To Whom It May Concern,

Per the email sent to Atlas Integrated Systems on May 26, 2022, this letter is in response to the request for a correction letter outlining a plan of action to meet the ratio of apprentices on the North City Water Reclamation Project.

In the future when sending workers on the jobsite, Atlas Integrated will request workers from the San Diego Local 569. For each Journeyman, we will request an apprentice from the same Local to work beside the Journeyman. If there is a need for a third worker, we will request another apprentice, if two apprentices can work with one Journeyman.

Feel free to contact me if you have any questions or concerns.

Regards,

Jacquelyn Smith
