Miss Florence Chambers
2962 Bayside Walk
Mission Beach, California

Dear Miss Chambers:

At the meeting of the Mission Beach Junior Women's Club last evening, the members indicated their willingness to continue their patronage of the Mission Beach Plunge in the Amusement Center, if it is to be open this winter.

You may be assured of the hearty cooperation of this group in your endeavor to have the pool kept open.

Sincerely yours,

Helen I. Parsons
