The Buddy Bowl was founded in 1977 by a group of Pt. Loma High School graduates as a fun way to annually reunite friends who had a common interest in playing football. From 1977-1981, the Buddy Bowl was played on Kellogg Beach in Point Loma. From 1982-1996, it was played at Mariner's Point in Mission Bay. Since then, the Buddy Bowl has been played at MCB Camp Pendleton. In 2020, Buddy Bowl plans to return to its Mission Bay roots.

The Buddy Bowl benefits injured military veterans and first responders. A key focus of the Buddy Bowl is to bring military active duty, veterans and their families and the civilian community together. As fewer citizens choose to serve in the military and security protocols make military installation access for civilians increasingly restrictive, it is critical to ensure there remains a strong nexus between our military and the public. The Buddy Bowl provides an opportunity for our military, their families and the general public to interact in a friendly, substance-free athletic environment for a worthy cause. Additionally, the Buddy Bowl Provides our injured veterans an opportunity to participate in a healthy event where they feel comfortable interacting with others.
