

Miramar Landfill Clean Fill Dirt Program Application

Part 1

In order to participate in the Miramar Landfill Clean Fill Dirt Program, you must complete this application for EACH PROJECT generating soil that will be transported to the Miramar Landfill for reuse. The City may request additional information to verify that the soil complies with Clean Fill Dirt Program requirements. All loads are subject to inspection and testing upon arrival at the landfill and must conform to the Clean Fill Dirt Program [Terms and Conditions](#).

A MAXIMUM of Three (3) Dump Trucks PER DAY Will Be Allowed To Transport Clean Fill Dirt to the Miramar Landfill For Reuse From Each Approved Jobsite.

Project name and address _____

Brief description of the project _____

Depth of excavation _____

General contractor _____

o Contact name _____

o Contact phone number _____ Contact email _____

Clean fill dirt transporter(s) _____

o Primary contact name _____

o Primary contact phone number _____ Contact email _____

QUANTITY OF CLEAN DIRT (in cubic yards) *and approximate number of 10 wheel dump truck loads* that will be transported to Miramar Landfill:

Cubic yards _____ Number of loads _____

RENEWALS: If this project is an extension of a previously approved CFDP Application, list the approval number.

- 1. Is the project site located outside San Diego County? Yes No
- 2. Is there any known or suspected chemical contamination on the project site or within 500 feet of the project site? Yes No

The following resource may be used to make this determination in the absence of other more definitive site specific data: <http://geotracker.waterboards.ca.gov/>

- 3. Is the project site located within any of the areas listed below? Yes No

If YES, then please specify where:

- Downtown San Diego (Anywhere in 92101 Zip Code)
- Industrial or military-use zone (i.e., Barrio Logan, 32nd St. Naval Station and adjacent shipyards, etc.)
- Commercial district/roadway more than 50-yrs old (i.e., University Ave, El Cajon Blvd, Rosecrans St, etc.)
- Property which has ever been utilized as a gas station or vehicle repair facility or contained above/below ground fuel or hazardous material storage tanks
- Tidelands (within 500-feet of San Diego Bay)

If you have answered "No" to questions 1-3, then submit your completed application (**Part 1 only**) via email to: ESD-CFDP@sandiego.gov and maintain a copy for your records. No additional information is required at this time in order to participate in the Miramar Landfill Clean Fill Dirt Program. City staff will review your application and respond to the contact listed below within 48 hours, excluding weekends and City observed holidays.

By typing your name below you agree this is as valid as your signature.

I certify under penalty of perjury under the laws of the State of California that the information provided above is true and correct.

I have also read and agree to comply with the Miramar Landfill Clean Fill Dirt Program [Terms and Conditions](#).

Name (print) _____ Date _____ email _____

If you have answered "Yes" to any of the questions above, you must also complete Part 2 of this application and submit the completed application (Part 1 and Part 2) to the City for review and approval prior to transporting clean fill dirt from your project site to the Miramar Landfill.

City Use Only

Approved by _____ Approval number _____

This approval is valid for through _____. Projects exceeding this duration will require a new approved application and should reference their original application approval number on the new application.

IF THIS BOX IS CHECKED, THIS IS A CONDITIONAL APPROVAL AND MUST ALSO CONFORM TO THE ADDITIONAL CONDITIONS SPECIFIED IN CONDITIONAL APPLICATION APPROVAL
