El Carmel Point & Santa Clara Point

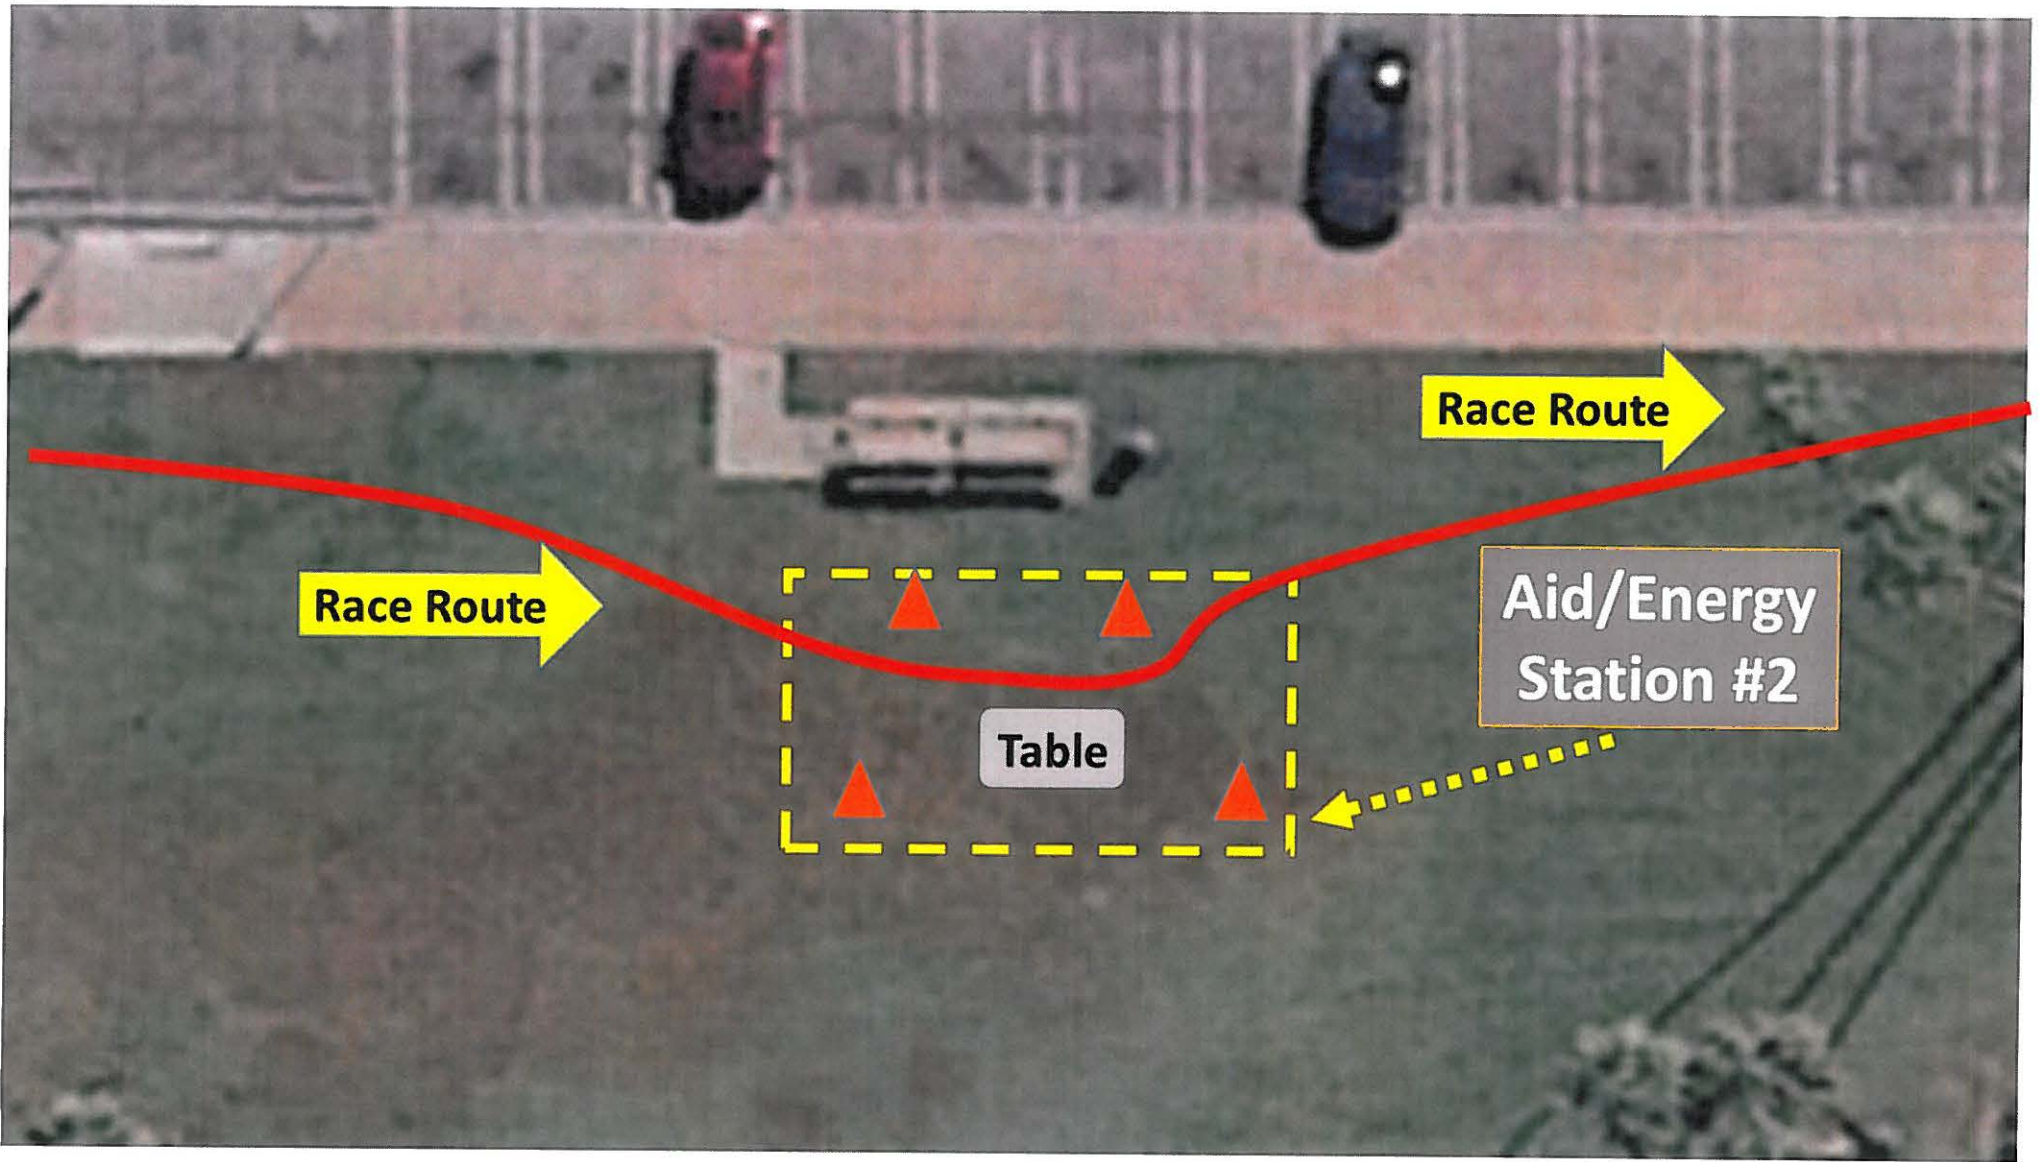

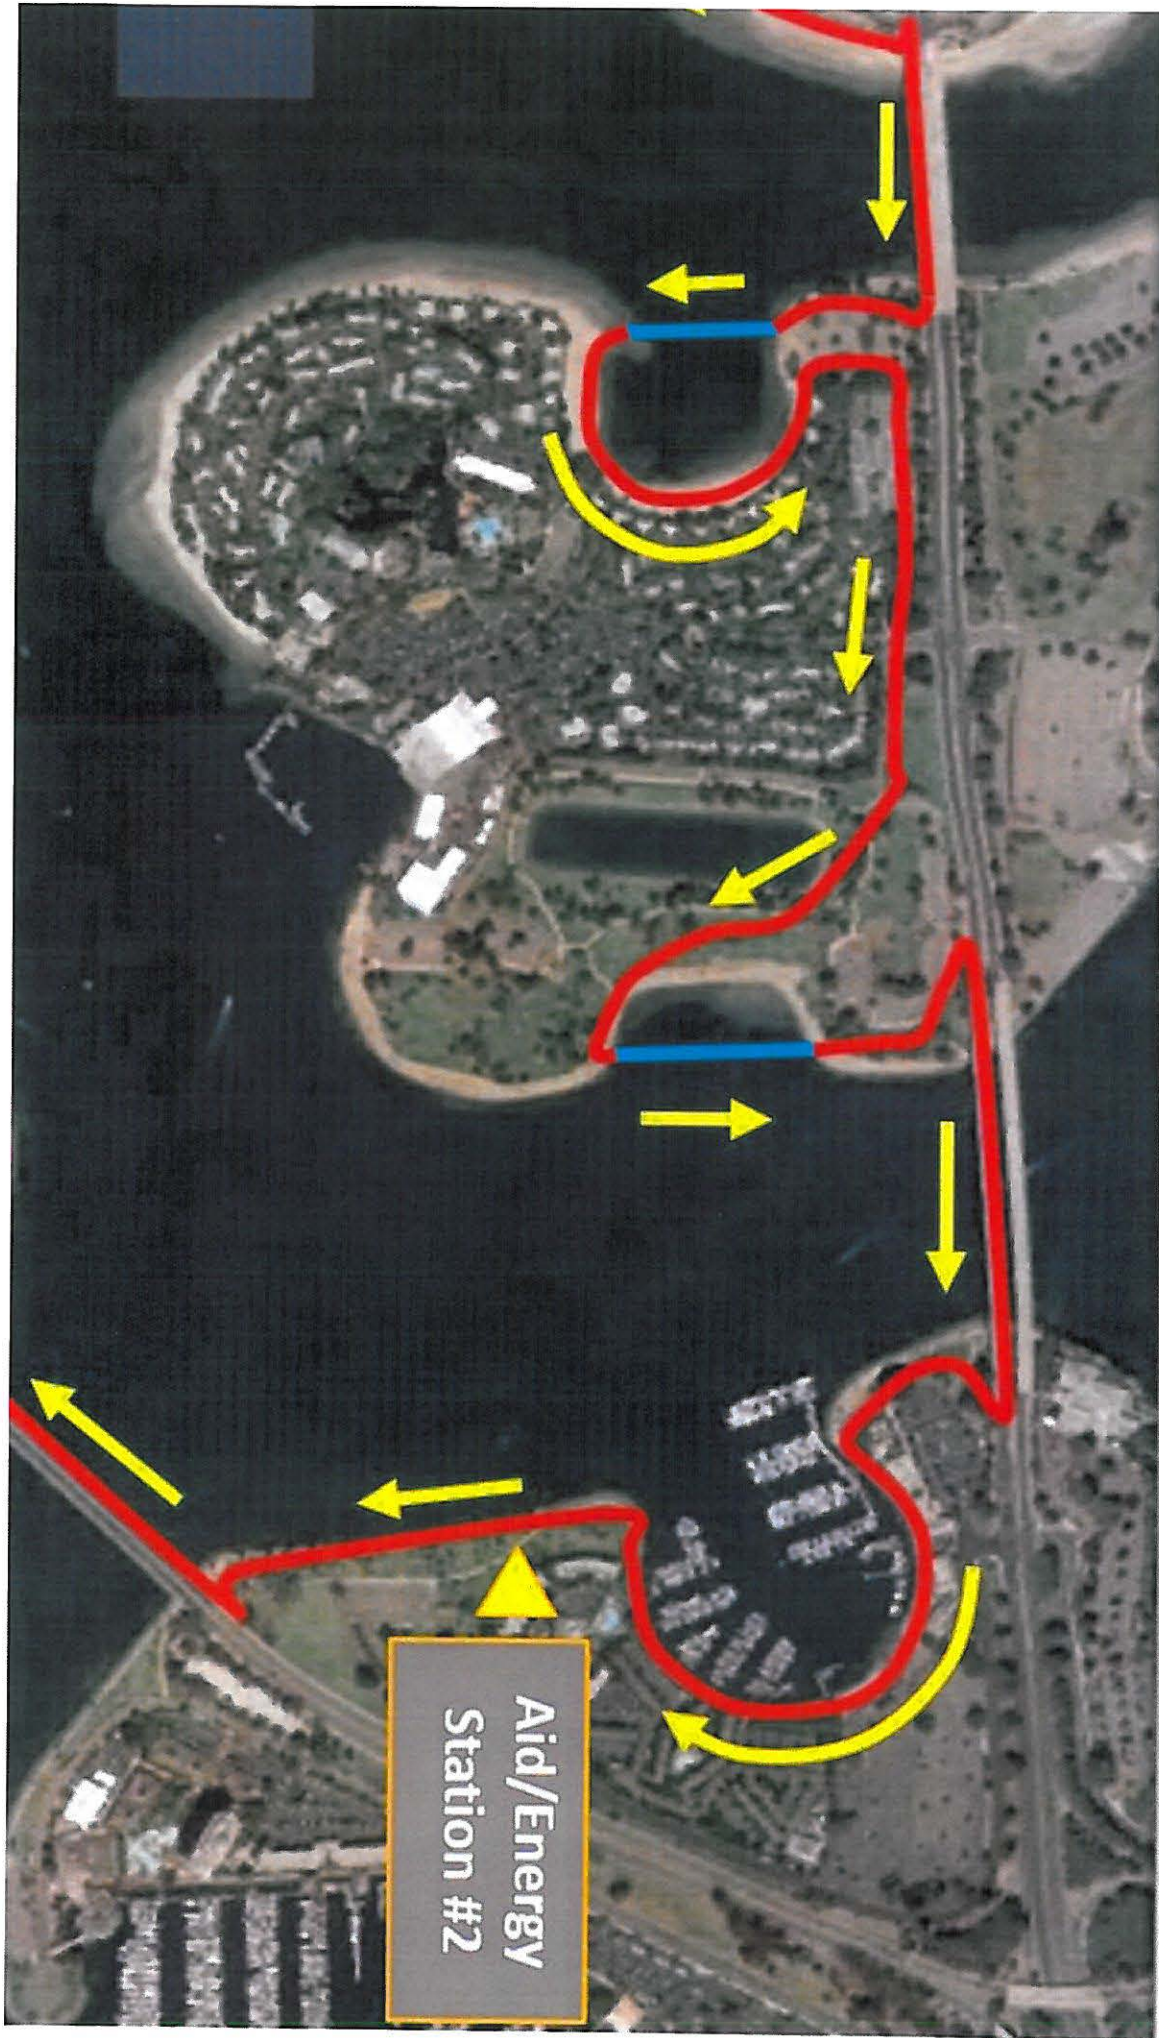

Aid/Energy
Station #1

This is a satellite map of a coastal region. A red line follows the coastline, separating a dark, possibly forested or undeveloped area from a densely built-up urban area. Three yellow arrows are overlaid on the map: one at the top right pointing towards the top right, one in the middle pointing towards the top left, and one at the bottom right pointing towards the bottom left. A small blue rectangular area is visible in the upper right corner of the dark region.
