M E M O R A N D U M

DATE: September 19, 2013
TO: Mark Hovey, CEO, SDCERS
FROM: Interim Mayor Todd Gloria *Todd Gloria*
SUBJECT: Appointment to the San Diego City Employees' Retirement System Board of Administration

It is my pleasure to appoint Natasha Collura as the Mayoral designee on the San Diego City Employees' Retirement System (SDCERS) Board of Administration, effective immediately.

Ms. Collura currently serves as the Director of Strategic Partnerships for the City of San Diego. Since taking that position in March 2011, she has negotiated and implemented several new multi-year partnerships that have generated millions of dollars in additional revenue for the City. Her demonstrated ability to strengthen the financial footing of the City and her understanding of complex business arrangements will benefit the Board and all SDCERS members.

I am confident that with her energy, proven strategic planning skills, and leadership, Ms. Collura will be an immediate asset and excellent representative.
