

City of San Diego
EXECUTIVE ORDER NO. 2020-7
By the Mayor

On March 12, 2020, I issued a proclamation of local emergency in preparation and response to the spread of the COVID-19 virus in our community, which our City Council ratified on March 17, 2020. The local emergency will continue until its termination.

On March 19, 2020, in Executive Order N-33-20, the Governor directed all California residents to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, under the Order of the State Public Health Officer until further notice.

On March 12, 2020, the County Public Health Officer issued orders directing the public to take certain actions to protect the public health from COVID-19. The Public Health Order was amended several times and is in effect until further notice, unless extended.

On March 16, 2020, I issued Executive Order No. 2020-1 which limited enforcement of specific parking regulations. Due to the recent re-opening of several sectors of our local economy, as allowed by the Governor and Public Health Official, parking demand has increased thereby requiring parking enforcement to resume. Today, I am ordering that parking enforcement shall be reinstated but limited to warning notices, beginning July 1, 2020. A full reinstatement of all parking enforcement citywide shall begin July 15, 2020.

By virtue of authority vested in me as Mayor of the City of San Diego pursuant to the provisions of the City Charter, San Diego Municipal Code section 51.0105, and California Government Code section 8634 to promulgate, issue, and enforce rules, regulations, and orders, I hereby declare the following orders to be necessary for the protection of life and property and I hereby order, effective immediately until further notice that:

1. All of the requirements contained in Executive Order No. 2020-1, dated March 16, 2020, except those superseded here or by order of the Governor or Public Health Official remain in effect.
2. All of the requirements contained in Executive Order No. 2020-2, dated March 30, 2020, except those superseded here or by order of the Governor or Public Health Official remain in effect.
3. All of the requirements contained in Executive Order No. 2020-3, dated April 30, 2020, except those superseded here or by order of the Governor or Public Health Official remain in effect.

EXECUTIVE ORDER NO. 2020-7
By the Mayor

4. All of the requirements contained in Executive Order No. 2020-4, dated May 21, 2020, except those superseded here or by order of the Governor or Public Health Official remain in effect.
5. All of the requirements contained in Executive Order No. 2020-5, dated May 29, 2020, except those superseded here or by order of the Governor or Public Health Official remain in effect.
6. All of the requirements contained in Executive Order No. 2020-6, dated June 5, 2020, except those superseded here or by order of the Governor or the Public Health Official, remain in effect.
7. Except as superseded by order of the Governor or the Public Health Official:
 - a. Effective July 1, 2020, the City of San Diego will reinstate parking enforcement with limited enforcement for the first two-week period. Red, white, blue, and other all-time enforcement areas will continue to be enforced to maintain public safety.
 - b. Effective July 1, 2020 to July 14, 2020, the City of San Diego will limit issuance of parking citations to holidays or Sunday enforcement regulations. For parking meters, yellow commercial zones, short-term green zones, and 1-to-2-hour time parking zones, parking enforcement will be limited to warning notices of the fee or penalty.
 - c. Effective July 15, 2020, all suspension and modified enforcement will be concluded, and standard City enforcement of all curb space and meters will be enforced.
8. Any violation of the above prohibitions may be referred for prosecution to the fullest extent of the law. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

Dated: June 30, 2020

Mayor Kevin L. Faulconer
