- 1) Do you support the idea of having a distinct color theme for each smaller park within the larger Mission Bay Park? Yes ☐ No ☐
- 2) Would you prefer color coded landscaping near each sign within defined areas to reinforce the identity of the smaller park areas? Or do you prefer the use of a consistent landscape color palette throughout the whole of Mission Bay Park?

Landscape color themed by area ☐ Landscape consistent throughout Mission Bay ☐

*Please feel free to comment on any features of the signs or sign packages that you especially liked or disliked in either sign package (please note Sign Package A or B):*
