## READ ACROSS AMERICA

Read Across America is a nation-wide program designed to inspire young readers. As a Literacy Advocate, Councilmember Zapf participated as a guest reader at the San Diego Central Library Celebration.

It was a blast celebrating Dr. Seuss' legacy and reading Hop on Pop with a very excited group of children.

## A NEW SEAWALL AT THE BOARDWALK

The iconic Mission Beach Boardwalk is home to the first segment of the \$4.5 million restoration project of the historic seawall. The wall is being constructed to be reminiscent of the original project constructed in the 1920s.

The Mayor and Councilmember Zapf review the newly constructed seawall.

## District 2 Pothole Patrol

Your Council District 2 staff has been hitting the streets and have identified over 200 service requests. A majority of the service requests are potholes, however, they also include sidewalk and curb repairs, storm water service requests, illegal dumping, alley way grading and general deteriorating infrastructure.

Every nine work days—City work crews will be filling potholes in Council District 2.

# Councilmember Zapf in the Community

Hey Batter Up! Congratulations to all the Little Leaguers and Girls Softball players in the district as you begin your season. I had so much fun celebrating the 60th year of "Hilltoppers Little League", I presented the league with a resolution declaring it Hilltoppers Little League Day in the City of San Diego. We also had fun hanging around with the famous San Diego Chicken!

## New Park for Point Loma

City parks are part of the reason why San Diego is a wonderful place to raise a family. I thank my Council colleagues for joining me in approving funding for a new pocket park at the end of Avenida de Portugal. It will give Peninsula families another place to take their kids, walk their dogs, or just enjoy.
