

THE CITY OF SAN DIEGO

TODD GLORIA
MAYOR

MEMORANDUM

DATE: December 17, 2021

TO: Honorable Council President Sean Elo-Rivera
Honorable Councilmembers

FROM: Mayor Todd Gloria 

SUBJECT: Appointments to the Mobility Board

It is my pleasure to appoint Michelle Krug to the Mobility Board as my appointee to a term ending February 1, 2023. I am also happy to appoint Stephanie Hernandez to the Mobility Board representing Council District 9 to a term ending February 1, 2023.

Ms. Krug is a dedicated community activist and disability advocate who is accomplished retiree spending over 30 years in the City of San Diego as a grade five wastewater operator. She has helped countless communities by participating in leadership positions for various organizations such as the California Alliance of Retired Americans, AFCSME, and Democrats for Disability Rights. Ms. Krug has also served on local boards such as the Voter Accessibility Advisory Committee for the Registrar of Voters and the Paradise Hills/Skyline Community Planning Group. Her life's goal is to continue assisting our city and improve the quality of life for all San Diegans.

Ms. Hernandez has spent years working with communities that have historically been excluded from planning and placed-making decision-making. Currently, she supports community members in their advocacy around transportation and environmental justice, providing a pivotal role in advancing mobility initiatives in our most impacted communities. Her expertise in transportation and community organizing, in addition to her relationships with the residents of District 9 and her background as young woman of color from an immigrant household, will make her a powerful and impactful asset to the board. I thank Council President Sean Elo-Rivera for this nomination.

I am confident these individuals will bring their valuable experiences to the Mobility Board and I thank them for their willingness to serve in this capacity.
