March 24, 2020: Daily COVID-19 News Update

Dear Community Members,

Thank you to all who emailed us with local eateries doing delivery and pick-up. My office has compiled a list of several local food options in District 1 into a Google spreadsheet for you to reference.

This will be a living document, so as we learn of new locations in the District or our options shift, we will update our information to reflect those changes and additions. You can continue submitting locations to mgaynor@sandiego.gov.

Additionally, we have also added informational tabs that contain all the resources we have distributed in our daily newsletters including:

- At-Risk Shopping Hours
- Economic Relief Resources
- Volunteer Opportunities
- COVID-19 Testing & Information
- Govn't Resources

Each tab will contain information relevant to that topic. You can find the tabs along the bottom of the spreadsheet.
