Emergency Dental Care

Emergency Dental Care means dental screening, examination, and evaluation by a Dentist, or, to the extent permitted by applicable law, by appropriate personnel under the supervision of a Dentist to determine if an Emergency Dental Condition exists, and, if it does, the care and treatment necessary to relieve or eliminate the Emergency Dental Condition.

All Selected General Dental Offices provide treatment for Emergency Dental Conditions twenty-four (24) hours a day, seven (7) days a week and We encourage You or Your dependent to seek care from Your Selected General Dental Office. If treatment for an Emergency Dental Condition is required, You or Your dependent may go to any dental provider, go to the closest emergency room, or call 911 for assistance, as necessary. Prior authorization is not required.

Your reimbursement from Us for treatment for an Emergency Dental Condition, if any, is limited to the extent the treatment You or Your dependent received directly relates to the evaluation and stabilization of the Emergency Dental Condition. All reimbursements will be allocated in accordance with the group contract, subject to any exclusions and limitations. Hospital charges and/or other charges for care received at any hospital or outpatient care facility are not Covered Services.

If You or Your dependent receive treatment for an Emergency Dental Condition, You will be required to pay the charges to the Dentist and submit a claim to Us for a benefits determination. If You or Your dependent seek treatment for an Emergency Dental Condition from a provider located more than fifty (50) miles away

from Your or Your dependent's Selected General Dentist, You or Your dependent will receive coverage for the treatment of the Emergency Dental Condition up to a maximum of fifty dollars (\$50).

To be reimbursed for treatment of an Emergency Dental Condition, You must notify Us after receiving such treatment. If You or Your dependent's physical condition does not permit such notification, You must make the notification as soon as it is reasonably possible to do so. Please include your name, ID number of the person who received treatment, address and telephone number on all requests for reimbursement.

If You or Your dependent do not have an Emergency Dental Condition and a delay in receiving treatment would not be detrimental to Your or Your dependent's health, please contact Your or Your dependent's Selected General Dental Office or Our Customer Service Department at (800) 880-1800 to make reasonable arrangements for Your or Your dependent's care.
