Architectural Reconnaissance

P11. Report Citation: (cite survey report/other sources or "none")

*Required Information
**Resource Name or #:** 4349 Marlborough Avenue, APN 454-734-09

1. **Historic Name:**

2. **Common Name:**

3. **Original Use:**

4. **Present Use:** (Sfr)

**Architectural Style:** California Bungalow

**Construction History:** (Construction date, alterations, and date of alterations.)

Was the date of construction estimated from the field survey. Real estate data from TRW-Experian, based on Assessor’s information, indicates that [19]1924 was the date of construction, with effective improvements dating from [19]1925.

**Moved?** No

**Original Location:**

**Related Features:**

**Significance:** Theme: Architecture  Property Type: Area: San Diego  Applicable Criteria: N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This resource was identified as contributing to the contextual physical characteristics of an area by the Historical Greater Mid-City San Diego Preservation Strategy survey, but is not within a defined district. The resource should be considered worthy of note, or has been recorded because it is more than 50 years old.
