

Which parks do you visit monthly in the University Community?

Nobel Athletic Area

Doyle Community Park

Standley Community Park

University Village Neighborhood Park

University Gardens Neighborhood Park

Marcy Neighborhood Park

Weiss Mandell Eastgate Neighborhood Park

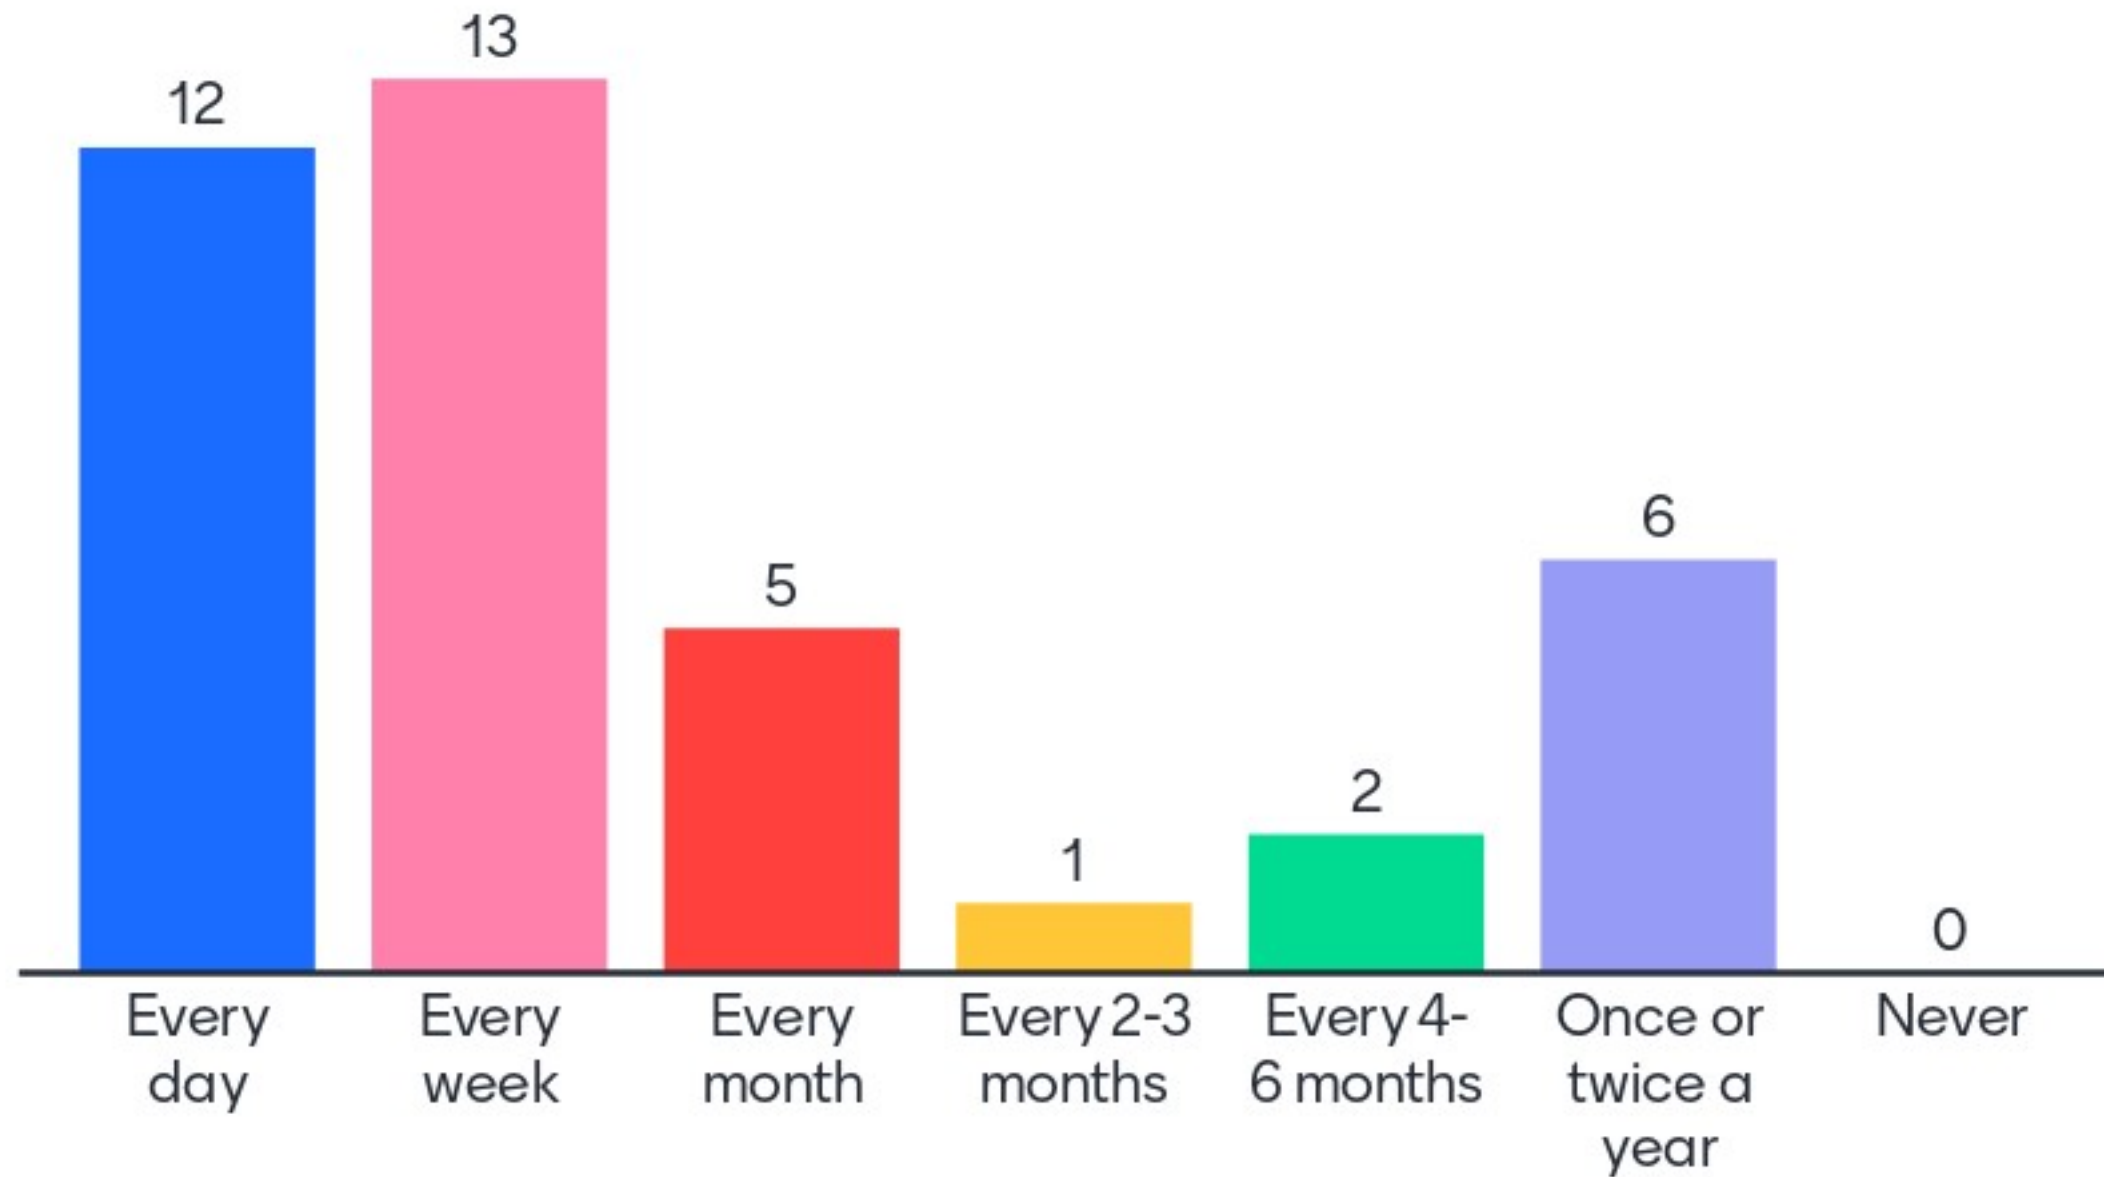

Villa La Jolla Neighborhood Park

Eastgate Mini Parks

How often do you visit the University Community park system?

What do you like most about Nobel Athletic Area?

Spacious

playground for kids

Lots of open space. No boundaries.

I only visit the library.

Large area that has multiple uses, fields, courts, structures, picnic, coverings

Integrating library, playgrounds, and dog parks.

Dog park with plenty of parking

Multi use park catering to various users

large space; beautiful playground

What do you like most about Nobel Athletic Area?

The multi-use spaces which allow for a wide variety of activities.

The large amount of recreational space

Little kid play area
Sidewalk loops

Large open space!

combination of library, athletic fields, rec center in one place.

The library and a walking path in one location. I love the native trees and was very disappointed when the were removed from some sections of the path around the ball fields.

It is a great place for the community to use for sports, dog park, etc

Proximity to the library

The combination of the open space next to the community library

What do you like most about Nobel Athletic Area?

The size

Right next to library. BUT needs restrooms open 7 days a week for sufficient time.

Works for a wide range of ages/uses. The playground is fun and the open areas are flexible. Loop around north end is a great place to learn to ride a bike.

I haven't been there

Soccer

Large Area, Library

Possibility of playing soccer games in the park.

Large fields and play areas

Rec Center, open field, parking

What do you like most about Nobel Athletic Area?

the play fields - youth soccer, places for birthdays, access to library after time in the park, bathrooms, playground for kids,

balance beam and other exercise equipment and the wide variety of uses.

Red Center and open spaces to play and walk

Mixed public services - Library, community center and playgrounds

Defined enough without too much limitation.

Multiuse athlete fields, shared use with library, good pedestrian access on one side, good parking, available to adjacent employment center.

Green space that takes me back to nature

The library and meeting facility opportunities are good with parking available for residents.

path from upper to lower level for walking path-joggin

What would you like to see in Nobel Athletic Area?

Convert parking to play areas

Tennis courts.

More trees

more gathering space with shade structures

upgraded facilities. Enhancements to existing set up

Fewer cell phone towers

Native trees and plants, maybe a border.

One way walking paths with separate bike paths.

Keep as is

What would you like to see in Nobel Athletic Area?

Maybe some native trees like Coast Live Oak.

dedicated jogging path, shade, trees

Better bathroom access.

Better parking on the east end

More intimate sized spaces for outdoor community events.

More shade along boundaries of the athletic areas.

Public tennis court
Soccer field
Basket

A continuous jogging path around the perimeter

More trees in grassy areas (CAP)

What would you like to see in Nobel Athletic Area?

Enhanced evening lighting

Urban design features

Bathroom access in the building 7 days a week for sufficient time. Info board providing directions to other nearby parks and open spaces in the area.

More connectivity through Renaissance La Jolla to allow non-residential users to legally use the walk ways away from traffic.

movie night and concerts

Leave it expansive and open feeling. No commercial encroachment

I like it the way it is

make it an outdoor space for fitness activities.
maybe add workout machines.

food and flower garden

What would you like to see in Nobel Athletic Area?

Trees to block wind. It can be super windy on the big field.

It would be great to see licenses for concessions to attract more people. Food sales would be great (walking catering carts).

more shade trees (native Oaks?) better connection to La Jolla Crossroads cmty to the north,

Continuous path around the park. Dog park

More use of indoor space for residents. Additional areas for outdoor picnics.

What do you like most about Doyle Community Park?

I don't go there

connection to school and dog park

Easy access.

Fun for kids

Location.

location

accessibility

Open green space

Great play structures. Dog park

What do you like most about Doyle Community Park?

accessibility

Open area, tot lot

Sidewalk around the perimeter; playground

Small child play area

Accessible to many residents

Playground and picnic table for little kids and playing fields

Walking distance to relatively dense housing.

green space is great, with connections on east and west sides of park.

Accessibility from multiple points

What do you like most about Doyle Community Park?

Substantial size park which is good. Community rooms available would be good. Concerned about all of the cellular towers in that park.

Multipurpose field promote recreational activities, parking is limited to periphery.

Free recreation

That you can use it to move through the community.

Proximity to residential and grocery

Location and accessibility

The large size

Child freindly

Soccer! tai chi, dogs and their owners, long afternoons with my teammates under a shade tree, all the people of UC sharing space, bathrooms, big green space

What do you like most about Doyle Community Park?

Location. Close to school.

edible garden

Shared use with two schools, central to community, tributary canyons provide limited access to San Clemente Canyon

One way walking paths to enhance social distancing

Play structure

Shade trees along walking path. More trees in dog park

What would you like to see in Doyle Community Park?

No more cell towers

Preserve the green space

Improved parking on the west side. Add parking to the east side.

More native trees.

traffic control on Regents Road: the traffic moves too fast

Gazebo

More native trees in the passive recreation areas

Community rooms available (ones existing are always taken by regular events)

Swimming pool for community

What would you like to see in Doyle Community Park?

more trees

More shade in park areas.

Reduce cell towers next to school side

More trees especially on east side.

Natural open space that would attract wildlife for viewing by school kids; a recycling water feature

more grass & better irrigation

Relocate the planned pool to the east side

Additional trees and plants

Haven't been there in a while, but I remember the playground being pretty worn out. Might need a refresh.

What would you like to see in Doyle Community Park?

better access for walking dogs, more trees

License food sales on weekends, community concerts, art shows. More larger trees, shaded / wooded areas.

Better maintenance

Make sure children's play structure and is safe and first class in quality.

Surrounded by residential providing easy access, multi-use athletic fields, parking.

one way paths

better connections to the surrounding communities, better bathroom maintenance, more trees, just open areas to create our own play - whoever we are

more shade

New updated play structure
Dog park
Running trail
Exercise equipment

What would you like to see in Doyle Community Park?

Adjacency to more natural canyon

Similar to it is - good for families with young kids and sports fields

What do you like most about Standley Community Park?

Pool

The concerts in the summer.

Better trail down to San Clemente Canyon.

Diversity of sports activities.

ability to hold community events -- this park has he space.

It's the heart of our community

multifacited recreational opportunities.

Access to the canyon, pool. Ease of access for students to the amenities.

Pool

What do you like most about Standley Community Park?

Access to the canyon trail

Haven't been there

swimming area, baseball fields. open space

Amazing tennis facilities. Some parking. Proximity to schools.
Old fashioned pool facility.

Horse shoe pit

adjacent to a largish open space

the kids, the dogs, the year round events, the Heart of UC!
meeting my friends, the trail down the back, the soccer
games, Cricket on Sunday!, the playground equipment, the
rec center, the pool!, the lights for soccer and other sports in
the winter

play equipment for younger children

Great place for kid birthday parties. Pergola, open area, and
playground is a nice combo.

What do you like most about Standley Community Park?

Size. Connection to Marian Bear.

Community events - the pool - the joint use with SD school district; potential for walking trails.

Rec center is heavily utilized. Newish gazebo is great. Can't wait for the vision 2020 aquatic center

Nature trail down to Syracuse Street from this great family park.

Community central, UC community activities, baseball,

Water fountain to allow water play

Sitting area under shade structure or trees

Dedicate a parking area to food trucks and sell permits to generate revenue to upkeep the park.

What would you like to see in Standley Community Park?

Fine as is.

More trees

Dog park

IMproved trail down to the canyon - it is pretty beat up.

Updated rec center

Keep the pool open all year.

It's great as it is.

handicapped path

Safe bike path for kids to get there on there own

What would you like to see in Standley Community Park?

Make the public park available to the public, not private entities. (tennis courts)

Community garden

Renovated community center with air conditioning and structurally improved to be a shelter

Nice as it is

Enforce the speed limits on Governor Drive in front of the park.

bleachers for baseball fields, lights, additional parking, shade,

More educational materials on the canyon like Kiosks and plaques.

Forbid duplication of another swimming pool. we don't need two pools. Pools are expensive to maintain. Add more recreational area by expanding southwest area

Dog park area

What would you like to see in Standley Community Park?

gathering spaces for persons of all ages and abilities. walls to sit similar to what is available at University Village; shade structure

access to open space and baseball field

the trees, open space, grass, playfields preserved and prioritized for structured and unstructured play... not too much more "stuff" after we've got the great updates from UC2020 finished.

Extend to include natural areas

Refurbished facilities, bleachers for play field, new child play structure of finest quality, indoor use of for meetings

More trees

What do you like most about University Gardens Neighborhood Park?

great for athletics

Open green space and canyon views

It's got bathrooms

Didn't know about it until now.

Vast athletic opportunities.

walking path, baseball fields, play structure, bathrooms,
birds

Open area

Canyon adjacent

.

What do you like most about University Gardens Neighborhood Park?

More marked trail heads to the open space and educational information on impacts to open space.	Never been there	Dinosaurs.
Great park to hang out in. Rock structure in playground is awesome	Green space	Children's playground
I haven't toured the park.	nice fields; open space with playground. lots of use here. provides rental income to parks system	Walking distance to nearby neighborhoods. Playground plus open area is fun.

What do you like most about University Gardens Neighborhood Park?

play area for children of different ages

Large athletic field, parking. Needs integration with adjacent open space and safer access to the park from nearby residents and business park

Dinosaur Park! soccer! the pterodactyls! the unprogrammed green space, the moveable barriers, goals, etc for different sports, the parking, the bathrooms, the trees and shade along Governor. The views over the adjacent open space!

dog park

Running trailExercise equipment

Good place for community events. Sports activities.

What would you like to see in University Gardens Neighborhood Park?

NA

More parking

better lighting for park area

Extend it into the canyon and incorporate wild areas

Realign playfields to optimize for greater use of turf area.
Purchase water utilities land around the north and east sides and make mountain bike park

exercise stations for runners

dog park is the number one request ... more parking for events.

More shade trees and picnic tables

More parking

What would you like to see in University Gardens Neighborhood Park?

More interpretative education opportunities on the plants and animals that live in the open space adjacent

Desperately needed Off leash dog run area. It's the only UC park that can handle it

Link with adjacent open space.

a way to make pedestrian access safer

parking flag pole shade jogging trail

take advantage of the views - vista points bring more of the native trees into the park, stairs or trails into the adjoining Open Space, which should be added to the Park in this plan update!

better connection to walking

Unique

What would you like to see in University Gardens Neighborhood Park?

open space

What do you like most about University Village Neighborhood Park?

Never been there

Better trail down to Rose Canyon

Trees! Vista, Tor lot, openness

Open green space

is not built up

fun for kids

play structure, trash/recycle cans,

Memorial trees!

I don't know where this park is.

What do you like most about University Village Neighborhood Park?

open space

Dedicate the Park Space.

Little tots

where is it

Tot lot

Multi-use activities

Dog area

The views, the bluebirds, the Insect nights with Friends of Rose Canyon, the tot lot, the access to the trail into Rose Canyon, the community feel. The trees.

Open space

What do you like most about University Village Neighborhood Park?

Easy way to get in open area in the neighborhood.

Hidden treasure ... truly a neighborhood park. A gathering space for young families. This is a beautiful and lovely model.

Children's playground

dog park and access to canyon

Keep as is

What would you like to see in University Village Neighborhood Park?

Preserve as is

Native plant garden

Safer Rose Canyon access

DOG PARK (on lower area)

Good as is

nice as is

Great park

Consider fenced off dog area.

More picnic tables

What would you like to see in University Village Neighborhood Park?

interpretive signs regarding wildlife to see

Better signage explaining memorial trees for crash victims

Preserve as is

Level the area north of the tot log for enhanced recreation activities. Use the east lower side for dog off leash area. DO NOT PLACE A DOG OFF LEASH AREA AT THE GARDENS

Love it. Better access to rose canyon

Defer to the neighborhood

access signs for easy to find

Don't do too much brush clearing.

Dog park

What would you like to see in University Village Neighborhood Park?

Take advantage of the vistas - Mt Palomar and Rose Canyon, better trail access. Native trees. Good shade. Save the grass for unstructured play. Families on blankets!

What do you like most about Marcy Neighborhood Park?

Sunsets

open space

Location. And really big and open.

Canyon views.

beautiful view to the west; love the path.

The cool ocean breeze on the west end

The wildness, back to nature feel

Trees in park → nesting horned owls.

Trees, open green space and new trees. Needs new play structure

What do you like most about Marcy Neighborhood Park?

good topography, different than other parks

Location

path, view, ease of access

I haven't been to this park.

connection to open space

Really, really needs to have a dog area rather than a small child lot and a bigger child area. More dogs than kids in West end of South UC.

trees, and access to open space

Love it. Switched from Nobel Athletic Park to Marcy for better distancing.

The open green grass and the views - I moved to UC because of Marcy Park. I first played soccer with my son there. The many neighbors, the dog people, the playground, the water fountains, the new trees - thanks UCCF.

What do you like most about Marcy Neighborhood Park?

Great locationNew equipment

I defer to the neighborhood

Keep open and wild

What would you like to see in Marcy Neighborhood Park?

More trees for shade

More trees

Off leash dog park

OK as is

Maybe fewer dogs. More Native Trees.

open dog run area.

bathrooms, picnic areas, dedicated dog park

Improvement and updating children's play equipment

Wildlife interpretation. sitting area

What would you like to see in Marcy Neighborhood Park?

ADA access; renovate existing young child structure and add new play structure

a way to slow traffic, almost had my door ripped off by a car

Newer playground equipment.

better play structures

Shade trees or gazebo structure More trees or gazebo

It's really great as it is. Save the openness and the grass. Benches to take in the views out into Rose Canyon.

Greater attention to maintenance especially the tot lot needs an upgrade!!! GREAT AREA FOR DOG PARK!!

along the side by the school there could be a sectioned off part from front to back canyon section for dogs

Exercise trail and better play structures

What do you like most about Weiss Mandell Eastgate Neighborhood Park?

I have never seen it

Green space

the seclusion

Centrally located.

where is it

where is it

Didn't know it was there until Plan Update

don't know ... never visited

Great park next to jcc

What do you like most about Weiss Mandell Eastgate Neighborhood Park?

I always thought it was part of the Jewish community center

I don't think of it as a park but I go more for the activities

Good location More. Swings Dog park

It is in our busiest community. People come here to play and breath from our densest neighborhoods. The amazing facilities of the JCC.

Signage pointing out entrance to park

Shared with JCC, adjacent to La Jolla Country Day School, which has its own open space, near UCSD grad student housing proximate to center of North UC

What would you like to see in Weiss Mandell Eastgate Neighborhood Park?

sorry ... have not visited ...

dog run area

More trees for shade

Good as is

.

Add an enhanced small baseball field for smaller kids with area for parents to watch.

Never know they were there

Better connection to surrounding community; public art/sculpture

Where is the slide?

What would you like to see in Weiss Mandell Eastgate Neighborhood Park?

Maybe it needs to advertise itself better.

Playground

More connectivity to the surrounding communities - take down the fences. Closed gates facing UCSD send a message. We should send a different one by opening this park up. Make it easy to move through the community.

Ok but generally too small and too close to noise

What do you like most about the Eastgate Mini Parks?

Their existence

Never been

Sorry ... have not visited ...

not familiar

Never been

never visited

Lovely parks that break up the city feel

access to canyons. very important to maintain access

Nice to have some green space in business area

What do you like most about the Eastgate Mini Parks?

Views of open space.

Too close to road for relaxation

Park #2 seems a bit of a joke on the community with the molded concrete mounds... Nice shade and seating. Number 1 is an opportunity waiting to seize... views, shade, peace. It needs native landscaping.

Great parks, but used for illegal activity at night
