SUBJECT: Nomination to the Bicycle Advisory Committee

It is my pleasure to nominate Michael Brennan for appointment to the Bicycle Advisory Committee.

Mr. Brennan is a landscape architect, active community member, and bicycle advocate who will bring his grasp of planning and design to the committee. As a Principal Landscape Architect at Carson Douglas Landscape Architecture, Mr. Brennan provides a full spectrum of design development through construction administration services to a diverse range of clients with a focus on strategies of sustainability. His client portfolio includes hotel design, high end residential, LEED projects, special event site design, and public projects.

Mr. Brennan is a Board Member of the Hillcrest Business Association and the Uptown Community Parking District where he gains a firsthand understanding of the challenges and opportunities related to mobility and parking in our community. I ask that you appoint Mr. Brennan and join me in acknowledging him for his willingness to give his time and expertise to serve the City of San Diego in this capacity.
