

Planning Department

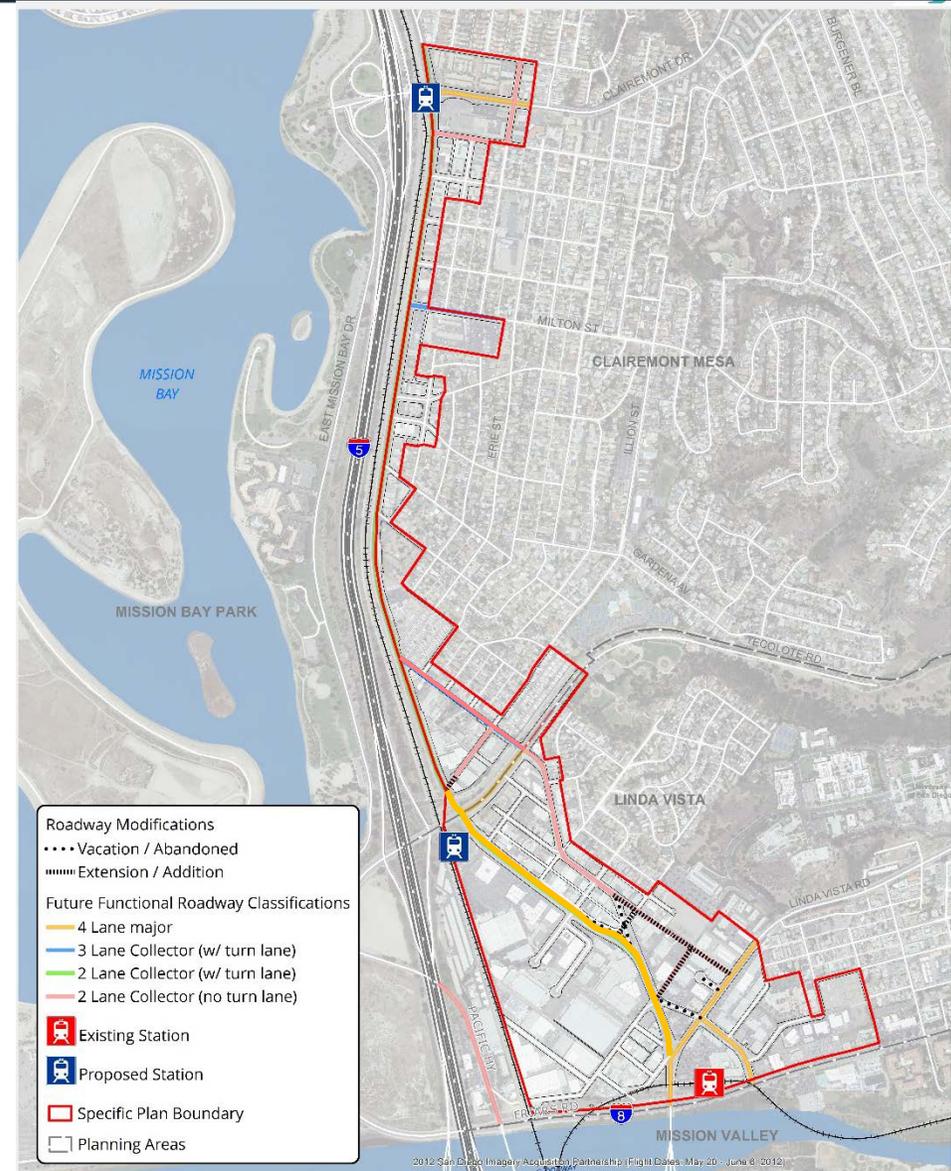

Morena Corridor Specific Plan Clairemont ad hoc Subcommittee

July 24, 2017

MOBILITY GOALS

- Promote multimodal community connections and access, to enable safe and attractive roadways for all users.
- Implement long-term roadway improvements including restoration of a grid-network through new roadways.
- Provide adequate parking for all new development.

Mobility Network New map of future roadway classifications

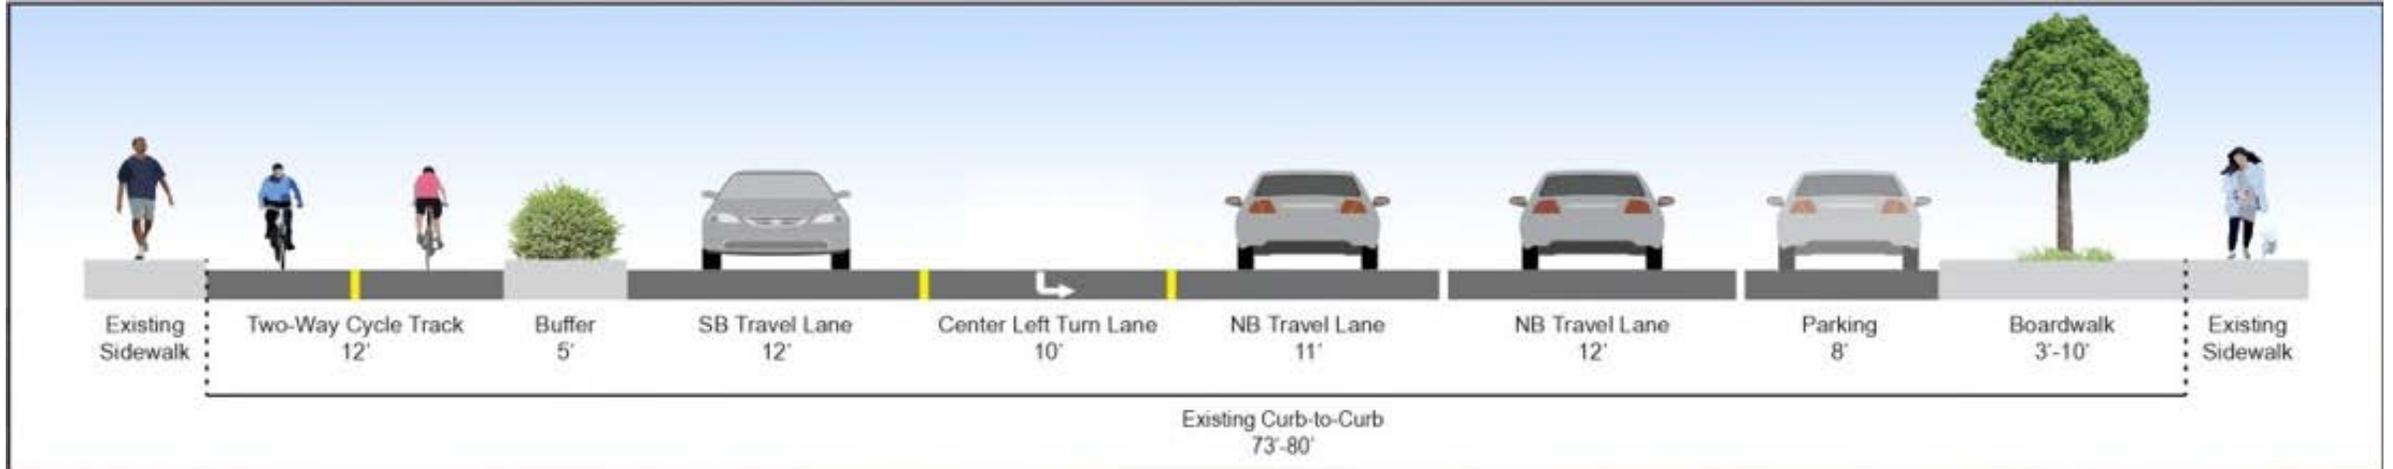

Morena Boulevard Existing Configuration - 4 lanes*

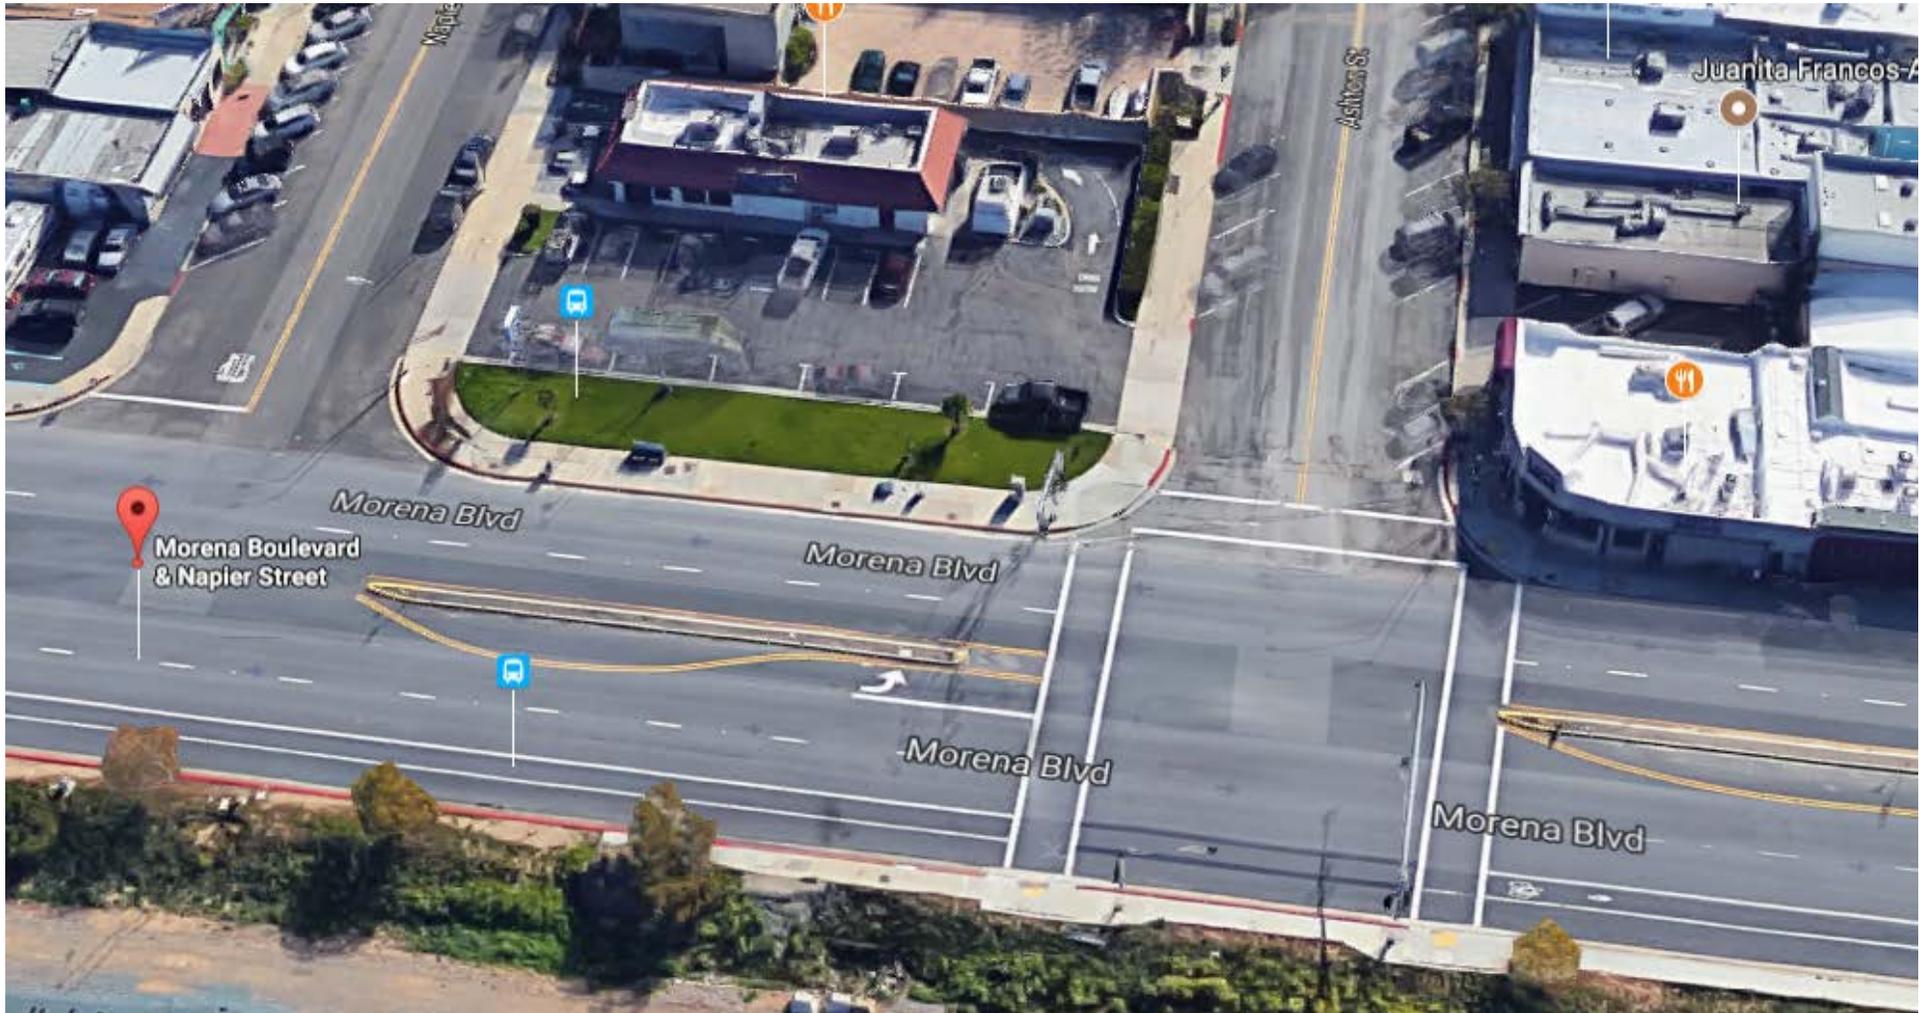

*Currently operating as a 3-lane road during trolley construction

Morena Boulevard – Proposed 3-lane Collector

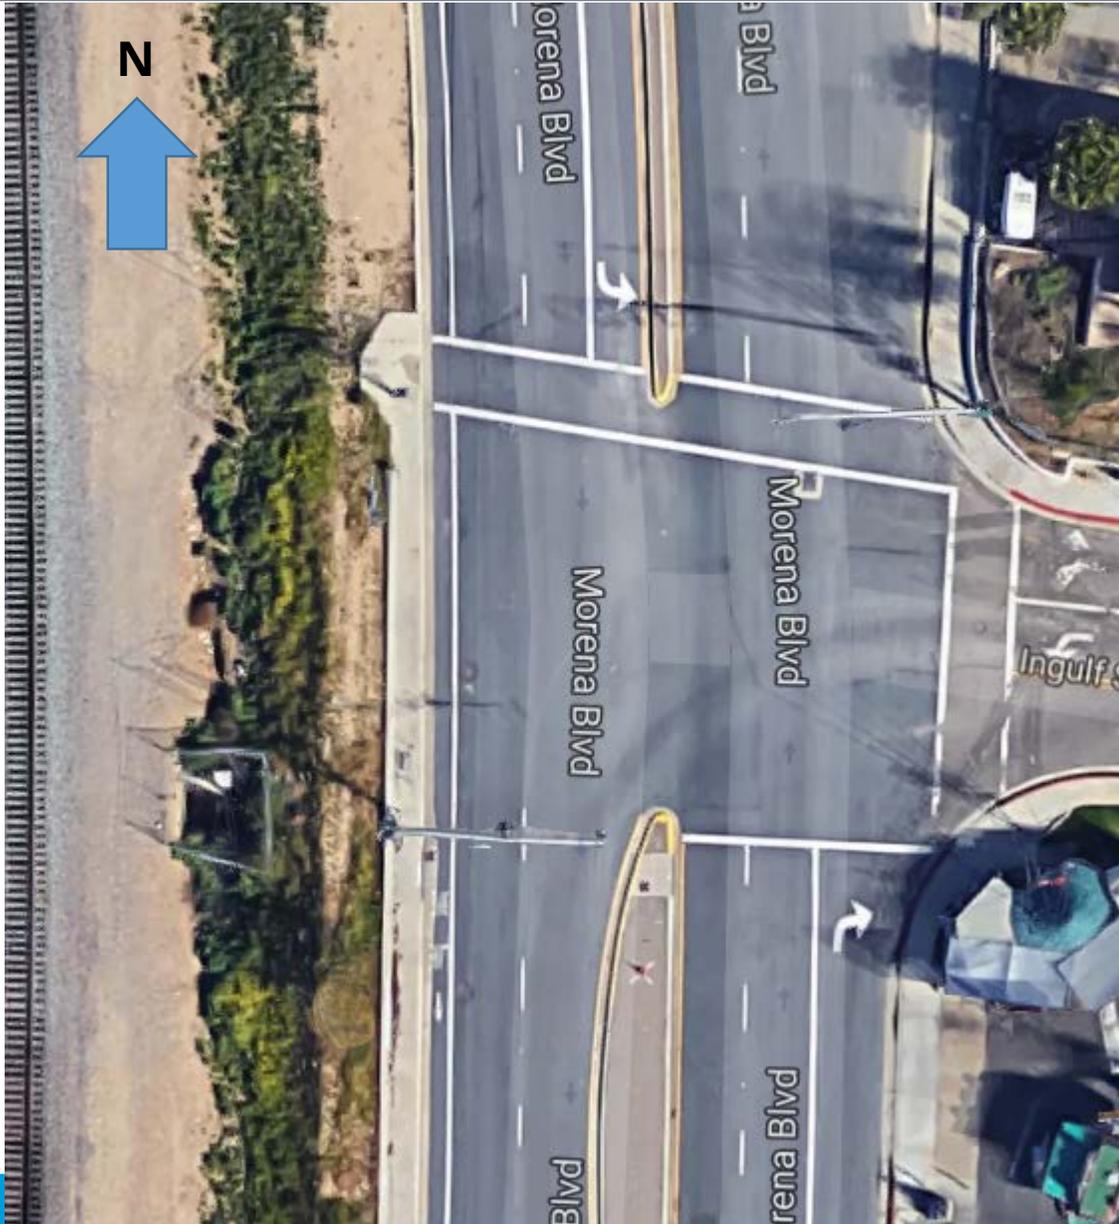

- Create a 2-way Cycle track on west side of Morena
- Allow for enhanced sidewalk consistent with community vision

Conceptual illustration

Morena Blvd in Clairemont

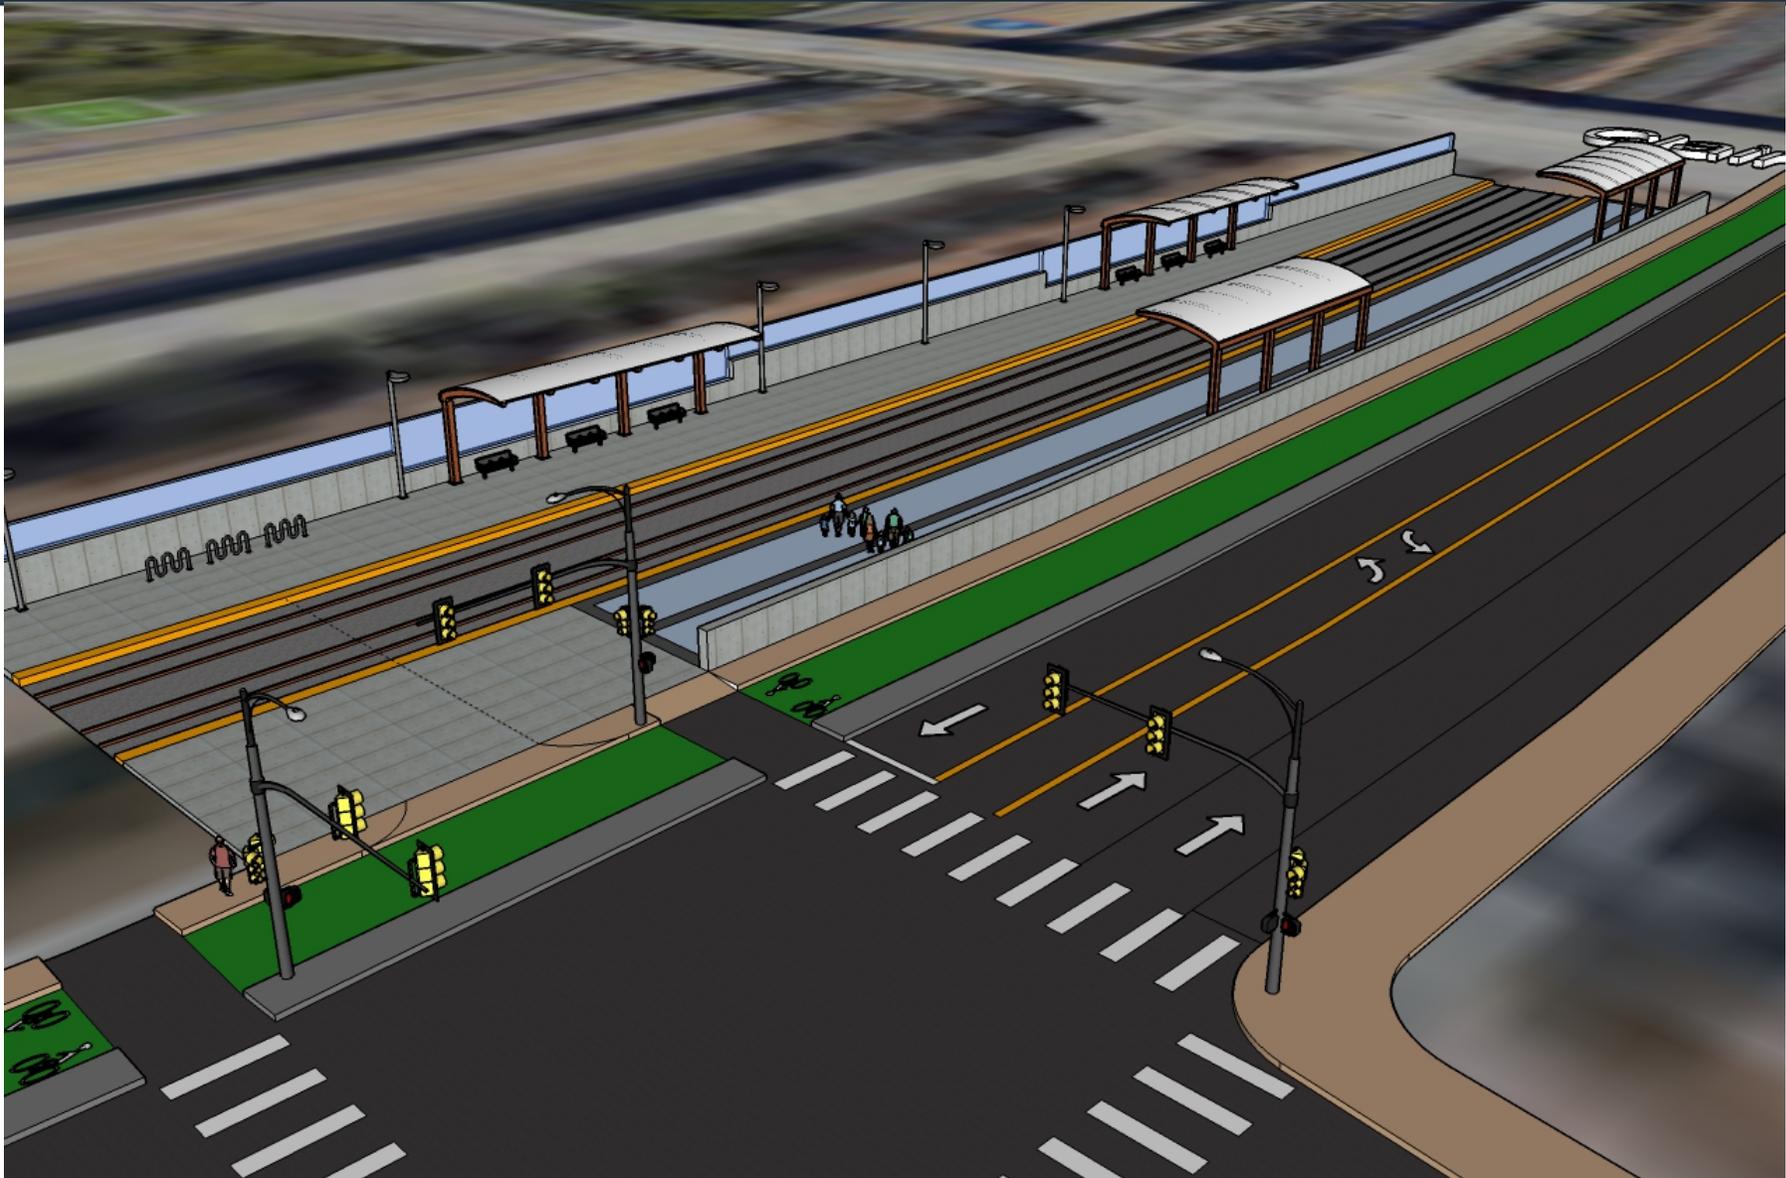

- Existing Conditions on Morena Blvd. at Ingulf St
- Site of the future Clairemont Drive Trolley Station

Conceptual
