B1. Historic Name: _____

B2. Common Name: _____

B3. Original Use: Residential SF

B4. Present Use: R--Residential (Single Family)

*B5. Architectural Style: Queen Anne

*B6. Construction History: (Construction date, alterations, and date of alterations.)

1880's was the date of construction estimated from the field survey.

*B7. Moved? ☐ No ☐ Yes ☒ Unknown Date: _____ Original Location: _____

*B8. Related Features: _____

B9a. Architect: _____

b. Builder: _____

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance 1880's

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.

B11. Additional Resource Attributes: (List attributes and codes) _____

Resource Name or #: 2908 Juniper Street, APN 539-091-04

B1. Historic Name: _____

B2. Common Name: _____

B3. Original Use: _____

B4. Present Use: (SFR)

*B5. Architectural Style: California Bungalow

*B6. Construction History: (Construction date, alterations, and date of alterations.)

was the date of construction estimated from the field survey. Real estate data from TRW-Experian, based on Assessor's information, indicates that [19]24 was the date of construction, with effective improvements dating from [19]35.

*B7. Moved? ☐ No ☐ Yes ☒ Unknown Date: _____ Original Location: _____

*B8. Related Features:

Related features on the property include a detached garage.

B9a. Architect: _____

b. Builder: _____

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance _____

Property Type _____

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This resource was identified as contributing to the contextual physical characteristics of an area by the Historical Greater Mid-City San Diego Preservation Strategy survey, but is not within a defined district. The resource should be considered worthy of note, or has been recorded because it is more than 50 years old.

B11. Additional Resource Attributes: (List attributes and codes) _____

*B5. Architectural Style: Craftsman

*B6. Construction History: (Construction date, alterations, and date of alterations.)

1910's was the date of construction estimated from the field survey. Real estate data from TRW-Experian, based on Assessor's information, indicates that [19]40 was the date of construction, with effective improvements dating from [19]40.

*B7. Moved? ☐ No ☐ Yes ☒ Unknown Date: _____ Original Location: _____

*B8. Related Features: _____

B9a. Architect: _____

b. Builder: _____

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance 1910's

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance 1910's

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.

B11. Additional Resource Attributes: (List attributes and codes) _____

B4. Present Use: R-Residential (Single Family)

*B5. Architectural Style: Craftsman

*B6. Construction History: (Construction date, alterations, and date of alterations.)

1910's was the date of construction estimated from the field survey.

*B7. Moved? ☐ No ☐ Yes ☒ Unknown Date: _____ Original Location: _____

*B8. Related Features: _____

B9a. Architect: _____

b. Builder: _____

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance 1910's

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.

B11. Additional Resource Attributes: (List attributes and codes) _____

*B10. Significance: Theme Architecture

Area San Diego

Period of Significance 1900's

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.

Property Type Residential SF

Applicable Criteria N/A

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This building was identified as an individually significant resource by the Historical Greater Mid-City San Diego Preservation Strategy survey. The resource is independently significant for its distinctive design or physical characteristics and does not require a contextual setting to derive a level of significance.
