

DISTRICT 6 DISPATCH

CITY OF SAN DIEGO | MARCH 2017

CHRIS CATE

Chairmanship

On February 8th, I chaired my first Public Safety & Livable Neighborhoods Committee meeting. I will focus on improving police recruitment and retention, increasing community policing, ensuring quality police and fire/rescue services, and reducing homelessness throughout all neighborhoods in San Diego. I appointed Allen Young to be my Committee Consultant. Allen has been with my team since 2014, and has served as my Public Safety policy advisor since August 2015.

You Spoke, We Listened

On February 10th, I checked out the brand new stop sign at Parkdale Avenue and Tripoli Road in Mira Mesa. The residents thanked me for advocating for its installation.

Flu Shots

Thank you American Medical Response San Diego for hosting a FREE Flu Shot Clinic at the Clairemont Senior Center on February 15th.

The flu vaccine is one of the best ways to protect against influenza, and is recommended annually for everyone from the age of 6 months and older. You need to get vaccinated against the flu every year because vaccine protection lessens over time.

Charitable Giving

On February 16th, Jaguar San Diego donated \$3,000 to the San Diego Fire Rescue Foundation and \$3,000 to the San Diego Police Foundation! Jaguar San Diego, the newest member of the Shelly Automotive Group, is dedicated to earning your business again and again.

Eagle Scout

Congratulations to Jackson Madsen from Troop 1219. Jackson invited me to participate in his Eagle Scout Ceremony on February 19th. Eagle Scout is the highest achievement or rank attainable in the Boy Scouting program of the Boy Scouts of America.
