SUBJECT: Appointments to the Civil Service Commission

It is my pleasure to appoint Mr. Gregory Stein and Ms. Jeannie Foulkrod to the Civil Service Commission.

Mr. Stein is a serial entrepreneur, executive, and crisis manager with more than 20 years of experience in private, public and non-profit entities. He currently serves as Senior Director of Strategic and Community Affairs for Millennium Laboratories where he reports directly to the President in the development and execution of strategic initiatives on behalf of the company's more than 1,400 employees. He was elected to the University City Planning Group, served on the boards of San Diego Youth and Community Services, and the San Diego Chapter of the American Jewish Committee. He is Chairman of the Board of the San Diego County Taxpayers Association, and was Chairman of both the Transportation and Technology Committees of the San Diego Regional Chamber of Commerce. He served on the Center City Development Corporation Financial Peer Review Committee investigating the financial analysis for the proposed City Hall Redevelopment Plan.

Ms. Jeannie Foulkrod is a financial professional with over 25 years of experience and has lived almost her entire life in San Diego. Since graduating from San Diego State University with a B.S. in finance, she has worked at prominent companies in San Diego county, working her way up from internal auditor at Jack in the Box to her current position of manager at Intuit. Ms. Foulkrod is active in the community. She has served on the Rancho Bernardo Planning Board, sat on the steering committees of two outreach organizations that educate the community on different issues and topics that affect them directly, as well as organizes other events that benefit community members.

I look forward to working with Mr. Stein and Ms. Foulkrod and am confident they will each bring valuable experience and expertise to the Civil Service Commission.
