ARTICLE I Name

- Section 1. The official name of this organization is the Mission Beach Precise Planning Board.
- Section 2. All activities of this organization shall be conducted in its official name.
- Section 3. The community planning area boundaries for the Mission Beach Precise Planning Board are the boundaries of the Mission Beach community, as shown on Exhibit "A" and described as follows:

The Mission Beach community planning area is located on a sand bar/peninsula two miles long and up to ¼ of a mile wide along the western edge of the mid-coastal region of the City of San Diego. It is bounded on the north by Pacific Beach, on the east by Mission Bay, on the south by the San Diego River (with Ocean Beach on the opposite bank) and on the west by the Pacific Ocean.

- Section 4. Meetings of the Mission Beach Precise Planning Board shall be held within these boundaries, except that when the Mission Beach Precise Planning Board does not have a meeting facility within its boundary that is accessible to all members of the public, they may meet at the closest meeting facility.
- Section 5. The official positions and opinions of the Mission Beach Precise Planning Board shall not be established or determined by any organization other than the planning group, nor by any individual member of the planning group other than one authorized to do so by the planning group.

ARTICLE II Purpose of Community Planning Group and General Provisions

- Section 1. The Mission Beach Precise Planning Board has been formed and recognized by the City Council to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to the Mission Beach Precise Planning Board community boundaries. The planning group also advises on other land use matters as requested by the City or other governmental agency as detailed in Council Policy 60024, Article II: Purpose of Community Planning Groups and General Provisions.
- Section 2. In reviewing individual development projects, the Mission Beach Precise Planning Board should focus such review on conformance with the Land Development Code and the adopted community plan and/or the General Plan. Preliminary comments on projects may be submitted to the City during the project review process. Whenever possible, the formal planning group recommendation should be submitted no later than the end of the public review period offered by the environmental review process. Upon receipt of plans for projects with substantive revisions, the planning group may choose to rehear the project and may choose to provide a subsequent formal recommendation to the City.
- Section 3. All activities of the Mission Beach Precise Planning Board shall be nonpartisan and nonsectarian and shall not discriminate against any person or persons by reason of race, color, sex, age, creed or national origin, or sexual orientation, or physical or mental disability. In addition, meeting facilities must be accessible to disabled persons.

Such a determination resulting in the forfeiture of rights to represent the community for these purposes shall be made only by the City Council upon the recommendation of the Mayor's Office.

Section 6. The Mission Beach Precise Planning Board operates under the authority of the Ralph M. Brown Act, which requires that meetings of the planning group are open and accessible to the public. In addition, Council Policy 600-24 "Standard Operating Procedures and Responsibilities of Recognized Community Planning Groups" and these Bylaws govern the operations of the planning group. Several provisions of these Bylaws constitute Brown Act requirements as outlined in the Policy.

Amendments to Council Policy 600-24 will apply to the Mission Beach Precise Planning Board, as well as to all other community planning groups, even if individual groups' bylaws are not required to be amended with parallel language.

In addition, the Administrative Guidelines provide explanations of the Policy's minimum standard operating procedures and responsibility of this planning group. The latest version of Robert's Rules of Order is used when the Policy, the Administrative Guidelines, and these Bylaws do not address an area of concern or interest.

Section 7. The Mission Beach Precise Planning Board may propose amendments to these Bylaws by a two-thirds vote of the elected members of the planning group. Proposed amendments shall be submitted to the offices of the Mayor and City Attorney for review and approval. ARTICLE III Community Planning Group Organizations

Section 1. The Mission Beach Precise Planning Board shall consist of 15 elected members to represent the community. These members of the planning group shall constitute the officially recognized community planning group for the purpose of these Bylaws and Council Policy 600-24.

Section 2. Council Policy 600-24 requires that elected members of the Mission Beach Precise Planning Board shall, to the extent possible, be representative of the various geographic sections of the community and diversified community interests.

On the Mission Beach Precise Planning Board, elected seats are filled by a geographic distribution of seats among five (5) areas of representation with three members elected to serve from each area. The five (5) areas of representation are: Area I, between San Diego Place and the south side of Capistrano Place; Area II, between the north side of Capistrano Place and the south side of West Mission Bay Drive and Ventura Place; Area III, between the north side of West Mission Bay Drive and Ventura Place and the south side of El Carmel Place; Area IV, between the north side of El Carmel Place and the south side of San Jose Place; Area V, between the north side of San Jose Place and the south side of Pacific Beach Drive.

Planning group members shall be elected by and from eligible members of the community. To be an eligible community member, an individual must be at least 18 years of age, and shall be affiliated with the community as a:

(1) Property owner, who is an individual identified as the sole or partial owner of record, or their designee, of a real property (either developed or undeveloped), within the community planning area, or

(2) Resident, who is an individual whose primary residence is an address in the community planning area, or

(3) Local business person, who is a local business or not-for-profit owner, operator, manager, or designee at a non-residential real property address in the community planning area; only one representative of a particular establishment may hold a seat on the community planning group at one time.

An individual may become an eligible member of the community by demonstrating qualifications to be an eligible member of the community to the planning group Secretary or Election Secretary prior to the March election or at the time of voting.

Prospective Board members must attend at least one regularly scheduled meeting of the Mission Beach Precise Planning Board's last 12 meetings prior to the February regular meeting preceding the election, and provide proof of eligibility prior to nomination at the February meeting.

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning group's criteria and formal action is taken by the planning group. However, the Mission Beach Precise Planning Board shall require proof of eligibility during elections.

Section 3. Members of the Mission Beach Precise Planning Board shall be elected to serve for fixed terms of 3 years with expiration dates during alternate years to provide continuity. One seat from each of the five geographic areas will expire each year and be on the ballot to fill.

No person may serve on the planning group for more than: nine consecutive years.

The nine-year limit refers to total maximum consecutive years of service time, not to individual seats held.

After a one-year break in service as a planning group member, an individual who had served for nine consecutive years shall be eligible for election to the planning group.

The planning group will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats, the planning group may retain some members who have already served for nine consecutive years to continue on the planning group without a break in service. Refer to Council Policy 600-24 Article III, Section 4 for further clarification.

Section 4. A member of the Mission Beach Precise Planning Board must retain eligibility during the entire term of service.

Section 6. Some provisions of these Bylaws constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the Mission Beach Precise Planning Board who participates in a meeting of the planning group where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

ARTICLE IV Vacancies

Section 1. The Mission Beach Precise Planning Board shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning group's secretary's report showing a third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning group's regular meetings.

A vacancy may also exist following a vote of the Mission Beach Precise Planning Board as described in Article III, Section 5 of Council Policy 600-24 related to ineligibility, or following conclusion of a member-removal process conducted under Article IX of the Policy, or due to adopted bylaws violations.

Section 2. Vacancies that may occur on the Mission Beach Precise Planning Board should be filled not later than 120 days following the date of the determination of the vacancy. The term of office of any member filling a vacancy shall be for the balance of the vacated term.

Mid-term vacancies shall be filled by a special election scheduled at the time the vacancies are declared. Once the board confirms that a vacancy exists, nominations will be declared open. Nominees must register in person with the Secretary and show proof of eligibility prior to their nomination. Nominations will be announced on the Agenda and will be finalized at the next regularly scheduled meeting. If a seat in a given area cannot be filled by an eligible member from that area, an eligible member from another area may fill that seat until the next regular election. The seat is filled by a majority vote of voting members of the Planning Board.

Section 3. When the Mission Beach Precise Planning Board is unable to fill a vacancy within 120 days, as specified above, and the planning group has more than 10 members, a search for a new member should continue, however either the seat may remain vacant until the next planning group election. If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 10 elected planning group members in good standing, the planning group shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning group membership has not reached 10 members, the planning group will be deemed inactive until it has attained at least 10 members in good standing.

In order to be a candidate in the March election, an eligible member of the community [See: Article III, Section 2] must have documented attendance at: one regular scheduled meeting of the Mission Beach Precise Planning Board's last 12 meetings prior to the February regular meeting preceding the election.

The ballot presented to eligible community members to vote will clearly identify which seats individual candidates are running for, how many candidates can be selected, whether there are limitations on which candidates various categories of eligible community members can vote for and which candidates, if any, must receive a 2/3 majority of the vote due to service beyond eight or nine consecutive years of service.

The Mission Beach Precise Planning Board's planning group's policy related to write-in candidates is that write-in candidates are not allowed.

Section 3. Voting to elect new community planning group members shall be by secret written ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of "slates" of candidates is contrary to the intent of Council Policy 600-24 and is not allowed.

Section 4. The Mission Beach Precise Planning Board's election becomes final after announcing the election results at the conclusion of the noticed, regular March monthly planning group meeting. The Chair is responsible for preparing, certifying, and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning group meeting.

Any challenge to the election results must be filed with the Elections Secretary in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

Recusals shall also be recorded. Minutes should record speakers and public testimony, and whether each project applicant (whose project was subject to planning group action) appeared before the planning group. If an applicant did not appear before the planning group then the meeting minutes must indicate the date when and type of notification (e.g., electronic, telephonic, facsimile) provided to the applicant requesting his or her appearance at the planning group meeting. Section 1. Indemnification and Representation. The Mission Beach Precise Planning Board and its duly elected or appointed members have a right to representation by the City Attorney and a right to indemnification by the City under Ordinance O-19883 NS, and any future amendments thereto, if the claim or action against them resulted from their obligation to advise and assist the City and its agencies with land use matters as specified in Council Policy 600-24, Article II, Section 1; their conduct was in conformance with the Policy and these Bylaws; and all findings specified in the ordinance can be made.

Section 2. Brown Act Remedies. The Mission Beach Precise Planning Board and its duly elected members may be subject to both Council Policy 600-24 violations as described in Section 3 below and penalties provided for in the Brown Act. The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning group, as well as the planning group itself, may be subject to civil remedies. Under certain circumstances, individual planning group members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member

knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3. Council Policy 600-24 Violations and Remedies.

(a) Alleged Violations by a Member of the Mission Beach Precise Planning Board

In cases of alleged violations of the Mission Beach Precise Planning Board Bylaws or Council Policy 600-24 by a planning group member, the planning group may conduct an investigation consistent with the Administrative Guidelines and these Bylaws.

A complaint that an individual member of a planning group violated one or more provisions of the planning group's Bylaws or Council Policy 600-24 may be submitted to the planning group Chair by an individual, including another planning group member. The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning group determines that the individual member has violated a provision of these Bylaws or Council Policy 600-24, the planning group shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning group.

If corrective action or measures are not feasible, the planning group may remove a member by a two-thirds of the voting members of the planning group. The vote to remove the group member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these Bylaws.

If the planning group member is found to be out of compliance with the provisions of these Bylaws or Council Policy 600-24, the planning group risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS, and any future amendments thereto.

Investigation procedures for elected member violations are outlined below:

Any action by the Mission Beach Precise Planning Board to discipline or remove a member must occur at a scheduled planning group meeting and be advertised on the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

Documenting a violation:

- A complaint that a violation of Bylaws or Council Policy 600-24 has occurred will be presented to the planning group Chair. If the complaint is about the Chair, it may be presented to any other officer of the planning group.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.
- The complaint should provide a citation of the Bylaws or Council Policy 600-24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning group member, the Chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The Chair will confer with the planning group officers [exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator] regarding the complaint.
- The Chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

Procedures for administering and acting on investigating a violation: While the authority for this process rests with this planning group, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the Chair, with assistance from the planning group officers, will meet and talk with the planning group member against whom the violation is alleged. The

allegations will be presented and the planning group member shall be given opportunity for rebuttal.

- If the Chair, with assistance from the planning group officers, determines that no violation has actually occurred, the Chair may record this in the written record of the complaint.
- If the Chair, with assistance from the planning group officers, determines that a violation has occurred but the situation can be remedied either by action of the planning group or by the planning group member, then the Chair will outline the necessary actions to achieve the remedy.
- If the Chair, with assistance from the planning group officers, determines that the situation cannot be remedied and that the interests of the community and Mission Beach Precise Planning Board would best be served by the removal of the planning group member, then the Chair shall set the matter for discussion at the next planning group meeting. The planning group member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning group discussion.

Presenting a violation to the planning group:

- The matter of removing a seated planning group member will be placed on the planning group's agenda as a potential action item. Supporting materials from the Chair or from the offending planning group member will be made available to the elected planning group members prior to the meeting.
- The matter will be discussed at the planning group's regular meeting with opportunity given to the planning group member who committed the violation to present their case and/or rebut documentation gathered by the Chair with the assistance of the planning group officers. The member may also request a continuance of the item to gather more information to present to the planning group.
- At the end of the discussion, the planning group may, by a 2/3 vote, choose to remove the member.

Recourse for expelled member:

- There is no appeal available to an elected planning group member removed by a 2/3 vote of the voting members of their recognized community planning group. •
The planning group member's seat shall be immediately declared vacant and subject to provisions of Article IV.
- The removal of a planning group member by a 2/3 vote of the voting members of their recognized community planning group will not prohibit the member from running for a planning group seat in future scheduled elections.

(b) Alleged Violations Against the Mission Beach Precise Planning Board as Whole

In the case of an alleged violation of the planning group's Bylaws or of Council Policy 600-24 by the planning group as a whole or multiple members of the planning group, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the planning group, determining the validity of the complaint, and seeking resolution of the issue or dispute. The Mission Beach Precise Planning Board will work with the City toward a solution and the planning group recognizes that, in accordance with Council Policy 600-24, the City may consult with the Community Planners Committee.

If a violation against the planning group as a whole is proven and there is a failure of the planning group to take corrective action, the planning group will forfeit its rights to represent its community as a community planning group recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated group's right to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning group shall not forfeit its recognized status until there is an action

by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning group is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted Bylaws risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS, and any future amendments thereto.

EXHIBIT B: Mission Beach Precise Planning Board Election Procedures

Elections for vacant positions are held in March each year and nominations for vacant positions will be made in February each year. You may nominate yourself, but in order to be nominated you must show proof you are a resident, property owner or business representative in Mission Beach.

Nominees must attend at least one regularly scheduled meeting of the Mission Beach Precise Planning Board's last 12 meetings prior to the February regular meeting preceding the election prior to being nominated and must be present in order to confirm their interest in being nominated. If a nominee is eligible to represent multiple areas, they must state which area they wish to represent for the entirety of their term. Please note that attendance at the regularly scheduled February meeting would meet the attendance qualifications.

Nominees must also be present at the regularly scheduled March meeting while the polls are open. Nominees may petition the Chair in writing for an exception, noting the reason for being unable to attend and stating their desire to be elected. Exceptions may only be approved by a majority vote of the Board.

Elections are held each year concurrent with but separate from the regularly scheduled March meeting. Polls open at 7 PM and close at 8 PM. To vote in an election, community members must meet the eligibility requirements to serve on the Board, as described in Article III, Section 2. There are no exceptions. If a community member is eligible to vote in multiple areas, they must state which area they intend to vote for when arriving at the polling location. Community members are not allowed to vote in multiple areas.

During the February meeting, the Board will select an Election Secretary whose role is to ensure a fair election by secret ballot is conducted. The Election Secretary's main duties are, but not limited to, promoting community member turnout, opening and closing the polls, designing a ballot and verifying community member eligibility. Only after the polls have closed will the Election Secretary count ballots. During the ballot counting, the Election Secretary must be assisted by a member of the community to ensure fairness and transparency. Election results will be provided in writing to the Chair by the close of the regularly scheduled March meeting.

In the event that no Board seat is contested, the Chair may propose to elect the proposed of candidates by acclamation followed by a majority vote of the Board.
