**SUBJECT:** Appointment to the San Diego County Water Authority

It is my pleasure to nominate Public Utilities Department Director Halla Razak to the City of San Diego's vacant seat on the San Diego County Water Authority. The City has been without a representative to the Water Authority since June 13, 2013.

As our Public Utilities Director and as a former staff member for the Water Authority, Ms. Razak is well qualified to represent the City in this post.

Ms. Razak is our top expert in the city of San Diego on water issues and she will provide the invaluable insight and experience necessary to make sure we are well represented on the San Diego County Water Authority Board.
