

## MEDIA IDENTIFICATION CARDS

To be eligible for a San Diego Police Department press pass and parking placard, an applicant must demonstrate a need to cross police and/or fire lines on a regular basis. When a media member presents a valid press pass and has a parking placard issued by the San Diego Police Department, he/she should be permitted to drive through police and/or fire lines, provided that public safety will not be jeopardized, and that investigations or operations by police or fire departments will not be hampered.

To request a press pass, visit  
[sandiego.gov/police/forms/forms](http://sandiego.gov/police/forms/forms)

## CRITICAL INCIDENTS

Disasters (earthquakes, flooding, etc.) and scenes of civil disobedience may be closed to the public pursuant to 409.5 P.C.; however, news media representatives are exempt from this restriction. As soon as a disaster has been identified and secured, authorized media shall be permitted free access to the area after being advised of any existing danger. They may not interfere with law enforcement or public safety functions.

Crime scenes are closed to the public and the media until any preservation and processing of evidence has been completed. 409.5 P.C. does not apply to crime scenes.

News media personnel have no right of access to private property greater than the general public and are subject to public access restrictions imposed by the owner or person in charge when a critical incident occurs on private property.

## MEDIA RELATIONS

All members of the department are encouraged to cooperate fully with authorized news media in providing information about the affairs of this department in which the public has a legitimate interest.

The Media Services Unit has the primary responsibility for the dissemination of information which includes: most department information that is not confidential and/or would not hamper an investigation or jeopardize the rights of anyone. This includes basic information about a crime or an arrest and any information that might result in public assistance in an investigation.
