

DISTRICT 6 DISPATCH

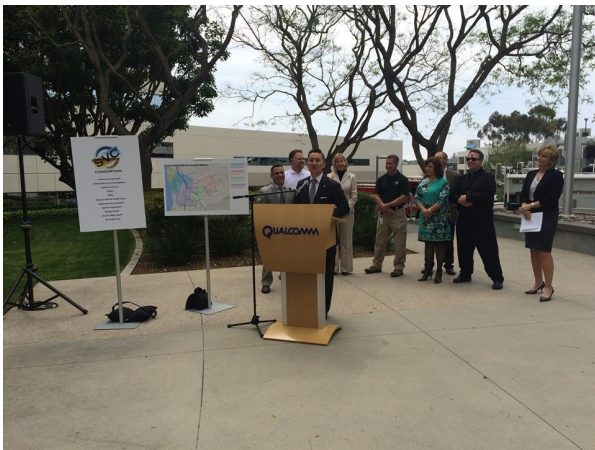

CITY OF SAN DIEGO | MAY 2016

CHRIS CATE

MASS EVACUATION PLAN

On Wednesday, April 6th, the City of San Diego's Office of Homeland Security, public safety personnel, myself, and half a dozen prominent business leaders unveiled a regional mass evacuation plan for the Sorrento Valley business community. This plan is a first-of-its-kind for the San Diego region. It will prepare businesses in the event of a local incident forcing a regional evacuation.

WELCOME TO DISTRICT 6!

On Saturday, April 16th, I stopped by the Sixth District's newest craft brewery, Mikkeller Brewing, and welcomed them to the neighborhood.

HOME-BASED BUSINESSES

On Friday, April 15th, I had the opportunity to speak with a room full of moms about legislation I introduced to help home-based businesses. The event was hosted by Moms Who Mean Biz. They educate, inspire, and empower women to build a successful business from their home by encouraging them to build value within themselves and their businesses through education, events, and networking.

CREEK TO BAY

On Saturday, April 23rd, we spent our morning picking up trash in Clairemont for the I Love a Clean San Diego's Annual Creek to Bay Cleanup.

CERTIFIED FARMERS MARKET

On Saturday, April 30th, Councilmember Mark Kersey and I cut the ribbon for San Diego's newest Certified Farmers Market in the heart of Rancho Peñasquitos. In addition to the ribbon cutting, Councilmember Kersey and I presented \$10,000 on behalf of the City of San Diego in support of the Farmers Market.

YOU ARE INVITED

The City of San Diego's Independent Budget Analyst (Andrea Tevlin) and I have teamed up to provide you with a "Sneak Peek" of Mayor Kevin Faulconer's FY2017 Proposed Budget. Prioritizing city services in an open, effective, and transparent manner will provide economic opportunity and safer and revitalized neighborhoods across San Diego.
