Meanwhile he is out on \$10 ball. It will be remembered that Prof. Schultz is now tunnelling into the caves at La Jolla from his property, and that a petition from Mr. Diamond for permission to tunnel from the street was denied.
